

**CALIFORNIA HEALTH FACILITIES FINANCING AUTHORITY (Authority)**

**STAFF SUMMARY RECOMMENDATION**

**CITY OF HOPE AND CERTAIN OF ITS AFFILIATES**

Amendment to Resolution No. 384

August 31, 2023

---

**PURPOSE OF THE AMENDMENTS**

City of Hope and Certain of its Affiliates (COH) seeks approval of the Amendment to Resolution No. 384 to reissue certain of the Series 2012A bonds (the Bonds) in a direct purchase transaction, extend the no-call period for the Bonds until November 15, 2033, change the authorized denominations of the Bonds to \$100,000 and \$5,000 in excess thereof, and amend the project list.

**BACKGROUND**

In October 2012, the Authority authorized the issuance of tax-exempt bonds in an amount not to exceed \$351,000,000 for COH. Bond proceeds were used to finance and refinance certain capital projects.

In November 2012, the Authority issued Series 2012A tax-exempt bonds in the principal amount of \$234,635,000 (of which \$180,605,000 is currently outstanding), which included a 10-year call provision. Now that the Bonds have passed the 10-year call period, COH plans to purchase the Bonds in lieu of redemption as authorized by the Bond Indenture. COH then intends to sell such Bonds to a “qualified institutional buyer” (as defined in of Rule 144A under the Securities Act of 1933, as amended) in a direct purchase transaction and amend the terms of such Bonds and the project as described above.

COH intends to use the additional proceeds generated from the resale of the Bonds to finance the construction, acquisition, renovation, remodeling, furnishing and equipping of certain health facilities located at the COH Medical Campus in Duarte including an outpatient clinic; a parking structure to support the outpatient clinic and balance parking requirements across COH’s campus; a new building providing accommodations for patients, family members, and guests; and routine capital expenditures. Proceeds may also be used to pay certain expenses incurred in connection with the purchase in lieu of redemption and resale of the Bonds.

**RECOMMENDATION**

Staff recommends the Authority approve the Amendment to Resolution No. 384, with all prior provisions and conditions remaining unchanged and in full effect.
