

CALIFORNIA HEALTH FACILITIES FINANCING AUTHORITY (Authority)

Delegation of Powers, Resolution No. 2019-03

Investment in Mental Health Wellness Program for Children and Youth (CY)

County of Kings, Resolution No. CY 2022-01 (Third Funding Round)

December 7, 2023

BACKGROUND: On February 24, 2022, the Authority approved a CY grant award for the County of Kings (County) in the amount of \$227,365.00 to add one new Mobile Crisis Support Team (MCST) by purchasing one new vehicle and hiring one new staff. The County received the MCST vehicle in September 2023, and one clinician was hired on August 21, 2023. Since the County prefers to have the vehicle unmarked, it needs additional time to seek the County's Board of Supervisors' approval, which it estimates to receive by November 14, 2023. The County has confirmed that it is also working on vehicle operating procedures for the service provider and anticipates completing this by December 20, 2023.

The Authority received a request from the County dated October 16, 2023 to extend its milestone condition deadline to be open and operational from October 31, 2023 to December 30, 2023, a 60 day-extension.

ACTION: In consultation with STO legal counsel, who confirmed that the action fell within the Executive Director's delegated authority under Resolution No. 2019-03 the Executive Director executed the milestone extension on October 31, 2023.
