

**CALIFORNIA HEALTH FACILITIES FINANCING AUTHORITY (“Authority”)  
STAFF SUMMARY AND RECOMMENDATION**

**Clinicas de Salud del Pueblo, Inc. (“Clinicas”)**

**Resolution Number 2012-01**

**January 26, 2012**

**BACKGROUND:**

At its December 6, 2007 board meeting, the Authority approved Resolution No. 325, which authorized an issuance of bonds as part of a pooled financing in an amount not to exceed \$6,250,000. The Authority loaned the bond proceeds to Valley Health Team, Inc. (“Valley”) and Clinicas de Salud del Pueblo, Inc. (“Clinicas”). Clinicas used the proceeds to refund Certificates of Participation issued by the Local Medical Facilities Financing Authority in 1992 and to refund revenue bonds issued by the Authority in 1998. The CHFFA Series 2008 Bonds (the “Bonds”) are secured by a Cal-Mortgage Insurance commitment.

Clinicas provides primary health care to the low income and medically underserved populations of Imperial and Riverside Counties. Clinicas offers comprehensive preventative and treatment services, pediatric care, adult medicine, family planning, perinatal care and delivery, health education, HIV testing and treatment, Women, Infant and Child food voucher program and some laboratory services.

**PURPOSE OF THE REQUEST:**

Clinicas requests the Authority approve the following amendments to the Indenture, dated March 1, 2008: 1) differentiate and clarify what portion of each maturity is allocable solely to Clinicas, 2) allow for an optional redemption for the Clinicas’ portion and 3) shorten the notice period for optional redemptions.

Currently, the Indenture does not differentiate the obligations between Clinicas and Valley nor does it allow for redemption of the Bonds. Therefore, Clinicas has requested the Authority and the Trustee amend the Indenture such that it may redeem its portion of the Bonds which is \$4,500,000. These amendments will only pertain to Clinicas’ portion of the Bonds and will require the bondholder’s consent. The redemption of the Bonds will release Clinicas from the Cal Mortgage Insurance requirements.

The Original Indenture provides that the 2008 Bonds maturing prior to July 1, 2032, are not subject to optional redemption prior to maturity until July 1, 2018. Therefore, Clinicas has requested that the Original Indenture be amended to permit the immediate redemption.

Rabobank has agreed to provide Clinicas with a loan with terms to allow for the prepayment of the Bonds. Clinicas desires to redeem the Bonds in early February 2012, which would require a shortened notice period to the bond holder.

While the Bonds were originally purchased in 2008 by United Health Group (“United”), the Bonds are actually registered in the name of Cede & Co., which is the nominee name of the Depository Trust Company (“DTC”). However, United is not a direct participant in the DTC system. The Bonds are sub-registered with a direct participant in the DTC system which is Northern Trust Company. United has given its consent to amend the Indenture and Bond Counsel is working with the U.S. Bank, who is the Trustee, to work through the hierarchy to confirm bondholder’s consent.

**RECOMMENDATION:**

Staff recommends the Authority approve Resolution Number 2012-01 for Clinicas de Salud del Pueblo, Inc., amending the Indenture dated March 1, 2008 to allow an Optional Redemption prior to the call date, clarify what portion of each maturity is allocable to Clinicas de Salud del Pueblo, Inc. and shorten the notice period for optional redemptions thus permitting the immediate redemption of the 2008 Bonds allocable to it.
