California Capital Access Loan Program

UPDATED PROGRAM NOTICE

To: Participating Financial Institutions & Interested CalCAP Borrowers and Stakeholders

From: Reneé Webster-Hawkins, Executive Director

Date: December 9, 2019

Re: Supplemental Severely Affected Community (SAC) Contribution

The credit enhancements offered by the California Pollution Control Financing Authority for loans enrolled in the California Capital Access Loan Program (CalCAP) for Small Business, the Collateral Support Program (CSP), the CalCAP/Seismic Safety Program, and the CalCAP Americans with Disabilities Act (CalCAP/ADA) Program are eligible for supplemental contributions for borrowers whose businesses and properties are located in a Severely Affected Community (SAC). The Authority’s regulations define a Severely Affected Community as an “economically distressed geographic area”, as designated by the Executive Director.

In recognition of the economic impact of designated disasters and public safety power shutoffs to California small businesses, CalCAP will authorize a supplemental contribution for a credit enhancement for the 12 months following the designation for CalCAP for Small Business, CSP, CalCAP/ADA and CalCAP/Seismic loans enrolled for borrowers located in areas designated as a disaster area by the Governor, and whose businesses are directly impacted by the disaster including any public safety power shutoffs.

CPCFA has developed a “Supplemental SAC Contribution Lender and Borrower Certification” that will be required to be submitted with the loan enrollment application package in order to qualify for this supplemental SAC contribution. The form is included with this notice and posted on the CalCAP website, https://www.treasurer.ca.gov/cpcfa/calcap/forms/sac-contribution.pdf.

A state of emergency has been declared for specific areas on the dates listed on the chart below, effective as of the declaration date and in effect until the end date listed.

Supplemental Severely Affected Community (SAC) Contribution
Lender and Borrower Certification

The credit enhancements offered by the California Pollution Control Financing Authority for loans enrolled in the California Capital Access Loan Program (CalCAP) for Small Business, the Collateral Support Program (CSP), the CalCAP/Seismic Safety Program, and the CalCAP Americans with Disabilities Act (CalCAP/ADA) Program are eligible for supplemental Contributions for borrowers whose businesses and properties are located in a Severely Affected Community (SAC). The Authority’s regulations define a Severely Affected Community as an "economically distressed geographic area", as designated by the Executive Director.

In recognition of the economic impact of designated disasters and public safety power shut-offs to California small businesses, CalCAP will authorize a supplemental contribution for a credit enhancement for the 12 months following the designation for CalCAP for Small Business, CSP, CalCAP/ADA and CalCAP/Seismic loans enrolled for borrowers located in areas designated as a disaster area by the Governor, and whose businesses are directly impacted by the disaster including any public safety power shut-offs.

To be eligible for the supplemental contribution, the lender and borrower must certify to both of the following:

☐ Business is located in a designated disaster area.
☐ City, County and zip code of impacted business or property:

The economic impact to the small business caused by ________________________________ (designated event) on ____________________________ (date) has been described and addressed in the loan credit analysis.

Circumstances include (Check all that apply):
☐ Disruption to supply chain
☐ Physical damage to the business or property
☐ Mandatory evacuation area
☐ Employee home was at risk
☐ Temporary closure due to safety risk
☐ Extended power outage due to public safety power shut-offs
☐ Other

By signing below and enrolling this loan the Participating Financial Institution and the Borrower certifies that each of the above assurances is true and accurate.
