CalCAP supports loans made to small businesses to assist them in growing or maintaining their businesses. Loans in CalCAP/CARB's Truck Loan Assistance Program can be used to finance heavy-duty trucks to comply with the Truck and Bus Regulations.

- The Truck Loan Assistance Program is modeled after the CalCAP for Small Business Program, est. 1994, and administered by the California Pollution Control Financing Authority (CPCFA).
- CPCFA was established in 1973 and is chaired by the California State Treasurer.
