

V. SUBMITTING A CLAIM

Lenders are required to notify CPCFA within 120 days of when the lender has charged off all or part of a qualified loan as a result of default. If the form is filled out properly and the lender has complied with CalCAP requirements, CalCAP will authorize the Program trustee (if account is trustee-held) or the participating financial institution (if account is lender-held) to reimburse the lender for their losses from the lender's loss reserve account within 30 business days.

The lender must experience a net loss originating from the outstanding principal, accrued and unpaid interest, and/or out-of-pocket expenses in order for CPCFA to approve a claim.

In addition to the claim form, lenders should submit:

- (1) a complete transaction history of the account
- (2) a short written synopsis of the loan history, including the last payment date, when and why the loan charged off, any liquidation efforts (dates and amounts) and future collections efforts
- (3) receipts for any reasonable, claimed out-of-pocket expenses
- (4) Bill of Sale for liquidated collateral

When assessing whether an out-of-pocket expense is considered reasonable, financial institutions should consider the best lending practices and act in a prudent and judicious manner during their collection processes.

Lenders must abide by their standard collection practices both before and after a claim is filed with CPCFA. If a lender receives any recoveries after a claim is filed with CPCFA, the lender must reimburse the loan loss reserve account on a dollar for dollar basis and must report the recovery on the lender's Quarterly Report.

A copy of the form can be found in Chapter IX of this manual. However, lenders should always check the CalCAP/ EVCS website for the most current versions:
