NOTICE OF APPROVAL OF EMERGENCY REGULATORY ACTION

Government Code Sections 11346.1 and 11349.6

OAL File No. 2012-0615-01 E

The California Pollution Control Financing Authority submitted this deemed emergency action, pursuant to Health & Safety Code section 44520(b), to amend five sections pertaining to the Capital Access Program for Small Businesses under title 4, division 11, article 7 of the California Code of Regulations. As a result of federal funding allocations to the program in 2011, CPCFA is developing a collateral support program that will be organized slightly differently than the current Capital Access Program. Clarification of the existing regulations is necessary to operate both programs harmoniously and ensure the functionality of the two programs.

OAL approves this emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the Government Code.

This emergency regulatory action is effective on 6/25/2012 and will expire on 12/25/2012. The Certificate of Compliance for this action is due no later than 12/24/2012.
