### Authority and Reference

Authority: Sections 44520(a), 44520(b), and 44559.5(f), Health and Safety Code. Section 44520(b) of the Act authorizes the Authority to adopt regulations relating to small business financing as emergency regulations and instructs the Office of Administrative Law to consider such regulations to be “necessary for the immediate preservation of the public peace, health and safety or general welfare.” Section 44520(a) and 44559.5(f) of the Act authorizes the Authority to adopt necessary regulations to carry out its powers and duties under this division in administering applications for financing.

Authority: Sections 44559.13 of the Health and Safety Code. Section 44559.13 of the Act authorizes the Authority to assist small businesses in complying with the Americans with Disabilities Act. The intent of the act is not to assist with the physical expansion of the business.

### **Informative Digest**

Existing law establishes the Capital Access Program and authorizes the Authority to contract with specified financial institutions to make loans to eligible small businesses that may have difficulty obtaining capital. (Health and Safety Code, § 44559)

The proposed additions to the regulations allow the Authority to include alternate provisions specific to the California Americans with Disabilities Act Small Business Capital Access Financing Program (“CalCAP/ADA Financing Program”) within CalCAP’s existing Small Business Loan. The proposed regulations will create a self-sustaining program to provide loans to assist small businesses in financing the costs of projects that alter or retrofit existing small business facilities, meeting specified criteria, to comply with the federal Americans with Disabilities Act. The CalCAP/ADA Financing Program will provide a credit enhancement to support private bank loans to small businesses to make required improvements. The businesses that qualify for the program are among the smallest and are at the most risk.

Pursuant to the California Code of Regulations Section 12(b), the proposed regulations repeat and rephrase existing law to provide clarity to the CalCAP/ADA Financing Program’s participating financial institutions and qualified borrowers.

The Authority has performed a search of existing regulations and has determined that the proposed regulations are not inconsistent or incompatible with existing state regulations.
