FINDING OF EMERGENCY READOPT

CALIFORNIA POLLUTION CONTROL FINANCING AUTHORITY

Title 4, Division 11

Finding of Emergency

Pursuant to Section 44520(b) of the Health and Safety Code, the regulations being amended herewith by the California Pollution Control Financing Authority (the "Authority") as emergency regulations (the "Emergency Regulations") are, by legislative mandate, necessary for the immediate preservation of the public peace, health and safety, and general welfare.

Necessity

These Emergency Regulations are necessary to implement, interpret, and make specific Article 7 of the California Pollution Control Financing Authority (the "Authority") Act (the "Act").¹ The Authority's Capital Access Loan Program (CalCAP) is the intended recipient of Federal funds. CalCAP anticipates receiving the Federal funds in the fall of 2022. Receipt of these funds will eliminate the need for the continuation of the recapture mechanism essential for the sustainability of CalCAP's Small Business Program.

CalCAP proposes to readopt these Emergency Regulations for an additional 90 days in order to complete the Certificate of Compliance. As required for readoption, CalCAP has made substantial progress with the Certificate of Compliance; however, an additional period of time will allow for it to be completed and submitted to the Office of Administrative Law. The emergency circumstances remain unchanged, and none of the text has been changed.

Authority and Reference

Authority: Sections 44520 (a), 44520(b) and 44559.5(f), Health and Safety Code. Section 44520(b) of the Act authorizes the Authority to adopt regulations relating to small business financing as emergency regulations and instructs the Office of Administrative Law to consider such regulations to be "necessary for the immediate preservation of the public peace, health and safety or general welfare." Sections 44520(a) and 44559.5(f) of the Act authorize the Authority to adopt necessary regulations relating to the Capital Access Loan Program established by the Act (CalCAP).

Reference: Sections 44559-44559.9 of the Health and Safety Code. These Emergency Regulations implement, interpret and make specific Sections of the Act by amending Sections 8070, 8072, and adding 8078.2 of Title 4, Division 11, Article 7 of the California Code of Regulations.

Informative Digest

Existing law establishes the Capital Access Loan Program and authorizes the Authority to contract with specified financial institutions to make loans to eligible small businesses that fall just outside of most conventional underwriting standards. (Health and Safety Code, § 44559.2.)

¹ The Act is codified at Health and Safety Code sections 44500 through 44563 and Article 7 is codified at Health and Safety Code section 44559 through 44559.9.

The proposed amendment to the regulations will revise and update the definitions and remove the recapture mechanism to recycle contributions to support future loan enrollments in the CalCAP for Small Business Program.

The Proposed Amendments and Objectives for Each Section are as follows:

§ 8070. Definitions.

This section defines terms commonly used throughout the regulations to avoid ambiguity or misunderstanding.

Section 8070 (w). Amends the term “Recapture”. This removal of the recapture requirement is for the Small Business Program only.

Necessity. The proposed amendments are necessary to include definitions specific to the implementation of the recapture mechanism for the Capital Access Program for Small Businesses, and to eliminate and refine existing definitions for clarity.

§ 8072. Loan Enrollment.

This section defines terms commonly used throughout the regulations to avoid ambiguity or misunderstanding.

Section 8072 (k). Removes requirement that loan enrollments submitted after August 15, 2017 be automatically subject to Recapture. This provision is no longer necessary because Federal funds will be used to support future loan enrollments.

Necessity. The proposed amendment is necessary to refine an existing definition specific to the Capital Access Program for Small Business.

§ 8073. Loss Reserve Accounts.

Section 8073 (d). Removes the Executive Director’s authorization to withdraw contributions subject to recapture from Loss Reserve Accounts.

Section 8073 (g). Removes the full description of the recapture process and voluntary election process of the lenders to participated in this process.

Necessity. The proposed amendments are necessary to amend the recapture mechanism established in the Capital Access Program for Small Business.

Other Matters Prescribed by Statutes Applicable to the Specific State Agency or to any Specific Regulation or Class of Regulations

No other matters are prescribed by statute applicable to the Authority or to any specific regulation or class of regulation pursuant to Section 11346.1(b) or 11346.5(a)(4) of the Government Code pertaining to the Emergency Regulations or to the Authority.

Mandate on Local Agencies or School Districts

The Executive Director of the Authority has determined that the Emergency Regulations do not impose a mandate on local agencies or school districts.

Fiscal Impact

The Executive Director of the Authority has determined that the Emergency Regulations do not impose any additional cost or savings requiring reimbursement under Section 17500 et al of the Government Code, any other non-discretionary cost or savings to any local agency or any cost or savings in federal funding to the State. Pursuant to the State Administrative Manual Section 6680, a Fiscal Impact Statement (Form 399) is submitted without the signature of a Project Budget Manager at the Department of Finance, as there are no fiscal impact disclosures required by State Administrative Manual Sections 6600-6670. There will be no cost or savings to any State Agency pursuant to Section 11346.1(b) or 11346.5(a)(6) Government Code.

Pre-qualifications do not necessarily guarantee that funds for Contributions will be available at the time of final enrollment, unless the funding source requires it. Pre-qualifications shall be valid for six (6) months.

(g) The Authority shall, upon receipt of documentation and Fees from the Participating Financial Institution, enroll the Qualified Loan if the Executive Director determines that the Qualified Loan meets the requirements of the Law and this Article. The Executive Director shall notify the Participating Financial Institution of enrollment within 15 business days after receipt by the Authority of all documentation and Fees required by the Law and/or this Article. The Executive Director's determination whether a loan shall be enrolled in the Program shall be final. The Executive Director shall be authorized to review an application for enrollment submitted by a Participating Financial Institution in advance of the making of the loan, and notify the institution whether such loan meets the requirements of the Law and this Article.

(h) Upon enrollment of a Qualified Loan, the Contribution shall be transferred for deposit in the Loss Reserve Account (1) by the Authority or (2) by an Independent Contributor, and the Program Trustee shall notify the Participating Financial Institution of the transfer and of the source of funds from which the transfer was made.

(i) The Participating Financial Institution must notify the Authority whenever the material terms of an enrolled loan change prior to maturity, including TRAC Leases assumptions, by submitting a Change in Terms notification within fifteen (15) business days after such change.

(1) If any of the terms other than the interest rate have changed, then the Participating Financial Institution shall also submit an amended loan enrollment application including new lender and borrower certifications, for the loan.

(2) The Participating Financial Institution shall deposit Fees pursuant to Section 8072 for any increase to the total loan amount.

(3) If the Authority determines that the information contained in the Change in Terms constitutes an ineligible Refinance, or not a Qualified Loan as defined in Section 8070, neither the original nor the revised loan will continue to be enrolled in the Program.

(4) Notwithstanding the ineligibility of a Refinance when the outstanding balance is not increased under Section 8070(u)(3), the Authority may authorize an extension of the maturity date of an enrolled loan for up to eighteen (18) months, if the Participating Financial Institution has provided the Authority written certification to its credit policy that provides for such extensions of the maturity date. Such authorization is contingent upon the submittal of the Change in Terms notification, an amended loan enrollment application, and new lender and borrower certifications for the loan.

(j) Without regard to the terms of the loan, the term of enrollment in the Program shall not exceed ten years.

~~(k) Loan enrollments submitted on or after August 15, 2017 will be subject to Recapture as specified in Section 8073.~~

§ 8073. Loss Reserve Accounts.

(a) Upon the Executive Director's acceptance of an application under Section 8071, the Authority shall establish a Loss Reserve Account for that Participating Financial Institution for the following purposes:

- (1) to receive all Fees deposited by the Participating Financial Institution, Borrowers and/or Independent Contributors;
- (2) to receive Contributions deposited by the Authority and/or Independent Contributors; and
- (3) to pay claims in accordance with Section 8074.

(b) The Loss Reserve Account shall, in the Authority's sole determination, be held by the Participating Financial Institution or by the Program Trustee. For each Loss Reserve Account held by a Participating Financial Institution, the Participating Financial Institution shall submit to the Authority a monthly statement of the account activities and balance, no later than the 15th of the following month.

(c) Any Loss Reserve Account held in a Participating Financial Institution shall be an interest-bearing demand account or deposit account at a banking institution, or a Money Market Fund if approved in writing by the Executive Director, or a combination thereof, and earning a rate of interest that would be expected of accounts of similar type and size. The Loss Reserve Account shall be insured by the Federal Deposit Insurance Corporation, the National Credit Union Share Insurance Fund, or the Securities Investor Protection Corporation, as appropriate, to the extent permitted by law. The Authority shall not deposit any Loss Reserve Account with a Participating Financial Institution if:

- (1) there are any charges by the Participating Financial Institution for the establishment or maintenance of the Loss Reserve Account at such Financial Institution; or
- (2) at the time the Loss Reserve Account is established with the Participating Financial Institution, it has a rating below "75" from IDC Financial Publishing Inc.'s Bank Financial Quarterly, S&L-Savings Bank Financial Quarterly, or Credit Union Financial Profiles; or it has a rating of "C" or below from LACE Financial Corp; or it has a rating below "11" from Highline Inc.'s Bank Quarterly or S&L Quarterly or successor publication approved by the Executive Director.
- (3) the Participating Financial Institution has not timely submitted its Quarterly Report described in Section 8073, and, for accounts held at the Participating Financial Institution, the monthly statements described in Section 8078.

(d) All moneys in a Loss Reserve Account are property of the Authority (subject to the Participating Financial Institution's right to receive a portion of the remaining balance in the Loss Reserve Account upon its withdrawal from the Program pursuant to Section 8076 and subject to subsection (e) below). Interest or income earned on moneys credited to the Loss Reserve Account shall be deemed to be part of the Loss Reserve Account. The Executive Director shall be authorized to withdraw from the loss reserve all interest and income that has been credited to the Loss Reserve Account as set forth in Health and Safety Code Section 44559.3(d), ~~and any Contributions subject to Recapture as provided in Section 8073.~~ The Executive Director shall be authorized to return to a Participating Financial Institution any Fees improperly deposited in a Loss Reserve Account. No Participating Financial Institution holding its Loss Reserve Account shall make any withdrawal from the account without written instruction from the Authority.

(e) Notwithstanding any other provision of this article, the Executive Director shall be authorized, with the approval of the applicable Participating Financial Institution, to assign, transfer, pledge or create

security interests in all or a portion of any Loss Reserve Account to any other entity or entities (including a trustee of a securitization trust or trusts) in connection with the securitization of all or a portion of the Participating Financial Institution's loans enrolled in the Program. Any loan enrolled in the program or portion thereof which is subsequently assigned, transferred, pledged or securitized without the advance written approval of the Executive Director shall no longer be deemed a Qualified Loan or covered by the Loss Reserve Account. If a Participating Financial Institution desires to assign, transfer, pledge or securitize all or a portion of any enrolled loan or Loss Reserve Account, it shall submit a written request to the Authority no less than thirty (30) calendar days in advance of such action, together with the list of loans and the amount of the Loss Reserve Account subject to the request, and a draft of the legal document specifying the assignment, transfer, pledge or securitization.

(f) The Participating Financial Institution shall provide information to the Authority regarding the status of accounts, enrolled loans, claims and recoveries upon request, including timely Quarterly Reports of the data regarding: Outstanding Principal Balance of all enrolled loans; all loans in default and charged off, and claim amounts; and deposits made to replenish the Loss Reserve Account pursuant to Section 8074, in the form provided by the Authority. Failure to submit timely and complete Quarterly Reports will result in the suspension of any pending loan enrollments or claim applications from that Participating Financial Institution, and transfer of any Loss Reserve Accounts held by the Participating Financial Institution to the Program Trustee.

~~(g) The Executive Director is authorized to Recapture from each Loss Reserve Account the Authority's Contribution for each enrolled loan when the corresponding Qualified Loan matures or upon five years from the date of enrollment, whichever occurs first, and subject to each of the following conditions:~~

~~(1) Recapture shall be conducted on an annual basis following the end of each fiscal year based on the data reported in the Quarterly Reports submitted for the term ending June 30th.~~

~~(2) Recapture is not applicable for Contributions for Qualified Loans that are charged off as a result of a default, and have a pending or approved claim with the Authority, and are reported as such on the Quarterly Report.~~

~~(3) The Executive Director shall limit the amount of the annual Recapture of Contributions from each Loss Reserve Account if necessary to ensure that the balance remaining in that Loss Reserve Account immediately following Recapture is greater than a minimum threshold set as a percentage of the Outstanding Principal Balance of loans enrolled in the 60 months prior to each annual Recapture. Beginning in 2020, the minimum threshold shall be fifteen percent (15%).~~

~~(4) Recapture shall apply to each new Loss Reserve Account established on or after August 15, 2017.~~

~~(5) For Loss Reserve Accounts established before August 15, 2017, each Participating Financial Institution shall affirm in writing its election to continue enrolling loans in the Program subject to Recapture applicable to Contributions for all past and future Qualified Loans. This election may not later be withdrawn by the Participating Financial Institution. Loans enrolled on or after August 15, 2017 will be deemed ineligible if the Participating Financial Institution has not first submitted its election in writing. For any Participating Financial Institution that submits its election in writing after August 15, 2017, the Authority shall thereupon conduct Recapture for its Loss Reserve Account according to this subsection (g), and the Participating Financial Institution may thereupon submit new loan enrollments on or after the date of its written election. Nevertheless, Qualified Loans enrolled before August 15, 2017 will be supported by the Loss Reserve Account and the Participating Financial Institution will be eligible for claim reimbursement pursuant to Section 8074 for the previously enrolled Qualified Loans until maturity.~~

~~(6) The Authority shall deposit all Recaptured funds in the CalCAP for Small Business Loan Program Fund dedicated solely for future program and administrative expenditures of the CalCAP for Small Business Loan Program. The Authority may set aside up to 7 percent of all Recaptured funds for reasonable direct and indirect administrative costs of the Program.~~

~~(h)~~(g) The Authority may suspend enrollment of Qualified Loans upon written notice to the Participating Financial Institution at least ten (10) business days prior to the effective date of the suspension. Causes for suspension shall be for violations of applicable statutes or regulations. If the violations are not corrected within thirty (30) business days from the effective date of the suspension the Executive Director is authorized to terminate participation of a Participating Financial Institution in the Program. In the event of such termination, the Participating Financial Institution shall not be authorized to enroll any further Qualified Loans.

§ 8074. Claim for Reimbursement.

(a) A Participating Financial Institution shall notify the Authority within 120 days after it has charged off all or part of a Qualified Loan as a result of a default.

(b) A Participating Financial Institution shall be authorized to make a claim for reimbursement of a loss from the enrolled portion of a Qualified Loan prior to the liquidation of collateral, or to realization on personal or other financial guarantees or from other sources. A Participating Financial Institution may also defer, for a period not to exceed 180 days from the date of the charge off, at its sole discretion, making a claim for reimbursement, but still must inform the Authority of charge off status within 120 days.

(c) The Authority shall pay claims within 30 days of receipt of a completed claim request; provided, however, that the Executive Director shall be authorized to reject a claim if it is determined that the certifications, representations and warranties provided by the Participating Financial Institution or Borrower pursuant to Section 8072 at the time of enrolling the Qualified Loan were false. The Authority shall be authorized, upon providing written notice to the Participating Financial Institution, to defer payment of claims up to an additional 30 days if the Authority requires more information in order to determine if the claim shall be paid. The Authority may request and the lender shall provide, any and all information from the Borrower's loan file to substantiate the eligibility of the Borrower's business and the enrolled loan, and the reasonableness of the costs claimed.

(d) Claim reimbursement shall not exceed the enrolled amount of the qualified loan or loans that form the basis for the claim, except when reasonable out-of-pocket expenses are claimed. In the event only a portion of the loan was enrolled, reimbursement of interest and out-of-pocket expenses will be limited to the ratio of the enrolled portion to the total loan amount.

(e) To make a claim, the Participating Financial Institution shall submit a claim form to the Authority which shall include the following information:

(1) Name and number of the Participating Financial Institution.

- (2) Name, address and telephone number of contact person.
- (3) Name of the business receiving the defaulted Qualified Loan.
- (4) Amount and date of the Qualified Loan and the Authority's loan number.
- (5) Date and amount of default.
- (6) A description of the facts and circumstances of the default, efforts to settle or cure the default, efforts to liquidate collateral or collect from other sources, and any other narrative information and documentation necessary to demonstrate that the claim is eligible under Health and Safety Code Section 44559.5, and that any out-of-pocket expenses sought are reasonable.
- (7) Amount of claim and breakdown of components of the claim between principal, interest, and reasonable out-of-pocket expenses of collection or preservation of collateral, accompanied by documentation of such expenses.
- (8) Certification that notice was filed with the Authority as required by Section 8074(a) above within 120 days of the date the Participating Financial Institution charged the Qualified Loan off on its books, and certification that such charge off was made in a manner consistent with the Participating Financial Institution's usual methods for taking action on loans which are not enrolled as Qualified Loans under the Program.
- (9) Statement whether the loan is secured, and whether the Participating Financial Institution has commenced enforcement proceedings.
- (10) If two or more claims are filed simultaneously by one Participating Financial Institution, a statement of the priority of payment of the claim compared to the other claims in the event the Loss Reserve Account is not sufficient to pay all claims.
- (11) Statement whether the Qualified Loan qualifies under Section 8074(g).
 - (f) Except as provided in Section 8074(g) below, if a Qualified Loan suffers a loss and at the time of the Participating Financial Institution's claim there are insufficient funds in the Loss Reserve Account to cover the total amount of the claim, the Participating Financial Institution shall be able to withdraw all of the amount in the Loss Reserve Account at the time of the claim, to cover the loss to the fullest extent possible, but it shall thereafter not be eligible to obtain any further reimbursement relating to that claim.
 - (g) If a Qualified Loan suffers a loss, and at the time of the claim there is not enough money in the Loss Reserve Account to fully cover the loss, the Participating Financial Institution shall be able to withdraw all of the amount in the Loss Reserve Account at the time of the claim, to cover the loss to the fullest extent possible. If the Participating Financial Institution then continues making Qualified Loans under the Program and the Loss Reserve Account is replenished, the Participating Financial Institution shall be authorized to withdraw funds from the Loss Reserve Account at a subsequent time in order to fully cover the earlier claim, provided that the amount subsequently withdrawn to cover the earlier claim cannot exceed 75 percent of the amount in the Loss Reserve Account immediately prior to such subsequent withdrawal.
 - (h) If subsequent to the payment of a claim by the Authority, the Participating Financial Institution recovers from the Borrower, from liquidation of collateral or from any other source, amounts for which the Participating Financial Institution was reimbursed by the Authority, the Participating Financial Institution shall promptly pay to the Authority for deposit in the Loss Reserve Account, the amount

received, net of reasonable and customary costs of collection, that in aggregate exceeds the amount needed to fully cover the Participating Financial Institution's loss on the Qualified Loan (including the portion of a Qualified Loan which is not enrolled in the Program). Recoveries which exceed reimbursements to the Loss Reserve Account may be retained by the Participating Financial Institution.

§ 8075. Subrogation.

(a) The Authority will be subrogated to the rights of the Participating Financial Institution in collateral, personal guarantees and all other forms of security for the Qualified Loan that have not been realized upon by the Participating Financial Institution, when the Participating Financial Institution's loss has been fully covered by payment of a loss claim, or by a combination of payment of a loss claim and recovery from the Borrower, liquidation of collateral, or from other sources.

(b) At the time of subrogating its rights, the Participating Financial Institution shall provide the Authority with all original security agreements, any documents evidencing title to real property, certificates of title, guarantees, and any other documents representing security for the Qualified Loan, duly recorded and perfected, and accompanied by enforceable assignments and conveyances to the Authority, unless such security documents also secure indebtedness to the Participating Financial Institution which was not covered by the Qualified Loan. In such latter case, the Participating Financial Institution shall enter into an intercreditor agreement with the Authority, providing that the Participating Financial Institution shall be entitled to recover under such security documents, to the extent possible, the full amount of its loss on any indebtedness not covered by the Qualified Loan but secured by the same collateral as the Qualified Loan; the balance of any amounts recovered under such security documents shall be deposited in the Loss Reserve Account. The Participating Financial Institution shall provide regular reports, as requested by the Executive Director, concerning its activities in collecting moneys owed from a defaulted Borrower.

(c) The Executive Director shall be authorized to enter into agreements with any Participating Financial Institution to provide for such institution to act as the Authority's agent to secure recovery under any collateral or security documents to which the Authority has been subrogated.

§ 8076. Termination and Withdrawal from Program.

(a) A Participating Financial Institution shall be authorized to withdraw from the Program after giving written notice to the Authority. Such notice shall specify either:

(1) that the Participating Financial Institution waives any further interest in the Loss Reserve Account (including for the reason that all Qualified Loans covered by the Loss Reserve Account have been repaid); or

(2) that the Participating Financial Institution will not enroll any further loans under the Program but that the Loss Reserve Account shall continue in existence to secure all Qualified Loans enrolled prior to such notice until such loans mature or are charged off.

(b) After receipt of a notice under subsection (a)(1) or receipt of a certificate from a Participating Financial Institution which has withdrawn from the Program pursuant to subsection (a)(2), certifying that

all Qualified Loans secured by the Loss Reserve Account have been repaid and that there are no pending claims for reimbursement under Section 8074, the remaining balance in the Loss Reserve Account shall be distributed to the Authority; provided that such moneys shall be distributed to the Authority and to the Participating Financial Institution in the amount of the Authority Share and the Participating Financial Institution Share, respectively. For purposes of this Section 8076, "Participating Financial Institution Share" means the ratio of the total amount of Participating Financial Institution Fees made to the Loss Reserve Account, to the total amount of Authority Contributions and Borrower and Participating Financial Institution Fees made to such Loss Reserve Account and "Authority Share" means 100 minus the Participating Financial Institution Share.

(c) For purposes of this Section 8076, for loans enrolled in the Program, and corresponding Contributions and Fees made, on or after August 15, 2017, "Participating Financial Institution Share" means the ratio of the total amount of corresponding Participating Financial Institution Fees made to the Loss Reserve Account, to the total amount of corresponding Authority Contributions and Borrower and Participating Financial Institution Fees made to such Loss Reserve Account; and "Authority Share" means 100 minus the Participating Financial Institution Share.

(e) The Executive Director shall be authorized to terminate participation of a Participating Financial Institution in the Program, by notice in writing, upon the occurrence of any of the following:

- (1) entry of a cease and desist order, regulatory sanction, or any other action against the Participating Financial Institution by a regulatory agency that may impair its ability to participate in the Program;
- (2) failure of the Participating Financial Institution to abide by the Law or this Article; or
- (3) failure of the Participating Financial Institution to enroll any Qualified Loans under the Program for a period of one year.
- (4) Provision of false or misleading information regarding the Participating Financial Institution to the authority, or failure to provide the authority with notice of material changes in submitted information regarding the Participating Financial Institution.

In the event of such termination, the Participating Financial Institution shall not be authorized to enroll any further Qualified Loans, but all previously enrolled Qualified Loans shall continue to be covered by the Loss Reserve Account until they are paid, claims are filed, or the Participating Financial Institution withdraws from the Program pursuant to Section 8076(a)(1).

(f) If for a consecutive 12-month period the amount in the Loss Reserve Account continuously exceeds the Outstanding Principal Balance of all the Participating Financial Institution's Qualified Loans made since the beginning of the Program, the Executive Director shall be authorized to withdraw any such excess to bring the Loss Reserve Account down to an amount equal to 100 percent of the Outstanding Principal Balance. Distributions shall be made to the Authority and to the Participating Financial Institution based on the Authority Share and the Participating Financial Institution Share, respectively.
