Title 4. Business Regulations Division 11. California Pollution Control Financing Authority Article 7. Capital Access Program for Small Businesses

Text of Modified Regulations

Changes are illustrated with an underline for proposed additions,
and a strikethrough for proposed deletions.

§ 8078.1. Federal Capital Access Program and Funding.

(a) Where the Contribution comes from funds provided under the State Small Business Credit Initiative enacted pursuant to the American Rescue Plan Act (H.R. 1319, Public Law No. 117-2) the following shall apply, notwithstanding any other provision of this article, to the extent allowed by the American Rescue Plan Act (H.R. 1319, Public Law No. 117-2) (American Rescue Plan Act):

(b) "Participating Financial Institution" also includes all those listed in Health and Safety Code Section 44559.1(d) and all certified community development financial institutions whether or not organized for profit.

(c) The Participating Financial Institution must obtain written assurance from the Borrower that:

(1) the loan will be used solely for a business purpose;

(2) the loan will not be used to repay delinquent federal or jurisdiction income taxes unless the borrower has a payment plan in place with the relevant taxing authority;

(3) the loan will not be used to repay taxes held in trust or escrow (e.g. payroll or sales tax);

(4) the loan will not be used to reimburse funds owed to any owner, including any equity investment or investment of capital for the business' continuance;

(5) the loan will not be used to purchase any portion of the ownership interest of any owner of the business;

(6) the loan will not be used for business purposes prohibited by the U.S. Treasury;

(7) the loan will not be used to finance ineligible businesses;

(8) no principal of the borrowing entity has been convicted of a sex offense against a minor (as such terms are defined in section 111 of the Sex Offender Registration and Notification Act 42 U.S.C. §16911);

(C) a related interest or immediate family member of such executive officer, director, principal shareholder, or member of the immediate family of the Participating Financial Institution.

(d) Ineligible businesses include, but are not limited to, the following business types:

(1) a business engaged in speculative activities that develop profits from fluctuations in price, such as wildcatting for oil and dealing in commodities futures, unless those activities are incidental to the regular activities of the business and part of legitimate risk management strategy to guard against price fluctuations related to the regular activities of the business through the normal course of trade;

(2) a business that earns more than half of its annual net revenue from lending activities, unless the business is a Community Development Financial Institution that is not a depository institution or a bank holding company;

(3) a business engaged in pyramid sales plans, where a participant's primary incentive is based on the sales made by an ever-increasing number of participants;

(4) a business engaged in activities that are prohibited by federal law or, if permitted by federal law, applicable law in the jurisdiction where the business is located or conducted (this includes businesses that make, sell, service, or distribute products or services used in connection with illegal activity, unless such use can be shown to be completely outside of the business's intended market); this category of businesses includes direct and indirect marijuana businesses or

(5) a business deriving more than one-third of gross annual revenue from legal gambling activities.

(6) other businesses that may be restricted by federal fund law or the Department of Treasury.

(e) The Participating Financial Institution must provide written assurance affirming the following:

(5) the Participating Financial Institution is in compliance with the requirements of 31 C.F.R. §103.121.

(f) Federal capital access funds shall not be used for the following:

(1) activities that relate to acquiring or holding passive investments in real estate, the purchase of securities; and lobbying activities as defined in Section 3(7) of the Lobbying Disclosure Act of 1995. P.L. 104-65, as amended (2 U.S.C. 1602(7));
