RESOLUTION NO. 08-0034-01

**A RESOLUTION TRANSFERRING A PORTION OF THE 2008 STATE CEILING
ON QUALIFIED PRIVATE ACTIVITY BONDS FOR AN
EXEMPT FACILITY PROJECT**

WHEREAS, the California Pollution Control Financing Authority (“CPCFA”) has received an application (“Application”) from **Upper Valley Disposal Services, Inc.** (“Applicant”) for the transfer to the Applicant of a portion of the 2008 State Ceiling on Qualified Private Activity Bonds under Section 146 of the Internal Revenue Code of 1986, as amended, for use by CPCFA to issue bonds or other obligations (“Bonds”) for a Project as specifically described in Exhibit A (“Project”) (capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Procedures of the California Debt Limit Allocation Committee (“CDLAC”) Implementing the Allocation of the State Ceiling on Qualified Private Activity Bonds); and

WHEREAS, the Applicant has represented in the Application certain facts and information concerning the Project; and

WHEREAS, in evaluating the Project and allocating a portion of the State Ceiling on Qualified Private Activity Bonds to the Applicant for the benefit of the Project, the CPCFA has relied upon the written facts and information represented in the Application by the Project Sponsor and the Applicant; and

WHEREAS, it is appropriate for the CPCFA to make a transfer of a portion of the 2008 State Ceiling on Qualified Private Activity Bonds (“Allocation”) in order to benefit such Project described in the Application;

NOW, THEREFORE, the California Pollution Control Financing Authority resolves as follows:

Section 1. There is hereby transferred to the Applicant an amount of the 2008 State Ceiling on Qualified Private Activity Bonds equal to **\$4,235,000**. Such Allocation may be used only by the Applicant and only for the issuance of Bonds for the Project, as specifically described in Exhibit A. All of the terms and conditions of Exhibit A are incorporated herein as though set forth in full (this resolution, together with Exhibit A, hereinafter referred to collectively as this “Resolution”).

Section 2. The terms and conditions of this Resolution shall be incorporated in appropriate documents relating to the Bonds, and the Project Sponsor and the Applicant, and all their respective successors and assignees, will be bound by such terms and conditions.

Section 3. Any modification to the Project made prior to the issuance of the Bonds must be reported to the Executive Director and, if the Executive Director determines such modification to be material in light of the CPCFA’s and CDLAC’s Procedures, shall require reconsideration by the CPCFA before the Allocation may be used for the Project. Once the Bonds are issued, the terms and conditions set forth in this Resolution shall be enforceable by the CPCFA through an action for specific performance or any other available remedy. The CPCFA may consent to changes in the terms and conditions set forth in this Resolution as changed circumstances may dictate.

Section 4. Any material changes in the structure of the credit enhancement prior to the issuance of the Bonds and not previously approved by the CPCFA shall require approval of the CPCFA Chair or the Executive Director.

Section 5. The transfer of proceeds from the sale of bonds to a project other than the Project subject to this Resolution is allowable only with the prior approval of the Executive Director in consultation with the Chair, except when the Project is unable to utilize any of its allocation and the Applicant is requesting the transfer of the entire Allocation to different project(s). In such case, prior approval of the CPCFA must be obtained. Any transfer made pursuant to this section may only be made to another project of the same Applicant that has been previously approved by the CPCFA.

Section 6. The CPCFA is not authorized to use the Allocation transferred hereby to make a carryforward election with respect to the Project. The CPCFA is not authorized to transfer the Allocation to any governmental unit in the State other than CDLAC.

Section 7. The Allocation transferred herein shall automatically revert to CPCFA unless the Applicant has issued Bonds for the Project by the close of business on **August 26, 2008**. In a case of extreme hardship, the Executive Director may extend this date by up to five (5) business days.

Section 8. Within twenty-four (24) hours of using the Allocation to issue Qualified Private Activity Bonds, the CPCFA shall notify CDLAC by facsimile communication to the fax number listed in Section 24 of the CDLAC Procedures that the Allocation has been used. This facsimile notice shall identify the CPCFA, the Applicant, the project or program, the date the Allocation was used, and the amount of Allocation used.

Section 10. Any differences between the amount of Bonds issued and the amount of the Allocation granted in Section 1 of this Resolution shall automatically revert to the CPCFA. If at any time prior to the expiration date set forth in Section 7 hereof the Applicant determines that part or all of the Allocation will not be used to issue Bonds by that date, the Applicant shall take prompt action by resolution of its governing Board.

Section 11. The staff of the CPCFA is authorized and directed to transmit a copy of this Resolution to the Applicant together with a request that the Applicant retain a copy of this Resolution in the Applicant's official records for the term of the Bonds under this Allocation. The CPCFA staff is further directed to retain a copy of this Resolution in the files of the CPCFA (or any successor thereto) for the same period of time.

Section 12. In consideration of the Allocation transferred to the Applicant and the Project Sponsor, the Applicant and the Project Sponsor shall comply with all of the terms and conditions contained in this Resolution and ensure that these terms and conditions are included in the documents related to the Bonds. Further, the Applicant and the Project Sponsor expressly agree that the terms and conditions of this Resolution may be enforced by the CPCFA and CDLAC through an action for specific performance or any other available remedy, provided however, that the CPCFA and CDLAC agree not to take such action or enforce any such remedy that would be materially adverse to the interests of Bondholders. In addition, the CPCFA, the Applicant and the Project Sponsor shall ensure that the Bond documents, as appropriate, expressly provide that the CDLAC is a third party beneficiary of the terms and conditions set forth in this Resolution.

Section 13. The Project Sponsor or its successor-in-interest shall provide certifications of compliance with the terms and conditions set forth in this Resolution when reasonably requested by CPCFA or CDLAC.

Section 14. This Resolution shall take effect immediately upon its adoption.
