Prepared by: *Samantha Russell*

Applicant:	Republic Services, Inc.	Amount Requested:	\$164,860,000
Project	Alameda, Contra Costa, Los Angeles,	Application Nos.:	541, 542, 728, 776
Locations:	Orange, San Bernardino, San Jose, Solano, & Ventura Counties	Resolution No.:	504
		Prior Actions:	See Bond Listing Below

Summary. Republic Services, Inc. (the “Company”) requests approval of a Resolution to issue refunding revenue bonds for an amount not to exceed \$164,860,000. The Company proposes the refunding of some or all of the \$164,860,000 in previously issued bonds \$20,655,000 to non-Alternative Minimum Tax (non-AMT) status and the remaining \$144,205,000 will be AMT status.

The Company is refunding the bonds to realize overall savings on current cost of the transactions and will achieve administrative convenience by reducing six separate transactions to one with an investment grade borrower as opposed to a parent company guarantee.

Certain of the provisions in the form Indenture relating to transfer restrictions were negotiated and revised by the parties and counsel after the initial request for Board approval. The Indenture places restrictions on transfer of bonds during an initial period. It permits the Authority to determine when those restrictions will be eliminated. Prompted by those revised provisions Section 9 of the resolution draft was modified to provide by whom those restrictions may be removed. The Resolution delegates to the Executive Director the power to determine when those restrictions will be eliminated in accordance with the Indenture.

Borrower. The Company is a provider of environmental services including solid waste collection, transfer, disposal and recycling services. The Company’s various operating units provide solid waste services for commercial, industrial, municipal and residential customers. Republic Services is a large business with 34,000 employees currently serving 40 states and Puerto Rico. The Company was organized in Delaware on December 20, 1996.

WHEREAS, the California Pollution Control Financing Authority (the “Authority”) has received the application of Republic Services, Inc. (the “Borrower”), for financial assistance to refund some or all of the outstanding solid waste revenue bonds of the Authority listed on Exhibit B, attached hereto and incorporated herein (the “Refunded Bonds”), which Refunded Bonds were issued to finance or refinance the facilities described in Exhibit B (collectively, the “Project”), all as more particularly described in the Term Sheet attached hereto as Exhibit A and incorporated herein (the “Term Sheet”); and

WHEREAS, the Borrower has requested the Authority to issue its revenue bonds from time to time in an amount not to exceed \$164,860,000 to assist in the refunding of some or all of the Refunded Bonds; and

WHEREAS, the proceeds of such revenue bonds will be loaned to the Borrower under a loan agreement with the Authority and applied to cause the refunding of some or all of the Refunded Bonds; and

WHEREAS, final approval of the terms of such revenue bonds and certain documents relating to such revenue bonds is now sought; and

WHEREAS, to the extent required, the Borrower has provided documentation to the Authority demonstrating that the Project has complied with Division 13 (commencing with Section 21000) of the Public Resources Code, or is not a project under that division;

NOW, THEREFORE, BE IT RESOLVED by the California Pollution Control Financing Authority, as follows:

Section 1. The Project constitutes a “project” and the Borrower is a “participating party” within the meaning of the California Pollution Control Financing Authority Act (the “Act”).

Section 2. Pursuant to the Act, revenue obligations of the Authority, designated as the “California Pollution Control Financing Authority Solid Waste Refunding Revenue Bonds (Republic Services, Inc. Section 3. The Treasurer of the State of California (the “Treasurer”) is hereby authorized to sell the Bonds, at one time or from time to time on or before December 31, 2010, by negotiated sale, at such price or prices and at such interest rate or rates as he may determine, such determination to be as set forth in the hereinafter referred to Purchase Contract.

Section 5. The dates, maturity dates, interest rate or rates, interest payment dates, denominations, forms, registration privileges, place or places of payment, terms of redemption and other terms of the Bonds shall be as provided in the Indenture, as finally executed.

Section 6. The Underwriters are hereby authorized to distribute the Official Statement as finally executed to persons who may be interested in the purchase of the Bonds. The Underwriters are hereby directed to deliver (in a manner that complies with Securities and Exchange Commission rule 15c2-12(b)(3)) a copy of said Official Statement to all actual purchasers of the Bonds.

Section 7. The Bonds, when executed, shall be delivered to the Trustee under the Indenture for authentication by the Trustee. The Trustee is hereby requested and directed to authenticate the Bonds by executing the Trustee’s certificates of authentication appearing thereon. The Trustee is hereby requested and directed to deliver the Bonds, when duly executed and authenticated, to The Depository Trust Company, New York, New York, on behalf of the Underwriter in accordance with written instructions executed on behalf of the Authority, which

instructions are hereby approved. Such instructions shall provide for the delivery of the Bonds to The Depository Trust Company, on behalf of the Underwriter thereof, upon payment of the purchase price thereof.

Section 8. Each officer of the Authority, acting alone, is hereby authorized and directed, acting alone, to do any and all ministerial acts that they may deem necessary or advisable in order to consummate the issuance, sale or delivery of the Bonds, and otherwise to effectuate the purposes of this Resolution and the Indenture, the Loan Agreement, the Bond Purchase Contract and the Official Statement. The Authority hereby approves any and all documents to be delivered in furtherance of the foregoing purposes, including without limitation, any certifications, including, without limitation, a tax certificate or tax agreement in the form required by bond counsel and special tax counsel to the Authority.

Without limiting the foregoing, the Executive Director is delegated the power to deliver on behalf of the Authority such instrument(s) as may be contemplated or permitted by the Indenture to eliminate any restrictions on transfer of the Bonds the elimination of which is contemplated or permitted by the Indenture.

Section 10. The Authority hereby approves and ratifies each and every action taken by its officers, agents, members and employees prior to the date hereof in furtherance of the purposes of this Resolution.

Section 11. This Resolution shall take effect immediately upon its passage. The adoption by the Authority of this Resolution for the Borrower shall not be referred to in any application before any government agency as evidence of the feasibility, practicality or suitability of any Project or in any application for any required permission or authority to construct or operate any Project.
