Prepared by: Solomita Malko

<b>Applicant:</b>	Tri-City Economic Development Corporation d/b/a Tri-CED Community Recycling, and/or its affiliates
<b>Project Locations:</b>	Cities of Union City and Hayward (Alameda County)
<b>New Money Amount Requested:</b>	\$11,016,000
<b>Application No.:</b>	956 (SB)
<b>Initial Resolution No.:</b>	23-01

**Summary.** Tri-City Economic Development Corporation d/b/a Tri-CED Community Recycling, and/or its affiliates (the “Company”) requests approval of an Initial Resolution for an amount not to exceed \$11,016,000 in tax-exempt bonds or notes. The Company will use the bond or note proceeds for the acquisition of equipment and construction of facilities for the collection, processing, recycling, transportation, and disposal of solid waste (the “Project”).

**Borrower.** Tri-CED Community Recycling is a 501(c)3 non-profit organization, which was organized on January 3, 1980, in California. The Company provides community recycling, composting, consumer buy-back, education, job training, and economic development services. The Company, a small business, employs approximately 66 employees.

The Company’s key officials are:

Frank Roesch	Board Chair
Julie Zhu	Vice Chair
Obray Van Buren	Secretary/Treasurer

**Legal Questionnaire.** CPCFA staff reviewed the Company’s responses to the questions contained in the Legal Status Questionnaire portion of the Application. The Company stated that it had nothing to disclose regarding any legal, regulatory, or investigative action that would materially impact the financial viability of the project or applicant or that involved fraud, corruption, or health and safety issues.

**Project Description.** The bond or note proceeds will be used to make improvements to the Company's facility and purchase new equipment and vehicles, including energy efficient compressed natural gas (CNG) collection vehicles, fleet management software, SB1383 compliant recycling carts, SB1383 contamination monitoring software, a truck scale and upgrades for office workstations. The acquisition and upgrades will improve customer and collection services, bulk processing, and shipping of recycled materials, and will allow the organization to continue educational programming designed to reduce waste and raise environmental awareness.

**Volume Cap Allocation.** The Company anticipates applying to CPCFA for final resolution approval at a future CPCFA Board Meeting. Since the Company is a non-profit organization, it may be able to issue the bonds or notes without the need for volume cap allocation, but if after consultation with bond counsel it is determined to issue the bonds or notes as "solid waste disposal" private activity bonds or notes, the Company will apply to the California Debt Limit Allocation Committee (CDLAC) for a volume cap allocation in 2023.

**Financing Details.** The Company anticipates the issuance of negotiated tax-exempt bonds or notes in the second quarter of 2023.

**Financing Team.**
