State Charter School Facilities Incentive Grants Program: Ms. Johantgen told the Board that the Authority is anticipating the release of funding round 12 in the next few weeks after approval of the updated program regulations and application. Due to an internal audit conducted on the program, the Authority anticipates a higher amount of funding will be available for this round.

Charter School Facilities Credit Enhancement Grant Program: Ms. Johantgen told the Board that the Authority is monitoring compliance with the program, and looking for additional funding opportunities for a similar program to enhance the credit of charter school financings.

Administrative and Legislative Update: Ms. Johantgen told the Board that Authority members are attending the CCSA Conference next week, and are speaking on a panel regarding Qualified Public Education Facility Bonds, a public benefit for private developers to develop public schools.

Item 4: Consideration of Appeal on Behalf of New West Charter located in Los Angeles County Related to Ineligibility for the Charter School Facility Grant Program

Item 6: Resolution No. 16-06 – Consideration of Policy for Twelve-Month Certification for Financial Soundness under the Charter School Facilities Program

Ms. Johantgen explained that given the number and frequency of abbreviated reviews being conducted by the Authority and submitted to the Board that have had little or no change, the Authority recommends extending the financial soundness certification period from six month to twelve months. Borrowers / schools in the Program still have an obligation to notify the Authority regarding any material changes, as outlined in Program regulations and agreements.

Ms. Ortega made a motion to approve and Treasurer Chiang seconded; after asking for and receiving no public comment, the resolution passed unanimously by rollcall.

Item 7: Resolution No. 16-07 – Approval of Financial Soundness Determination for Aspire ERES Academy located in Alameda County for an Advance/Final Apportionment through the Charter School Facilities Program

Ms. Johantgen highlighted the financial soundness analysis for Aspire Public Schools to the Board. Aspire ERES' financial soundness finding will be in place for twelve months, and will likely submit its application for a Final Apportionment to OPSC before the 12-month period ends.

Ms. Ortega made a motion to approve and Treasurer Chiang seconded; asking for and receiving no public comment, the resolution passed unanimously by rollcall.

There being no additional public comments or other business to conduct, the meeting was adjourned.

Respectfully submitted,
