WHEREAS, modeled after the State's School Facilities Program, the Program funds 50 percent of facilities project costs as a grant from the State, and 50 percent as a lease, which the charter school is responsible for repaying to the State; and

WHEREAS, the California School Finance Authority (Authority) and the State Allocation Board (Board), staffed by the Office of Public School Construction, are jointly designated to administer this per-pupil facilities aid Program, and the Authority is authorized by Education Code section 17078.57 to determine whether applicants to the Program are financially sound for purposes of the Program at the time of Preliminary, Advance, and Final Apportionment; and

WHEREAS, the Authority has reviewed, through the methodology established pursuant to Education Code 17078.57, the eligible applications and made the determinations concerning each application, as listed on Exhibit A of this resolution indicating whether each charter school was found financially sound for purposes of Preliminary and/or Advance Apportionment as indicated in Exhibit A, but not for purposes of Final Apportionment under the Program; and

WHEREAS, these determinations of financial soundness will be provided to the Office of Public School Construction as it makes recommendations of Preliminary Apportionments to the State Allocation Board under the Proposition 51 funding round; and

WHEREAS, these determinations as they relate to those applications determined to be financially sound for purposes of an Apportionment, are in place for twelve months and assumes no financial, operational, or legal material findings within this time period.

NOW, THEREFORE, BE IT RESOLVED by the California School Finance Authority as follows:

Section 1. The Authority approves the determinations of financial soundness for the applicant charter schools as individually listed on Exhibit A of Resolution No. 18-02, for the purposes of the Charter School Facilities Program Preliminary and/or Advance Apportionments as indicated in Exhibit A, but not for purposes of Final Apportionment. This determination as it relates to the Advance Apportionments is in place for twelve months; assumes no financial, operational, or legal material findings within this time period; and is contingent on the applicant providing evidence of the restricting of funds for the lump sum matching share payment for their respective project, if applicable.

Section 2. The Executive Director of the Authority is hereby authorized, for and on behalf of the Authority, to notify the State Allocation Board and the Office of Public School Construction and provide documentation regarding its determinations of financial soundness for the referenced charter schools in Exhibit A.
