Date: July 18, 2019

To: Members of the California School Finance Authority

From: Katrina M. Johantgen, Executive Director

Re: Resolution 19-22 Approving Amendments to Regulations for the Charter School Facility Grant Program and Authorizing the Permanent Rulemaking Process

Background: In 2013-14, the administration of the Charter School Facility Grant Program (Program) was transferred from the California Department of Education (CDE) to the California School Finance Authority (Authority). Since 2013-14, the Authority has submitted four permanent regulation packets, the last packet was approved by the Office of Administrative Law (OAL) on October 18, 2018. The Board approved the fifth regulation packet on April 10, 2019. The proposed regulations are in response to Public Comment received during the 45 Day Comment period and stakeholder feedback.

Authority staff will file a Notice of Addition of Documents and Information to Rulemaking File and Notice of Modification to Text of Proposed Regulations as required under the Regular Rulemaking Action to adopt the proposed changes into amended permanent regulations. The Authority intends to proceed with the Regular Rulemaking Action and Certificate of Compliance upon the Authority Board's approval of the following proposed amended permanent regulations.

Section 10170.2. Definitions

In section (q) – the addition of a Good Standing definition was added to the regulations. “Good Standing” shall mean the Applicant meets all three of the following conditions: 1) is in compliance with the terms of the charter, 2) does not have any pending or outstanding corrective actions as described in Education Code 47607(d), and 3) does not have a pending or outstanding Notice of Intent to Revoke as described in Education Code 47607(e). The Authority will rely on information prepared by the chartering authority and the submission of a Good Standing Confirmation Form (GSCF) (CSFA Form 0719) herein incorporated by reference.”

In sections (q) to (t) – the amendment repositioned text (q) to (t) into the new positions of (r) to (u) due to the addition of the Good Standing definition. The Authority is requesting non-substantial correction to the repositioning of existing text.

Since 2016, the Authority has requested a good standing confirmation from the Authorizers for the SB740 Program and these other Programs: the Charter School Facilities Program, State Charter School Facilities Incentive Grants Program, Charter School Revolving Loan Fund Program, and Project Acceleration Notes and Credit Enhancement Alternatives, administered by the Authority. Many Authorizers and other stakeholders have expressed concerns regarding the need and the meaning of a good standing confirmation.

The Good Standing definition is based on language in Education Code 47607 (d) and (e). The additional text also introduces the Good Standing Confirmation Form (CSFA Form 0719). This form allows the Authority to determine eligibility for all Authority Programs including the SB740 Program, which is currently oversubscribed. Applicants not in good standing will be ineligible for grant funds. The Authority is requesting this substantive addition to existing text.

In section (s) - the amendments to the definition of Independent Appraisal included additional language “in the fiscal year”, “The Appraiser must be”, “and shall”, stakeholder input revealed the additional language was unnecessary and requested the Independent Appraisal definition be revised to the original content. The Authority removed the strikeouts “who” and “s” “that” The Authority is requesting non-substantial language to clarify the existing text.

In section (t) – the amendment to the definition of New Facility Agreement include “Exception: options to renew contained in existing rent or lease agreements on file with the Authority, executed by the charter school and the lessor, will not be considered a New Facility Agreement.” This language was moved from section 10170.4(a)(1)(B)(iii) into the definition of New Facility Agreement to provide a comprehensive and clearer definition for a New Facility Agreement. The Authority is requesting this substantive addition to existing text.

10170.3. Eligible Applicant

In section (f) – the language “The charter school is in good standing with its chartering authority and is in compliance with the terms of its charter at the time of application submission, and without interruption throughout the term of the grant. The Authority will rely on information from the chartering authority regarding the school's good standing and compliance with the terms of its charter. Charter schools may appeal any response by the chartering authority's staff directly to the chartering authority's governing board. It shall be the charter school's responsibility, and not the Authority's, to ensure that the good standing and compliance response letter is received by the stated deadline.” was stricken and repositioned into sections 10170.2(q) and 10170.3(f).

The amendment replaces the good standing requirement to require the eligible Applicants to be in Good Standing as defined in section 10170.2(q). The amendment also discusses how the applicant may become eligible if they are found not in Good Standing.

“The Applicant is in Good Standing as described in section 10170.2 (q) during the Fiscal Year. An Applicant found not to be in Good Standing, as determined by their Chartering Authority, shall be ineligible for grant Funds. The Applicant may cure ineligibility for grant funds by meeting one of the following criteria:

- (1) The Applicant receives confirmation of Good Standing within the Fiscal Year shall be eligible for grant funds; or
- (2) Applicants found not to be in Good Standing solely due to the Applicants failing to meet generally accepted accounting principles, or engaged in fiscal mismanagement must provide evidence demonstrating fiscal solvency, to the satisfaction of the Authority. Such evidence may include the Applicant's organizational budgets, and audited financials.”

In subsection 1 - an ineligible Applicant will be able to receive Program funds if the good standing is restored by the end of the fiscal year. In subsection 2 - an Applicant found ineligible due to fiscal concerns must provide evidence to the Authority. The new text provides clarity

to the Authorizer when determining the Applicant's Good Standing status this replaces the current Good Standing language found in Section (f). In subsections (1) and (2) the language was repositioned to Section 10170.6 (i) as noted by the double strikeouts. The Authority is requesting this substantive addition to existing text.

Section 10170.4 Eligible Cost

Section 10170.4 (a)(1)(B)

In subdivision (i) and (iii) – the amended text was removed and restored to the original text. The amendment to (i)(a) repositioned the text to Section 10170.6 (d), the amendment to (i)(b) was stricken from the proposed text, because the COLA Cap was duplicative of section (a)(1)(A)(i). The amendment to (iii) repositioned the New Facility Agreement exception to the definition of New Facility Agreement in Section 10170.2 (t). By moving these two subdivisions the proposed text returned to the original text found in Section 10170.4 (a)(1)(B)(i).

In division (C) – the amended text “Rent or lease costs are reimbursable from time of occupancy. The Authority reserves the right to request a Certificate of Occupancy or other such evidence needed to establish the date the applicant began to occupy the site.” was stricken and replaced with text in subsection (b)(9).

In subsection (b)(9) - the amendment was revised to “Facility rent and lease costs associated with a facility that is inaccessible to the applicant. The Authority reserves the right to request evidence to the satisfaction of the Authority, such as certificate of occupancy or letter from the lessor, that establishes the date the applicant began to occupy the leased site” The amendment clarifies eligible costs for school reimbursement. Charter schools with lease agreements for facilities not being occupied by school staff or pupils are considered ineligible. If the applicant has access or occupies the site during the Fiscal Year then the site's costs will be evaluated for reimbursement. The Authority reserves the right to request evidence needed to establish the date the Applicant began to occupy the site. The Authority is requesting this substantive addition to existing text.

In subsection (b)(10) – the amendment was added “Costs incurred during the period the Applicant is found not to be in Good Standing.” As stated in section 10170.3(f) an eligible applicant must be in good standing, therefore the Program will not reimburse costs incurred while the Applicant is not in good standing. The Authority is requesting this substantive addition to existing text.

10170.5. Application Submission

In division (2) the addition of the word “each” placed in front of September and October clarifies the Second Application as an annual Application period. The Second Application is only available for a select pool of Applicants. The Authority is requesting this non substantive addition to existing text.

10170.6. Content of Application

In section (d) - the amendment “will use an Independent Appraisal, completed within the last three Fiscal Years, that was previously filed with the Authority during a prior application round. Otherwise, the Authority will”, “completed within the fiscal year” was repositioned from Section 10170.4 (a)(1)(B)(i)(a). The additional text will allow applicants to minimize appraisal costs. As a result of Assembly Bill (AB) 1808 Chapter 32, Statutes of 2018, the Authority began requiring appraisals for all New Facility Agreements in July 2018, specifically beginning with

the 2017-18 funding round. In 2017-18, 159 sites required appraisals; in 2018-19, this increased to 241 sites that required appraisals - of which, 50 percent (50%) were annual renewals. Annually renewing leases generally do not have any substantial changes that would warrant a revised appraisal. The Authority is requesting this substantive addition to existing text.

In section (i) the amendment “The Authority will request completion of the GSCF directly from the Chartering Authorizer. This form shall be completed and returned only if the Chartering Authority is aware of any outstanding compliance or revocation issues otherwise no action is necessary. An Applicant may appeal any response by the Chartering Authorizer’s staff directly to the Chartering Authorizer’s governing board.” was added to provide guidance to Authorizers when completing the GSCF. The Authorizer will only need to return the form if the Applicant has a compliance or revocation issue as described in the Good Standing definition. The Applicant will not be penalized if an Authorizer does not return the GSCF.

In subsection (1) – the amendment repositioned text from the original text in 10170.3(f)(1)(A)(B).

- (1) “Requests for good standing will be sent out to the chartering authority as follows:
(A) Upon receipt of the Application;
(B) The Authority reserves the right to request an additional good standing confirmation anytime during the fiscal year.”

The text was repositioned to Section 10170.6 Content of the Application to identify the documentation needed to establish eligibility. In subsection (1) there was no change to the original language proposed in the 45 day Notice of Proposed Rulemaking.

Recommendation: Authority staff recommends the Board adopt Resolution 19-22 approving the amended permanent regulations for the administration of the Charter School Facility Grant Program. If approved, the Staff Services Manager II will include the Resolution demonstrating the Board approval with the permanent rulemaking file.

Section 10170.7. Estimated Annual Entitlement Calculation.

- (a) Authority staff will make an initial determination regarding each Charter School's eligibility pursuant to section 10170.3.
- (b) For each eligible Charter School, the Authority will determine the Estimated Annual Entitlement, pursuant to section 10170.4(d).
- (c) The Estimated Annual Entitlement Calculation shall not include reimbursement of invoices as defined by 10170.4(a)(2).

- (d) If an Applicant is unable to provide an executed rental or lease agreement for the Charter School for either the Fiscal Year or for the Prior Year, the Authority may base the Estimated Annual Entitlement on information provided by the Applicant that constitutes an estimate of the Charter School's expected facilities rent or lease costs for the Fiscal Year.
- (e) For Charter Schools that submit an Application pursuant to section 10170.5(e)(a)(2), or Charter Schools that do not have Prior Year enrollment data, the Authority will make the Estimated Annual Entitlement calculation within 30 days of receipt of a complete Application and enrollment data from the Department.

Section 10170.9. Apportionment of Grant Funds.

- (a) The first apportionment of 50% of the Estimated Annual Entitlement shall be disbursed to each Grantee by October 31 of the Fiscal Year for which the grant is requested, or 30 days after enactment of the annual Budget Act, whichever is later.
- (b) For a Grantee that submitted an Application pursuant to section 10170.5(e)(a)(2), the first apportionment of 50% of the Estimated Annual Entitlement shall be made within 30 days after the Authority determines eligibility and the Estimated Annual Entitlement.
- (c) No later than March 1 of each Fiscal Year, the Authority shall provide to each Grantee a second disbursement of 75% of the Estimated Annual Entitlement less the initial disbursement and less any adjustments due to receipt of the executed rental or lease agreement for the designated Fiscal Year.
- (d) No later than 30 days after the end of each Fiscal Year or 30 days after receiving the data and documentation needed to compute the Charter School's total annual entitlement, whichever is later, the Authority shall provide to each Grantee a third disbursement of 100 percent of the Final Fiscal Year Entitlement less the first two disbursements and adjusted for any changes to the FRPM Eligibility data, ADA, and executed rental or leases agreements for the designated Fiscal Year. If reimbursement of invoices considered eligible pursuant to section 10170.4(a)(2) is requested and Program funds remain, these costs will be incorporated into this final disbursement.
- (e) If there are insufficient funds to cover all eligible costs, the following conditions shall be in effect:
 - (1) Facility rent and lease costs as described in to section 10170.4(a)(1), (a)(3), and (a)(4) shall be awarded first. If funds remain, the Authority shall determine the pro rata share for each Grantees' invoice costs as described in section 10170.4(a)(2) by calculating the percentage of the remaining funds available as compared to the funds needed to award all Grantees eligible invoice costs. This percentage shall be applied to the Grantee's eligible invoice costs, as described in subsection (A) below.
 - (A) Eligible invoice costs = If 75% of (invoice costs + lease costs) > ADA Cap, then ADA Cap - (75% x lease costs), otherwise invoice costs.
 - (2) If insufficient funds remain available from the Fiscal Year's appropriation to reimburse grantee's facility rent and lease costs, the award shall be based solely on rent and lease costs as described in section 10170.4(a)(1), (a)(3) and (a)(4). The Authority shall determine the pro rata share to which each Grantee is entitled by

calculating the percentage of the Fiscal Year's appropriation as compared to the funds needed to fully award all Grantees' rent and lease costs. This percentage shall be applied to the Grantee's annual award and shall serve as the Grantee's pro rata share.

- (3) The Authority shall disburse funds in three apportionments pursuant to subsections (b) - (e).
 - (A) The first apportionment shall be 50% of the pro rata share of the Estimated Annual Entitlement as determined by calculating the percentage of the Fiscal Year's appropriation as compared to the funds needed to fully award all Grantee's Maximum ADA Cap.
 - (B) The second apportionment shall be 25% of the pro rata share of the Estimated Annual Entitlement as determined by calculating the percentage of the Fiscal Year's appropriation as compared to the funds needed to fully award all Grantee's Maximum ADA Cap.
 - (C) The third apportionment shall be the pro rata share of the Grantee's remaining balance of the Final Fiscal Year Entitlement.
- (4) Until the current year FRPM data is made available, Charter Schools with no Prior Year enrollment data shall have their FRPM based solely on the charter school sites' Period 1 FRPM submission to the Department.
- (5) During the Final Fiscal Year Entitlement Calculation, each eligible Applicant shall receive a Notice of Eligible Facility Costs (CSFA Form 740-03; October 2017), incorporated herein by reference. This notice shall serve as the section 10170.10 Notification of Grantee and upon receipt, the Applicant shall have 30 days to review and execute the notice.
- (6) The Applicant shall have the opportunity to appeal the Notice of Eligible Facility Costs and the Appeal Process under section 10170.10 (b)-(g) shall be implemented.
- (7) The Authority shall not disburse the third apportionment under subsection (e) until each eligible Applicant's executed Notice of Eligible Facility Costs has been received or October 30, whichever is earliest.
- (f) If a Grantee's Final Fiscal Year Entitlement is less than the amount disbursed to the Grantee through the first two apportionments, the Authority shall provide the Grantee with notice and require that the Grantee reimburse the Authority for the excess within 60 days of the Grantee's receipt of such notice.
- (g) Prior to disbursement of funds for costs associated with remodeling buildings, deferred maintenance, initially installing or extending service systems and other built-in equipment, improving sites, and common area maintenance, the Grantee shall complete the annual Facility Invoice Expenditure Report, provided by the Authority. Grantee shall also submit supporting invoices, work orders, or other evidence of completed work to the Authority. Upon presentation of such evidence of actual costs incurred, such costs shall be reimbursed as a portion of the final apportionment. Such evidence shall be provided to the Authority no later than July 15 of the applicable Fiscal Year.
- (h) At any time during each Fiscal Year the Authority reserves the right to:
 - (1) Adjust each Grantee's Estimated Annual Entitlement on a pro rata basis based on the number of approved Grantees, the total amount of Estimated Annual Entitlements, and the amount of funds available;
 - (2) Adjust Estimated Annual Entitlements for individual Grantees based on the Authority's receipt of updated data from the Grantee or the Department; and
 - (3) If final data for FRPM Eligibility provided by the Department establishes that the Grantee is not eligible for the program pursuant to section 10170.3(d), request

reimbursement of grant funds already disbursed to the Grantee consistent with subdivision (d).
