

RESOLUTION NO. 25-23

APPROVAL OF THE CHARTER SCHOOL FACILITIES CREDIT ENHANCEMENT GRANT PROGRAM (ALN #84.354A) AWARD IN AN AMOUNT NOT-TO-EXCEED \$1,000,000 TO PMC SUPPORT CORPORATION.

WHEREAS, the California School Finance Authority (the "Authority") was established and is existing pursuant to the California School Finance Authority Act (constituting Chapter 18 (commencing with Section 17170) of Part 10 of Division 1 of Title 1 of the Education Code of the State of California, as amended); and

WHEREAS, pursuant to Title 4 of Division 15 of the California Code of Regulations sections 10192 through 10199, the Authority administers the Charter School Facilities Credit Enhancement Grant Program (the "CE Program") pursuant to which it manages and awards grant funds for the benefit of California charter schools, and educational management organizations on behalf of California charter schools, to fund the primary debt service reserve requirement for debt issued by or through the Authority to finance or refinance the acquisition, construction, and/or renovation or charter schools facilities; and

WHEREAS, on behalf of the State of California, the Authority applied for and was awarded a \$20,000,000 grant through the United States Department of Education (the "Department") program entitled the "Credit Enhancement Grant Program" (the "Federal Program") (ALN # 84.354A) for purposes of funding CE Program awards; and

WHEREAS, this is the Authority's fifth such grant award under the Federal Program (this and each previous grant under the Federal Program, collectively, the "Federal Grant Awards"); and

WHEREAS, PMC Support Corporation has submitted an application for an award of not-to-exceed \$1,000,000 under the CE Program for purposes of funding a primary debt service reserve account in connection with debt issued by the Authority, the proceeds of which would be loaned to PMC Support Corporation for the benefit of its charter school Ednovate East College Prep, and will be used to finance and/or refinance the cost of acquisition, construction, expansion, remodeling, renovation, improvement, furnishing, and/or equipping of educational facilities; and

WHEREAS, PMC Support Corporation, in connection with its Ednovate East College Prep charter school, is eligible to apply for, and if approved by the Authority, receive, an award of funds under the CE Program; and

NOW, THEREFORE, BE IT RESOLVED by the California School Finance Authority as follows.

Section 1. The above recitals are true and correct.

Section 2. Pursuant to this Resolution, the Authority authorizes and approves providing to PMC Support Corporation (the "Awardee") an award under the CE Program in an amount not-to-exceed \$1,000,000 (the "Award") on the conditions set forth herein for purposes of funding a primary debt service reserve in connection with debt issued by the Authority for financing and/or refinancing the acquisition, renovation, and/or construction of its Ednovate East College Prep charter school (the "Project"). Among other things set forth in this Resolution, the Award shall be effective only to the extent the Executive Director of the Authority determines monies are available in the Authority's funds and accounts holding Federal Grant Awards.

Section 3. All actions heretofore taken by the officers and employees of the Authority in connection with the consideration and approval of the Awardee's application under the CE Program are hereby approved, confirmed, and ratified. The Executive Director of the Authority or her or his designees (collectively, the "Executive Director of the Authority") are hereby authorized and directed to do all things that they may deem necessary or advisable to assist the Awardee with the completion of a transaction, including providing technical assistance and cooperation in the credit rating process and making a request to the Authority for the issuance, sale, and delivery of bonds as may be needed to implement this Resolution.

Section 4. The Executive Director of the Authority is further authorized to take the following actions: 1) take all steps necessary with respect to the Awardee including notifying the Awardee whether its Application has been approved for funding, preparing and executing the final form of agreement governing the Award (the "Program Agreement"), and disbursing funds pursuant to the Program Agreement and the Authority's regulations; 2) approve changes to the Program Agreement when necessary and authorized under the Authority's regulations (provided that the amount of the Award may not be increased above the amount approved by the Authority); 3) draw money from the funds and accounts holding the Federal Grant Awards in an amount, not to exceed the amount approved herein; 4) execute and deliver to the Awardee any and all documents necessary to complete the transfer of funds; and 5) undertake any and all actions and to execute and deliver any and all documents that the Executive Director deems necessary or advisable to effectuate the purposes of this Resolution.

Section 5. This Resolution shall not be construed as an unconditional commitment to issue the Award. The Authority's approval pursuant to this Resolution is conditioned on the Authority and Awardee entering into a Program Agreement in form and substance satisfactory to the Authority on or before March 25, 2026. Such satisfaction is conclusively evidenced by the Authority's execution and delivery of a Program Agreement.

Section 6. Entry into a Program Agreement and disbursement of funds pursuant to a Program Agreement is conditioned upon the Authority issuing debt for the Project. However, this Resolution does not constitute an agreement or commitment on the part of the Authority to issue debt for the Project. Any Authority authorization and approval to issue debt for the Project will be by separate resolution of the Authority.

Section 7. This Resolution shall take effect immediately upon its adoption.
