

CALIFORNIA TAX CREDIT ALLOCATION COMMITTEE

2019 COMPETITIVE 9% APPLICATION FOR LOW-INCOME HOUSING TAX CREDITS

January 18, 2019 Version

II. APPLICATION - SECTION 1: APPLICANT STATEMENT, CERTIFICATION AND NOTARY

 APPLICANT:
 Downtown Truckee Investors, LP

 PROJECT NAME:
 Truckee Artist Lofts

 PLEASE INCLUDE APPLICATION FEE WITH APPLICATION SUBMISSION (CHECK ONLY)

The undersigned applicant hereby makes application to the California Tax Credit Allocation Committee ("TCAC") for a reservation of Federal, or Federal and State Low-Income Housing Tax Credits ("Credits") in the amount(s) of:

\$2,398,376 annual Federal Credits, and

total State Credits

for the purpose of providing low-income rental housing as herein described. I understand that Credit amount(s) preliminarily reserved for this project, if any, may be adjusted over time based upon changing project costs and financial feasibility analyses which TCAC is required to perform on at least three occasions.

Election to sell ("certificate') state credits: <u>N/A</u> By selecting "Yes" or "No" in the box immediately before, I hereby make an irrevocable election to sell ("certificate") or not sell all or any portion of the state credit, as allowed pursuant to Revenue and Taxation Code Sections 12206(o), 17058(q), and 23610.5(r). I further certify that the applicant is a non-profit entity, and that the state credit pricing will be at least 80 cents per dollar.

I agree it is my responsibility to provide TCAC with the original complete application and the Local Reviewing Agency an exact copy of the application. I agree that I have included a letter from the local government and the appropriate Local Reviewing Agency of the jurisdiction in which the project is located identifying the agency designated as the Local Reviewing Agency for the Tax Credit Allocation Committee. I agree that it is also my responsibility to provide such other information as TCAC requests as necessary to evaluate my application. I represent that if a reservation or allocation of Credit is made as a result of this application, I will also furnish promptly such other supporting information and documents as may be requested. I understand that TCAC may verify information provided and analyze materials submitted as well as conduct its own investigation to evaluate the application. I recognize that I have an affirmative duty to inform TCAC when any information in the application or supplemental materials is no longer true and to supply TCAC with the latest and accurate information.

I acknowledge that if I receive a reservation of Tax Credits, I will be required to submit requisite documentation at each of the following stages: for a carryover allocation; for readiness to proceed requirements if applicable; and after the project is placed-in-service.

I represent I have read Section 42 of the Internal Revenue Code (IRC) pertaining to Federal Tax Credits, and if applying for State Tax Credits, I represent I have also read California Health and Safety Code Sections 50199.4 et seq. and California Revenue and Taxation Code Sections 12206, 17058, and 23610.5 pertaining to the State Tax Credit program. I understand that the Federal and State Tax Credit programs are complex and involve long-term maintenance of housing for qualified low-income households. I acknowledge that TCAC has recommended that I seek advice from my own tax attorney or tax advisor.

I represent that I have read and understand the requirements set forth in Regulation Section 10322(j) pertaining to re-applications for Credit.

I certify that I have read and understand the provisions of Sections 10322(a) through (h). No additional documents in support of the basic thresholds or point selection categories shall be accepted from the applicant beyond the application filing deadline, unless the Executive Director, at his or her sole discretion, determines that the deficiency is a clear reproduction or application assembly error, or an obviously transposed number. In such cases, applicants shall be given up to five (5) business days from the date of receipt of staff notification, to submit said documents to complete the application. For threshold omissions other than reproduction or assembly errors, the Executive Director may request additional clarifying information from other government entities.

I agree to hold TCAC, its members, officers, agents, and employees harmless from any matters arising out of or related to the Credit programs.

I agree that TCAC will determine the Credit amount to comply with requirements of IRC Section 42 but that TCAC in no way warrants the feasibility or viability of the project to anyone for any purpose. I acknowledge that TCAC makes no representation regarding the effect of any tax Credit which may be allocated and makes no representation regarding the ability to claim any Credit which may be allocated.

I acknowledge that all materials and requirements are subject to change by enactment of federal or state legislation or promulgation of regulations.

In carrying out the development and operation of the project, I agree to comply with all applicable federal and state laws regarding unlawful discrimination and will abide by all Credit program requirements, rules, and regulations.

I acknowledge that neither the Federal nor the State Tax Credit programs are entitlement programs and that my application will be evaluated based on the Credit statutes, regulations, and the Qualified Allocation Plan adopted by TCAC which identify the priorities and other standards which will be employed to evaluate applications.

I acknowledge that a reservation of Federal or State Tax Credits does not guarantee that the project will qualify for Tax Credits. Both Federal law and the state law require that various requirements be met on an ongoing basis. I agree that compliance with these requirements is the responsibility of the applicant.

I acknowledge that the information submitted to TCAC in this application or supplemental thereto may be subject to the Public Records Act or other disclosure. I understand that TCAC may make such information public.

I acknowledge that if I obtain an allocation of Federal and/or State Tax Credits, I will be required to enter into a regulatory agreement which will contain, among other things, all the conditions under which the Credits were provided including the selection criteria delineated in this application.

I declare under penalty of perjury that the information contained in the application, exhibits, attachments, and any further or supplemental documentation is true and correct to the best of my knowledge and belief. I certify and guarantee that each item identified in TCAC's minimum construction standards will be incorporated into the design of the project, unless a waiver has been approved by TCAC. I certify that, when requesting a threshold basis increase for development impact fees, the impact fee amounts are accurate as of the application date. In an application proposing rehabilitation work, I certify that all necessary work identified in the Capital Needs Assessment, including the immediate needs listed in the report, will be performed (unless a waiver is granted) prior to the project's rehabilitation completion. I certify and guarantee that the application meets each item of the applicable housing type requirement, as identified by TCAC regulation. I certify and guarantee that any tenant services proposed under TCAC Regulation Section 10325(c)(5)(B) will be available within 6 months of the project's placed in service date, will be of a regular and ongoing nature and provided to tenants for a period of at least 15 years, free of charge (except child care). I understand that any misrepresentation may result in cancellation of Tax Credit reservation, notification of the Internal Revenue Service and the Franchise Tax Board, and any other actions which TCAC is authorized to take pursuant to California Health and Safety Code Section 50199.22, issuance of fines pursuant to California Health and Safety Code

I certify that I believe that the project can be completed within the development budget and the development timetable set forth (which timetable is in conformance with TCAC rules and regulations) and can be operated in the manner proposed within the operating budget set forth.

I further certify that more than 10% of the project's total reasonably expected basis cost will be incurred and the land acquired by the date specified in the reservation preliminary or final letter.

H. Tenant Population Data

Completion of this section is required. The information requested in this section is for national data collection purposes, and is not intended for threshold and competitive scoring use; however, the completed table should be consistent with information provided in the application and attachments.

Indicate the number of units anticipated for the following populations:

Homeles	s/formerly homeless	N/A		
Transition	nal housing	N/A		
Persons	with physical, mental, development disabilities	N/A		
Persons	with HIV/AIDS	N/A		
Transition	n age youth	N/A		
Farmworker		N/A		
Family Reunification		N/A		
Other:		N/A		
Units w/ t	Units w/ tenants of multiple disability type or subsidy layers (explain)			
For 4% federal applications only:				
Rural are	Rural area consistent with TCAC methodology N/A			

II. APPLICATION - SECTION 6: REQUIRED APPROVALS & DEVELOPMENT TIMETABLE

A. Required Approvals Necessary to Begin Construction

	Approval Dates			
	Application	Estimated	Actual

Is this a resyndication project using hold harmless rent limits in the above table? Hold harmless rents cannot exceed the federal set-aside current tax credit rent limits. Must use current rent limits for units included in the lowest income point category.

N/A

B. Manager Units

Projects with 16 or more Low-Income and Market-Rate Units must have one on-site manager's unit. Projects with at least 161 Low-Income and Market-Rate Units must provide a second on-site manager's unit, and one additional on-site manager's unit for each 80 Low-Income and Market-Rate Units beyond 161 units, up to a maximum of four on-site manager's units. Scattered site projects of 16 or more Low-Income and Market-Rate Units must have at least one manager's unit for the entire project, and at one manager's unit at each site consisting of 16 or more Low-Income and Market-Rate Units. Projects may employ fulltime property management staff and provide an equivalent number of desk or security staff for the hours when the property management staff are not working.

Based on information presented in this application, this project is not held to TCAC regulation requirements for high cost projects.

ITEM (e) Features

REVIEW REGULATION SECTION 10327(c)(5)(B) PRIOR TO COMPLETING THIS SECTION. THE OPTIONS BELOW ARE PRESENTED WITH ABRIDGED LANGUAGE.

- N/A 1 Project shall have onsite renewable generation estimated to produce 50% or more of annual tenant electricity use. If combined available roof area is insufficient, project shall have onsite renewable generation based on at least 90% of the available solar accessible roof area. A project not availing itself of the 90% roof area exception may also receive an increase under paragraph (2) only if the renewable generation used to calculate each basis increase does not overlap. Threshold Basis Limit increase of 5%.
- N/A 2 Project shall have onsite renewable generation estimated to produce 75% or more of annual common area electricity use. If combined available roof area is insufficient, project shall have onsite renewable generation based on at least 90% of the available solar accessible roof area. A project not availing itself of the 90% roof area exception may also receive an increase under paragraph (1) only if the renewable generation used to calculate each basis increase does not overlap. Threshold Basis Limit increase of 2%.
- N/A 3 Newly constructed project buildings shall be 15% or more energy efficient than 2016 Energy Efficiency Standards (CA Code of Regulations, Title 24, Part 6), except that if the local department has determined that building permit applications submitted on or before December 31, 2016 are complete, then newly constructed project buildings shall be 15% or more energy efficiency than the 2013 Energy Efficiency Standards (CA Code of Regulations, Title 24, Part 6). Threshold Basis Limit increase of 4%.
- N/A 4 Rehabilitated project buildings shall have an 80% decrease in estimated annual energy use (or improvement in energy efficiency) in the HERS II post rehabilitation. Threshold Basis Limit increase 4%.
- N/A 5 Irrigate only with reclaimed water, greywater, or rainwater (excepting water used for Community Gardens) or irrigate with reclaimed water, grey water, or rainwater in an amount that annually equals or exceeds 20,000 gallons or 300 gallons per unit, whichever is less. Threshold Basis Limit increase 1%.
- N/A 6 Community gardens of at least 60 square feet per unit. Permanent site improvements that provide a viable growing space within the project. Threshold Basis Limit increase 1%.
- N/A 7 Install bamboo, stained concrete, cork, salvaged or FSC-Certified wood, natural linoleum, natural rubber, or ceramic tile in all kitchens, living rooms, and bathrooms (where no VOC adhesives or backing is also used). Threshold Basis Limit increase 1%.
- N/A 8 Install bamboo, stained concrete, cork, salvaged or FSC-Certified wood, natural linoleum, natural rubber, or ceramic tile in all interior floor space other than units (where no VOC adhesives or backing is also used). Threshold Basis Limit increase 2%.
- N/A 9 For new construction projects only, meet all requirements of the U.S. Environmental Protection Agency Indoor Air Plus Program. Threshold Basis Limit increase 2%.

Funding sources and costs should be aligned appropriately. For example, public funding sources for land purchase or construction costs should be shown as paying for these costs. Do not randomly select funding sources for line item costs if they have a dedicated source of payment.

¹ Required: evidence of land value (see Tab 1). Land value must be included in Total Project Cost and Sources and Uses Budget (includes donated or leased land). Except for non-competitive projects with donated land, TCAC will not accept a budget with a nominal land value. Please refer to the TCAC website for additional information and guidance.
² Required: include a detailed explanation of *Demolition* and *Offsite Improvements* requirements as well as a cost breakdown in Attachment 12, Construction and Design Description.

Note: The conditional formatting embedded in this Sources and Uses Budget workbook tests only for mathematical errors, i.e. whether sum total of Sources (Column R) matches Total Project Cost (Column B) and whether each source listed in the Sources and Uses Budget workbook (Row 104) matches that of Permanent Financing in the Application workbook (Row 107). The conditional formatting does NOT test for any regulatory threshold or feasibility requirements. Applicants are advised to conduct their own due diligence and not rely upon the conditional formatting in this workbook.

9

Points in subsections (A) and (B) above will be awarded in the highest applicable category and are not cumulative. For maximum points in either subsection (A) or (B) above, a completed application attachment for the general partner or for the management agent, respectively, must be provided. For points to be awarded in subsection (B), an enforceable management agreement executed by both parties for the subject application must be submitted at the time of application. "Projects" as used in this subsections (A) and (B) means multifamily, rental, affordable developments of over 10 affordable units that are subject to a recorded regulatory agreement or, in the case of housing on tribal lands, where federal HUD funds have been utilized in affordable rental developments. General Partner and Management Company experience points may be given based on the experience of the principals involved, or on the experience of municipalities or other nonprofit entities that have experience but have formed single-asset entities for each project in which they have participated, notwithstanding that the entity itself would not otherwise be eligible for such points.

Alternatively, a management company may receive 2 points if it provides evidence that the management agent assigned to the project, either onsite or with management responsibilities for the site, has been certified, prior to application deadline, by a housing tax credit certification examination by a nationally recognized housing tax credit compliance entity and be on a list maintained by the Committee. These points may substitute for other management company experience but will not be awarded in addition to such points.

General partners and management companies with fewer than 2 active California LIHTC projects for more than 3 years, and general partners and management companies for projects requesting points under the special needs categories with no active California LIHTC projects for more than 3 years, should refer to Regulation Section 10325(c)(1) and Checklist Items Tabs 21 and 22 for additional requirements.

Total Points for General Partner & Management Company Experience:

B. Housing Needs Maximum 10 Points Large Family 10 Points Select one if project is a scattered site acquisition and/or rehabilitation : N/A Total Points for Housing Needs: 10

C. Site & Service Amenities

C(1) Site Amenities

Maximum 15 Points

Amenities must be appropriate to the tenant population served. The amenity must be in place at the time of application (refer to TCAC regulations and the Checklist for limited exceptions). The application must include a map scaled for distance using a standardized radius from the development site as determined by the Committee. Measurement from the project to a site must not cross significant physical barriers. The map must show the distance of the site amenities from the development site. An application proposing a project located on multiple scattered sites shall be scored proportionately in the site amenities based upon (i) each site's score, and (ii) the percentage of units represented by each site. Proportional scoring means, for a project to score the maximum 15 points, each site must independently score 15 points for site amenities. Include a table in Tab 23 identifying each site's point categories and site amenity location. Applicants must provide color photographs, a contact person and a contact telephone number for each requested site amenity. Any inaccurate information will be subject to negative points. No more than 15 points will be awarded in this category. Only one point award will be available in each of the subcategories (a-h) listed below. Site amenity points are not applicable to projects that apply and are awarded under the Native American apportionment. However, for those applicants unsuccessful in the apportionment and considered under the Rural set-aside, site amenity scoring will be applicable.

Amenities may include:

a) Transit

	(i)	Located where there is a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop within 1/3 mile of the project site with service at least every 30 minutes during the hours of 7-9 a.m. and 4-6 p.m. Monday through Friday (or at least two departures during each peak period for the commuter rail station or ferry terminal), and the project's density exceeds 25 units per acre.	7 Points
	(ii)	The project site is within 1/3 mile of a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop with service at least every 30 minutes during the hours of 7-9 a.m. and 4-6 p.m. Monday through Friday (or at least two departures during each peak period for the commuter rail station or ferry terminal).	6 Points
	(iii)	The project site is within 1/2 mile of a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop with service at least every 30 minutes during the hours of 7-9 a.m. and 4-6 p.m. Monday through Friday (or at least two departures during each peak period for the commuter rail station or ferry terminal).	5 Points
	(iv)	The project site is within 1/3 mile of a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop. (For rural set-aside projects, these points may be awarded where van or dial-a-ride service is provided to tenants.)	4 Points
	(v)	The project site is within 1/2 mile of a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop.	3 Points
	Sele	ect one: (iv)	
	resi Rur	ddition to meeting one of the categories above (i through v), points are available to applicants committing to provide dents free transit passes or discounted passes to each rent restricted unit for at least 15 years. (For item (iv) al set-aside projects, points not available for projects with van services. Only available to projects with dial-a-ride vice for free or discounted dial-a-ride passes): Select one: N/A	
N/A		A private bus or transit system providing free service may be substituted with prior approval from the CTCAC Executive Director. This prior approval must be received before the application deadline and the bus or transit system must meet the relevant headway and distance criteria stated above. If pre-approved, select applicable point category above.

C(2) Service Amenities

Maximum 10 Points

Projects that provide high-quality services designed to improve the quality of life for tenants are eligible to receive points for service amenities. Services must be appropriate to meet the needs of the tenant population served and designed to generate positive changes in the lives of tenants. Except as provided below and in Reg. Section 10325(c)(4)(B), in order to receive points in this category, physical space for service amenities must be available when the development is placed-in-service. Services space must be located inside the project and provide sufficient square footage, accessibility and privacy to accommodate the proposed services. **Evidence that adequate physical space for services will be provided must be documented within the application.** The amenities must be available within 6 months of the project's placed-in-service date. Applicants must commit that services will be provided for a period of 15 years.

All services must be of a regular and ongoing nature and provided to tenants free of charge (except for day care services or any charges required by law). Services must be provided on-site except that projects may use off-site services within 1/2 mile of the development (1 1/2 miles for Rural set-aside projects) provided that they have a written agreement with the service provider enabling the development's tenants to use the services free of charge (except for day care and any charges required by law) and that demonstrate that provision of on-site services would be duplicative.

Items 1 through 6 are applicable to Large Family, Senior, and At-Risk projects. **Items 7 through 12** are applicable to Special Needs projects. Items 1 through 12 are mutually exclusive. One proposed service may not receive points under two different categories, except in the case of proportionately-scored services for special needs projects.

Proportional Scoring for Services - Projects with less than 75% Special Needs Units: Special needs projects with less than 75% special needs units will be scored proportionately in the service amenity category based upon (i) the services provided to special needs and non-special needs units, respectively; and (ii) the percentage of units represented by special needs and non-special needs units, respectively; and (ii) the percentage of units represented by special needs and non-special needs units, respectively; and (ii) the percentage of units represented by special needs and non-special needs units, respectively; and (ii) the percentage of units represented by special needs and non-special needs units and special needs units must independently score 10 points for service amenities. Items 1 through 6 are applicable to Large Family, Senior, and At-Risk projects or for the non-Special Needs units in a Special Needs Project with less than 75% Special Needs units. Items 7 through 12 are applicable to Special Needs projects with 75% or more Special Needs units or for the Special Needs units. Project must demonstrate that all tenants will receive appropriate type and level of services.

Proportional Scoring for Services - Scattered Site Projects: An application proposing a project located on multiple scattered sites shall be scored proportionately in the service amenities based upon (i) each site's score, and (ii) the percentage of units represented by each site, except that for scattered site projects of less than 20 units, service amenities shall be scored in the aggregate across all sites. In addition, scattered site more than 1 mile (1.5 miles for Rural set-aside) from the nearest other site with services must provide services independently. Proportional scoring for this paragraph means, for a project to score the maximum 10 points, each site must independently score 10 points for service amenities.

The application's Service Amenity Sources and Uses Budget page must clearly describe all anticipated income and expenses associated with the services program(s) and must align with the services commitments provided (i.e. contracts, MOUs, letters, etc.) Applications shall receive points for services only if the proposed services budget adequately accounts for the level of service. The budgeted amount must reasonably be expected to cover the costs of the proposed level of service. All organizations providing services for which the project is claiming points must document that they have at least 24 months of experience providing services to the project's target population. PLEASE REFER TO REGULATION SECTION 10325(c)(5)(B) FOR COMPLETE SERVICE AMENITY POINTS REQUIREMENTS.

No more than 10 points will be awarded in this category. The service budget spreadsheet must be completed.

Large Family, Senior, At-Risk projects, Number of Bedrooms =	133	
Special Needs, Number of Bedrooms =	0	

Amenities may include, but are not limited to:

(1)	Service Coordinator. Responsibilities must include, but are not limited to: (a) providing tenants with	
()	information about available services in the community, (b) assisting tenants to access services through	
	referral and advocacy, and (c) organizing community-building and/or other enrichment activities for	
	tenants (such as holiday events, tenant council, etc.):	
A	Minimum ratio of 1 Full Time Equivalent (FTE) Service Coordinator to 600 bedrooms.	5 points
		• • •
A	Minimum ratio of 1 FTE Service Coordinator to 1,000 bedrooms.	3 points
(2)	Other Services Specialist. Must provide individualized assistance, counseling and/or advocacy to	
.,	tenants, such as to assist them to access education, secure employment, secure benefits, gain skills or improve health and wellness. Includes, but is not limited to: Vocational/Employment Counselor, ADL or Supported Living Specialist, Substance Abuse or Mental Health Counselor, Peer Counselor, Domestic Violence Counselor:	
Ą	Minimum ratio of 1 FTE Services Specialist to 600 bedrooms.	5 points
A	Minimum ratio of 1 FTE Services Specialist to 1,000 bedrooms.	3 points
(3)	Adult educational, health and wellness, or skill building classes. Includes but is not limited to:	
. /	financial literacy, computer training, home-buyer education, GED, resume building, ESL, nutrition,	
	exercise, health information/awareness, art, parenting, on-site food cultivation and preparation, and smoking cessation classes:	
S	Minimum of 84 hours instruction each year (42 hours for small developments*).	7 points
Ą	Minimum of 60 hours instruction each year (30 hours for small developments*).	5 points
Ą	Minimum of 36 hours instruction each year (18 hours for small developments*).	3 points
	*small developments = 20 units or less	
(4)	Health and wellness services and programs. Such services and programs shall provide	
()	individualized support to tenants (not group classes) and need not be provided by licensed individuals or organizations. Includes, but is not limited to visiting nurses programs, intergenerational visiting programs, or senior companion programs:	
A	Minimum of 100 hours of services per year for each 100 bedrooms.	5 points
_		-
S	Minimum of 60 hours of services per year for each 100 bedrooms.	3 points

REVIEW REG. SECTION 10325(c)(5) BEFORE PROCEEDING

APPLICANTS WILL BE HELD TO REGULATORY REQUIREMENTS. THE APPLICATION MAY

CONTAIN ABBREVIATED DESCRIPTIONS OF THE REQUIREMENTS FOR THIS SECTION.

D(1) New Construction and Adaptive Reuse projects select from the following features:

<mark>Yes</mark> a	 Develop the project in accordance with the min following programs: 	imum requirements with any one of th	ie			
	GreenPoint Rated Program		5 Points			
N/A b	ENERGY EFFICIENCY					
EITHER:	Energy efficiency as indicated in Reg. Section	10325(c)(5)(B) beyond the requirement	nts in			
	the 2016 Title 24, Part 6 of the California Buildi	ng Code (2016 Standards):				
	Better than the 2016 Standards	N/A	0 Points			
	If the local building department has determined	that building permit applications subr	nitted			
	on or before December 31, 2016 are complete, then energy efficiency beyond the					
	requirements in the 2013 Title 24, Part 6 of the California Building Code (2013 Standards)					
	Better than the 2013 Standards	N/A	0 Points			
OR:	Energy efficiency with renewable energy that p	ovides the following percentages of				
	project tenants' energy loads:					
	Low Rise (1-3 habitable stories)	N/A	0 Points			
	Multifamily of 4+ habitable stories	N/A	0 Points			
<u>D(2) Re</u>	nabilitation projects select from the follow	ving features:				
N/A a	. Develop the project in accordance with the min	imum requirements with any one of th	ie			

N/A b. Rehabilitate to improve energy efficiency; points awarded based on percentage decrease in estimated Time Dependent Valuation energy use post-rehabilitation: Improvement over current: 0 Points N/A

N/A	c.	Additional rehabilitation project measures (chose one or more of the following three categories):
		1. PHOTOVOLTAIC / SOLAR 0 Points
		N/A
N/A		2. SUSTAINABLE BUILDING MANAGEMENT PRACTICES, INCLUDING BOTH OF THE FOLLOWING: 0 Points Develop project-specific maintenance manual, including information on all energy and green building features
		Undertake formal building systems commissioning, retro-commissioning, or re-commissioning
N/A		3. INDIVIDUALLY METER (OR SUB-METER CURRENT MASTER-METERED) GAS, ELECTRICITY, 0 Points OR CENTRAL HOT WATER SYSTEMS FOR ALL TENANTS

D(3) New Construction and Rehabilitation projects: 0 Points N/A d. WATER EFFICIENCY: N/A

To receive these points, the applicant and the project architect must certify in the application which of the above items will be included in the project's design and specifications, and further must certify at the project's placed-in-service date that the items were completed. In addition, certain point categories require completion of the TCAC Sustainable Building Method Workbook and accompanying documentation by a qualified energy analyst at application and placed-in-service stages. Refer to Reg. Section 10325(c)(5), Checklist Item Tab 25, and the TCAC website for requirements related to the TCAC Sustainable Building Method Workbook. Refer to Reg. Section 10325(c)(5)(G) for specific Compliance and Verification requirements. Projects receiving points under this category that fail to meet the requirements of Reg. Section 10325(c)(5) will be subject to negative points under Section 10325(c)(2).

Total Points For Sustainable Building Methods:

5

E. Lowest Income

E(1) Lowest Income Restriction for All Units

The "Percent of Area Median Income" category may be used only once. For instance, 50% of Low-Income Units at 50% of Area Median Income (AMI) cannot be used twice for 100% at 50% and receive 50 points, nor can 50% of Low-Income Units at 50% of Area Median Income for 25 points and 40% of Low-Income Units at 50% of Area Median Income be used for an additional 20 points. However, the "Percent of Low-Income Units" may be used multiple times. For example, 50% of Low-Income Units at 50% of Area Median Income to achieve the maximum points. All projects must score at least 45 points in this category to be eligible for 9% Tax Credit.

RESYNDICATION PROJECTS CHOOSING HOLD HARMLESS RENTS CANNOT RECEIVE LOWEST INCOME POINTS FOR HOLD HARMLESS RENTS. CURRENT RENT LIMITS MUST BE USED FOR LOWEST INCOME POINT SCORING.

Projects electing the "40%/60% Average Income" federal set-aside must choose targeting in 10% increments of Area Median Income (i.e. 20% AMI, 30% AMI, 40% AMI, etc.).

*Available to Rural set-aside projects only.

E(2) Lowest Income for 10% of Total Low-Income Units at no greater than 30% AMI

2 Points

A project that agrees to have at least 10% of its Low-Income Units available for tenants with incomes no greater than thirty percent (30%) AMI and agrees to restrict the rents on those units accordingly can receive two additional points. The 30% or less AMI units must be spread across the various bedroom sizes, starting with the largest bedroom count units (e.g. four bedroom units) and working down to the smaller bedroom count units, assuring that at least 10% of the larger units are proposed at no greater than 30% AMI. So long as the project meets the 10% standard as a whole, the 10% standard need not be met among all of the smaller units. TCAC may correct applicant errors in carrying out this largest-to-smallest unit protocol.

Bedroom Selection	Total Number of Low-Income Units per Bedroom Size	Number of Low- Income Units @ no greater than 30% AMI	Percentage of Low-Income Units (by bedroom size)
5 BR	0	0	0.00%

Total:	76	13	-

Lowest Income for 10% of Total Low-Income Units at 30% AMI Points: 2

Total Points for Lowest Income: 59.5

F. Readiness to Proceed

Points are available to applications documenting each of the categories below, up to a maximum of 10 points. Within the application the following must be delivered (see Regulation Section 10325(c)(7) and the Checklist Items for additional information):

Readines	Maximum 10 Points	
Yes (i)	Enforceable financing commitment, as defined in Section 10325(f)(3), for all construction financing	5 Points
<mark>Yes</mark> (ii)	Evidence, as verified by the appropriate officials, that all environmental review clearances (CEQA, NEPA, applicable tribal land environmental reviews) necessary to begin construction, except for clearances related to loans with must pay debt service for which the applicant is not seeking tiebreaker benefit, are either finally approved or unnecessary	5 Points

10 points will be available to projects that document all of the above and are able to begin construction within 180 days* of the Credit Reservation, as evidenced by submission of the requirements stated in TCAC Regulation Section 10325(c)(7) within 180 days of the Credit Reservation.

*After preliminary reservation CTCAC will randomly assign a 180 day deadline for half of the projects receiving a Credit Reservation within each round and a 194 day deadline for remaining projects.

If no construction lender is involved, evidence must be submitted by the assigned deadline (180 days or 194 days) after the Credit Reservation is made that the equity partner has been admitted to the ownership entity and that an initial disbursement of funds has occurred. Failure to meet this timeline will result in rescission of the Tax Credit Reservation or negative points.

In the event that one of the above criteria have NOT been met, 5 points may be awarded for the one that has been met. In such cases, the 180-day requirements will not apply to projects that do not obtain the maximum points in this category.

Total Points for Readiness to Proceed: 10

6. Miscellaneous Federal and State Policies Maximum 2 Po					
Yes (i)	For applicants who agree that the Committee may exchange 1) Federal Tax Credits for State Tax Credits and 2) Exchange State Tax Credits for Federal Tax Credits. Applicants receiving these points agree to make the exchange in a manner that yields equal equity based solely on the tax credit factors stated in the application.	2 Points			
<mark>N/A</mark> (ii)	Enhanced Accessibility and Visitability. Project design incorporates California Building Code Chapter 11(B) and the principles of Universal Designed listed in Reg. Section 10325(c)(9)(B) in at least half of the project's units.	2 Points			
<mark>N/A</mark> (iii)	Smoke Free Residence. The proposed project will have at least 1 nonsmoking building and incorporate prohibition of smoking into the lease agreements for the affected units. If a single building project, the project will designate contiguous units as nonsmoking.	2 Points			
N/A (iv)	Historic Preservation. The project proposes to incorporate historic tax credits.	1 Point			
<mark>N/A</mark> (v)	Revitalization Area Project. The project is located within a QCT, a census tract in which at least 50% of the households have an income of less than 60% AMI, or a federal Promise Zone. The development will contribute to a concerted community revitalization plan as demonstrated by a letter from a local government official.	2 Points			
N/A (vi)	Eventual Tenant Ownership. The project proposes to make tax credit units available for eventual tenant ownership.	1 Point			
	Total Points for Miscellaneous Federal ar	d State Policies: 2

*Negative points given to general partners, co-developers, management agents, consultants, or any member or agent of the Development Team may remain in effect for up to two calendar years, but in no event shall be in effect for less than one funding round. Furthermore, negative points may be assigned to one or more Development Team members, but do not necessarily apply to the entire Team. Negative points assigned by the Executive Director may be appealed to the Committee under appeal procedures enumerated in the regulations.

VII. TIE BREAKER SYSTEM - HYBRID PROJECT FINAL TIE BREAKER SELF-SCORE

This section is included in the application for self-scoring. Note that TCAC will use the tie-breaker self-scores to determine which projects will undergo further review in the competition, including verifying the self-scores for possible reservation of tax credits. TCAC will not evaluate or verify every project's self-scoring. Projects with too low of a self-score to successfully compete for a reservation of tax credits will not undergo any further review by TCAC.

Provide evidence of committed permanent leveraged soft financing in Tab 20 and evidence of public rent or public operating subsidies in Tab 17.

Evidence of land value is required (see Tab 1). The value of the land must be included in "Total Residential Project Development Costs" below as evidenced in Tab 1. Donated land value must be included in Total Project Cost and the Sources and Uses Budget.

Seller carryback financing and any portion of a loan from a public seller or related party that is less than or equal to sale proceeds due the seller must be excluded from Leveraged Soft Financing. (Exception: If seller carryback financing is a public land loan to a new construction project that is not replacing affordable housing within the footprint of the original development, financing (or portion of financing) may be included in Leveraged Soft Financing. For projects that include both new construction and rehabilitation/affordable housing replacement, the land loan value must be prorated based on eligible units.)

For projects with purchase price in excess of the appraised value, unless a waiver is granted, the purchase price in excess of the appraised value must be excluded from the Leveraged Soft Financing. Enter the amount for the "Purchase Price Over Appraised Value" under the list of Leveraged Soft Financing below. Purchase Price Over Appraised Value will be automatically excluded from the Total Leveraged Soft Financing.

Ineligible off-site costs must be excluded from both numerators and denominators. Enter the amount for the "Ineligible Offsites" under the list of Leveraged Soft Financing below. Ineligible Off-site costs will be automatically excluded from both the numerators and the denominators.

For projects with commercial/non-residential costs, the committed public funds will be discounted by the percentage of the commercial/non-residential portion.

Final Tie Breaker Formula:

Committed Permanent Leveraged Soft Financing defraying Residential Costs X Size Factor

Total Residential Project Development Costs

+ ((1 — Requested Unadjusted Eligible Basis Total Residential Project Development Costs) /3)

LEVERAGED SOFT FINANCING

Capitalized Value of Rent Differentials of Public Rent/opera	ating Subsidies	\$1,639,826
Total donated land value		\$1,649,000
Total fee waivers		
List Leveraged Soft Financing excluding donated land and	d fee waivers:

	\$500,000	
Less: Excess Purchase Price Over Appraised Value	\$0	
Less: Ineligible Offsites	\$600,000	
Total Leveraged Soft Financing excluding donated land an	d fee waivers	\$4,481,600
ΤΟΤΑΙ		\$7,770,426

HYBRID PROJECT (NEW CONSTRUCTION)

4% Development Project Costs:

0.031209074

Residential Project Development Cost
Commercial Project Development Cost
Total 4% Project Cost

MIXED USE PROJECTS

For mixed-use projects, the permanent Leveraged Soft Financing numerator must be discounted/reduced by the Mixed-Use Ratio below.

Mixed-Use Ratio = Total Commercial Cost / Total Project Cost:

The Prorated Commercial Cost Deduction To Leveraged Soft Financing Must Be Calculated First Before Applying Any Subsidy Adjustment/Increase To The Numerator. TCAC staff may adjust this ratio as deemed appropriate.

Sample formula (commercial costs) for numerator Committed Permanent Leveraged Soft Financing defraying residential costs = G44*(1-J49)

*9% and 4% + state credit applications shall include the cost of transit passes and tenant internet service if requested in the Points System site amenity section.

**Other Fees and all payments made from cash flow after must pay debt should be completed according to the terms of the partnership agreement (or equivalent ownership entity terms). Please re-order line items consistent with any "order of priority" terms. These items are to be completed when submitting an <u>updated</u> application for the Carryover, Readiness, Final Reservation, and Placed-in-Service deadlines.
