\*Point and/or tie-breaker score may not have been completed and self-scores may be reflected above.

**NOTE:** The top to bottom order of geographic regions only is the order for potential reservations starting with the most undersubscribed geographic region. The list starts with the most undersubscribed geographic region at the top (Northern Region) down to the least geographic region at the bottom (Central Valley Region). Projects that are reserved credit from this waiting list will be accounted against that geographic region's beginning balance in 2023.

1. These projects have not been reviewed for completeness or threshold regulatory requirements, and may not have been reviewed for scoring.
2. Only the highest ranked project in a given region may be considered for reservation. The ranking order is subject to change as CTCAC staff completes the review process.
3. As prescribed by regulation, the list starts with the most undersubscribed geographic region.
4. Credits reserved from projects on this waiting list will be counted against that geographic region's starting balance in 2023.
