Marina Wiant

TO: Low-Income Housing Tax Credit Applicants

FROM: Carmen Doonan, Development Section Chief

RE: Methodology for Determining Rural Status of Project Site for 2026 Applications

Pursuant to California law, the California Tax Credit Allocation Committee ("CTCAC" or "Committee") shall set aside twenty percent (20%) of all annual nine percent (9%) federal credits for projects in rural areas.<sup>1</sup> With certain limited exceptions, CTCAC regulations require all projects located in rural areas to compete for credits in the rural set-aside.<sup>2</sup> Therefore, all applicants competing for nine percent (9%) tax credits must document, to the Committee's satisfaction, the rural or non-rural status of their projects.

Section 50199.21 of the Health and Safety Code defines "rural area" as an area that satisfies one of three criteria on January 1 of any calendar year. A project competing in the rural set-aside must demonstrate that the project area is rural under one of the three methodologies listed under Section 50199.21 of the Health and Safety Code and detailed in this memo:

1. Non-metropolitan Counties;
2. Rural Housing Service (RHS) Eligible Area; or
3. Small City Status.

Continue reading for complete instructions on determining rural status via the three methodologies. See also attached Exhibits:

Exhibit A: Health and Safety Code Sections 50199.20 and 50199.21

Exhibit B: Department of Finance (DOF) 2025 Population Estimates (as available May 2025)

---

<sup>1</sup> REV. & TAX. § 23610.5(j)(5); HEALTH & SAFETY § 50199.20.

<sup>2</sup> CAL. CODE. REGS. tit. 4, § 10315(c).

### **Methodology 1: Non-metropolitan Counties**

Projects in non-metropolitan areas are considered rural. Under the current definition of “metropolitan statistical area” established by the United States Office of Management and Budget (OMB) effective in 2010 and still effective as of January 1, 2026, twenty-two (22) of the fifty-eight (58) counties in California are considered non-metropolitan. In 2023 a Metropolitan county (San Benito) was added to the OMB’s list of rural counties under an exception for outlying counties that do not have any urbanized area population. Projects located in the following counties are not required to provide documentation of their rural status and will be considered as rural:

Alpine	Del Norte	Lake	Modoc	San Benito	Trinity
Amador	Glenn	Lassen	Mono	Sierra	Tuolumne
Calaveras	Humboldt	Mariposa	Nevada	Siskiyou	
Colusa	Inyo	Mendocino	Plumas	Tehama	

### **Methodology 2: Rural Housing Service (RHS) Eligible Area**

Areas eligible for the RHS Section 515 program are considered rural.

Applicants are advised to contact USDA directly to confirm Section 515 program eligibility of a project’s area.<sup>3</sup> Note also that an existing project with an existing Section 515 loan does not necessarily qualify for the Section 515 program.

To satisfy Methodology 2, the applicant shall provide to CTCAC a current letter from USDA confirming that on January 1<sup>st</sup> of the current year, the area is eligible for the Section 515 program.

USDA Contact for Section 515 Eligibility:

Email: [MFHprocessing2@usda.gov](mailto:MFHprocessing2@usda.gov)  
Website: [www.rd.usda.gov/ca](http://www.rd.usda.gov/ca)

### **Methodology 3: Small City Status**

A project area may be rural under the Small City Status methodology, provided that one of the following conditions are met:

1. An incorporated city having a population of 40,000 or fewer as identified in the project city’s latest population estimate (as of 1/1/ 2025) in DOF 2025 Population Estimates (Exhibit B)<sup>4</sup>, provided that the area is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.
2. An unincorporated area that adjoins<sup>5</sup> a city having a population of 40,000 or fewer, provided that the adjoining unincorporated area is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.

---

<sup>3</sup> *Id.* § 10322(h)(31).

<sup>4</sup> For more information: <https://dof.ca.gov/forecasting/demographics/estimates-e1/>.

<sup>5</sup> If the proposed site census tract (in an unincorporated area) touches or overlaps a city limit, it is adjoining. For guidance, please contact CTCAC’s rural region analyst.

3. An unincorporated area that does not adjoin a city and is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.

Please contact the CTCAC rural region analyst for assistance in determining Census Bureau urban area designation of a proposed project site.

**Technical Assistance:**

For assistance or information regarding CTCAC's rural status determination, contact CTCAC's rural region analysts Ruben Barcelo at 916-651-6018 or [ruben.barcelo@treasurer.ca.gov](mailto:ruben.barcelo@treasurer.ca.gov), or Sopida Steinwert at 916-651-6340 or [sopida.steinwert@treasurer.ca.gov](mailto:sopida.steinwert@treasurer.ca.gov).

**EXHIBIT A**

Health and Safety Code  
Sections 50199.20 and 50199.21

(see following page)

## California Health and Safety Code Sections 50199.20 and 50199.21

### 50199.20.

(a) Not less than 20 percent of the federal ceiling on low-income housing tax credits shall be set aside for allocation to rural areas as defined in Section 50199.21. Any amount of credit set aside for rural areas remaining after the ranking of credits in the final cycle of any calendar year shall be available for allocation to any eligible project.

(b) Up to 2 percent of the low-income housing tax credit available under this chapter and Sections 12206, 17058, and 23610.5 of the Revenue and Taxation Code may be set aside for small developments as determined by the committee. Any amount of credit set aside for small developments remaining after the ranking of projects in the final cycle of any calendar year shall be available for allocation to any eligible project.

(c) Not less than the amounts specified in clause (v) of subparagraph (B) of paragraph (1) and paragraph (4) of subdivision (g) of Sections 12206, 17058, and 23610.5 of the Revenue and Taxation Code shall be set aside to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

*(Amended by Stats. 2022, Ch. 638, Sec. 1. (AB 1654) Effective January 1, 2023. Conditionally inoperative as provided in Section 50199.18.)*

### 50199.21.

(a) "Rural area" for the purpose of this chapter and Sections 17058 and 23610.5 of the Revenue and Taxation Code, means an area that on January 1 of any calendar year satisfies any of the following criteria:

- (1) The area is eligible for financing under a multifamily housing program pursuant to Section 3560.1(a)(1) of Title 7 of the Code of Federal Regulations as it read on January 1, 2023, or successor program, of the United States Department of Agriculture Rural Development.
- (2) The area is located in a nonmetropolitan area as defined in Section 50090.
- (3) The area is any of the following:
  - (A) An incorporated city having a population of 40,000 or fewer as identified in the most recent Report E-1 published by the Demographic Research Unit of the Department of Finance, provided that the area is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.
  - (B) An unincorporated area that adjoins a city having a population of 40,000 or fewer, provided that the adjoining unincorporated area is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.
  - (C) An unincorporated area that does not adjoin a city and is not located within a census block designated as an urban area by the United States Census Bureau in the most recent decennial census.

(b) The department shall assist in determinations of eligibility pursuant to paragraph (3) of subdivision (a) upon request. With respect to areas eligible under paragraphs (2) and (3) of subdivision (a), the committee may rely upon the recommendations made by the department. Any inconsistencies between areas eligible under subdivision (a) shall be resolved in favor of

considering the area a rural area. Eligible and ineligible areas need not be established by regulation.

*(Amended by Senate Bill No. 1512 CHAPTER 493 Effective January 1, 2025. An act to amend Sections 50172 and 50199.21 of the Health and Safety Code. Approved by Governor September 22, 2024. Filed with Secretary of State September 22, 2024.)*
