## **A) Purpose and Description of Services**

### **1. Introduction**

The federal Low-Income Housing Tax Credit (LIHTC) Program was authorized by Congress in 1986 to encourage the production of affordable rental housing. The program has been, since 1987, the largest production and incentive program for the new construction and rehabilitation of affordable rental housing.

The LIHTC program is contained in the federal tax code, and is administered at the federal level by the Internal Revenue Service (IRS). Internal Revenue Code (IRC) Section 42 specifies that each state legislature designate the housing credit agency to administer the state's program. In California, the responsibility for administration of the program was assigned to the California Tax Credit Allocation Committee (CTCAC), by gubernatorial proclamation and enactment of SB 113, Chapter 658, Statutes of 1987.

In addition to the federal LIHTC program, the state legislature authorized a state low income housing tax credit program to augment the federal tax credit. Authorized by Chapter 1138, Statutes of 1987, the state credit is only available to a project which has previously received, or is concurrently receiving, an allocation of federal credits. The state program does not stand alone, but instead, supplements the federal tax credit.

The State Treasurer chairs the Tax Credit Allocation Committee. Other voting Committee members are the State Controller, the State Director of Finance, the Director of the State Housing and Community Development Department, and the Executive Director of the California Housing Finance Agency. Advisory members are a representative of cities appointed by the speaker of the Assembly and a representative of counties appointed by the Senate Rules Committee.

CTCAC is responsible for administering both the federal and state tax credit programs. Staff receives and reviews applications for tax credits according to the requirements and criteria set forth in the Qualified Action Plan and program regulations. Reviews include a detailed feasibility and development cost analysis. Based on staff recommendations, the Committee awards tax credits to eligible projects.

Projects awarded LIHTCs by the California Tax Credit Allocation Committee build affordable rental housing with sustainable building methods for energy efficiency. Project owners have the ability to use the California Utility Allowance Calculator (CUAC) when they have incorporated energy efficiency measures into their buildings to obtain the appropriate utility allowance for tenants.

### **2. Purpose**

The purpose of this RFP is to solicit proposals to provide energy efficiency, generation and sustainable building policy guidance and technical assistance to CUAC reviewers and CTCAC staff (and any utility allowance calculator that supersedes or replaces the CUAC) related to affordable multifamily housing. This does not include technical assistance to CTCAC applicants. CTCAC quality control reviewers are responsible for providing technical guidance to CTCAC applicants and their energy consultants and such work will not be a part of the resulting contract from this RFP.

### **3. Scope of Work**

Contractor agrees to provide to California Tax Credit Allocation Committee (CTCAC) energy consultant services as described herein:

Contractor will work with CUAC reviewers and committee staff in providing policy guidance and technical assistance when requested by CTCAC staff. The technical assistance will include the CUAC tool and overall sustainable building, energy efficiency and energy generation in affordable multifamily housing. Policy guidance will include briefing CTCAC staff on changes to California building and energy codes that impact affordable multifamily housing. Contractor will submit a log to CTCAC evidencing number of hours worked.

Contractor will assist CTCAC with updates to previously published list of Frequently Asked Questions (FAQ's) for energy analyst/program users and provide policy guidance in energy efficiency and energy generation related to affordable multifamily housing.

### **Primary Task: Technical Assistance**

- a) Appropriate use of the CUAC requires verification of what is actually built, as opposed to what has been proposed, so that projects are accurately modeled using approved California Energy Commission compliance software. Contractor will work with CUAC reviewers and committee staff in providing policy and guidance when requested by CTCAC staff. The technical assistance will include the CUAC tool and overall energy efficiency and energy generation in affordable multifamily housing. Contractor will submit log to CTCAC evidencing number of hours worked.
- b) Contractor to assist CTCAC with updates to previously published list of FAQ's (Frequently Asked Questions) for energy analyst/program users and provide policy guidance in all areas of energy efficiency related to affordable multifamily housing.
- c) Contractor to assist CTCAC in responding to technical questions from energy analysts and program users related to CTCAC's sustainable building, energy efficiency and energy generation regulation requirements.

### **Deliverables**

Contractor to provide CTCAC with Technical Consulting services which may include any of the following:

- a) Technical Assistance to CTCAC staff and CUAC reviewers in addressing evaluation issues on the CUAC submittals to CTCAC.
- b) Technical assistance to CTCAC staff in addressing questions related to CTCAC's sustainable building, energy efficiency and energy generation regulation requirements.
- c) Policy guidance to CTCAC in addressing issues related to the use of the CUAC tool, sustainable building, energy efficiency and energy generation in affordable multifamily housing, and briefings provided to CTCAC staff on changes to California building and energy codes that impact affordable multifamily housing.

### **4. Term of Agreement**

The term of this agreement will be from June 1, 2021 through May 31, 2024 for a dollar value not to exceed \$75,000.00 for three years (\$25,000.00 per year) with an option to extend the contract for one additional year for a dollar amount not to exceed \$25,000.00. The agreement will require approval by the Department of General Services ("DGS"). In no event shall services be performed prior to approval by DGS.

### **B) Minimum Qualifications for Proposer**

**The Bidder shall address the minimum qualifications stated below by completing Attachment 13 in Section E of the RFP.** Failure to meet these minimum qualifications will cause your proposal to be considered non-responsive and the proposal will be rejected.

- 1) At least three (3) years of experience providing technical assistance to energy consultants for affordable multifamily housing.
- 2) At least three (3) years of experience reviewing energy consumption model estimates for affordable multifamily housing.
- 3) Demonstrated experience providing technical assistance on how to properly model the design of affordable multifamily housing for energy efficiency.
- 4) The firm must be available to immediately assume services.

Those proposals that meet the requirements shall be submitted to a CTCAC evaluation committee that will evaluate and score the proposals using the criteria specified below. <b><u>Criteria</u></b>	<b><u>Maximum Points</u></b>
a. Years and breadth of experience with single or multiple firms in providing technical assistance to energy consultants for affordable multifamily housing. A maximum of 30 points for 30 years of experience. For example, a firm with 10 years of experience providing technical assistance services would receive 10 points in this category.	30
b. Years and breadth of experience with single or multiple firms in reviewing energy consumption model estimates for affordable multifamily housing for energy efficiency. CTCAC will award points based on average years of staff experience, up to a maximum of 30 points in this category.	30
c. Qualifications of Personnel (including experience and qualifications of specific personnel who will provide the services, their professional and educational background).	10
d. Fee (cost including actual fees proposed)	30
TOTAL MAXIMUM POSSIBLE POINTS	100

The lowest cost proposal, based on total cost from Attachment 5, is awarded the maximum cost points. Other proposals are awarded cost points based on the following calculation:

$$(\text{Lowest Bidder's cost proposal} / \text{Other Bidder's cost proposal}) = (\text{factor})$$

$$\text{Cost points for Other Bidder} = (\text{factor}) \times \text{maximum cost points}$$

EXAMPLE: A maximum of 30 points is available.

Lowest Bidder's cost proposal = \$20,000.00  
Other Bidder's cost proposal = \$25,000.00

$$(\text{Lowest Bidder's cost proposal} / \text{Other Bidder's cost proposal}) = \\ \$20,000.00 / \$25,000.00 = 4/5$$

Cost points awarded to Other Bidder =  $4/5 \times 30$  maximum points = 24 cost points

## 7. **Award and Protest**

Notice of the proposed award shall be posted in a public place in the office of CTCAC, 915 Capitol Mall, Room 485, Sacramento, CA 95814 and on the following Internet site: [www.treasurer.ca.gov/ctcac](http://www.treasurer.ca.gov/ctcac) for five (5) working days prior to awarding the contract.

- a. If any proposer, prior to the award of contract, files a protest with the CTCAC and the Department of General Services, Office of Legal Services, 707 Third Street, 7<sup>th</sup> Floor, Suite 7-330, West Sacramento, CA 95605 or at the email [OLSProtests@dgs.ca.gov](mailto:OLSProtests@dgs.ca.gov), on the grounds that the (protesting) proposer would have been awarded the contract had the agency correctly applied the evaluation standard in the RFP, or if the agency followed the evaluation and scoring methods in the RFP, the agreement shall not be awarded until either the protest has been withdrawn or the Department of General Services has decided the matter. It is suggested that you submit any protest by certified or registered mail.
- b. Within five (5) days after filing the initial protest, the protesting proposer shall file with the Department of General Services, Office of Legal Services and the CTCAC a detailed statement specifying the grounds for the protest.

## 9. **Agreement Execution and Performance**

- a. Performance shall start not later than 45 days, or on the express date set by the awarding agency and the Contractor, after all approvals have been obtained and the agreement is fully executed. Should the Contractor fail to commence work at the agreed upon time, the awarding agency, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between Contractor's Proposal price and the actual cost of performing work by another contractor.
- b. All performance under the agreement shall be completed on or before the termination date of the agreement.

## D) Preference Programs

1. **Small Business or Microbusiness Preference** - <https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise-Certification-Program>

A five percent (5%) preference will be applied to certified small business firms submitting proposals. To obtain the preference, firms must be certified as a small business at the time the bid is submitted. The firm MUST include an updated copy of their Small Business Certificate to obtain the preference. The 5% preference is issued only for computation purposes to arrive at the successful firm(s), and does not alter the amount of the actual bids. Once each bid has been scored, if the highest responsible firm is not a certified small business or microbusiness, 5% of the highest scoring bid is added to the total “earned” points for each bid submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring bid.

Questions regarding the small business certification or preference approval should be directed to the Office of Small Business & DVBE Services (OSDS) at (916) 375-4940 or can be found at the website listed above.

2. **Non-Small Business Preference** – <https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise-Certification-Program>

A five percent (5%) bid preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming thenon-small business subcontractor preference, the bid response must include a list of the small business (es) with which the firm commits to subcontract in an amount of at least 25% of the net bid price with one or more California certified small businesses. Each listed certified small business must perform a “commercially useful function” in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California small business subcontractors must be attached to the bid response and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied; and 5) the dollar amount or percentage of the net bid price (as specified in the solicitation) per subcontractor.

Firms claiming the 5% preference must commit to subcontract at least 25% of the net bid price with one or more California certified small businesses. Completed certification application required support documents must be submitted to the OSDS no later than 5:00 p.m. on the bid due date, and the OSDS must be able to approve the application as submitted. Questions regarding certification should be directed to the OSDS at (916) 375-4940.

The preference to a non-small business firm that commits to small business or microbusiness subcontractor participation of 25% of its non bid price shall be 5% of either the lowest, responsive, responsible firm’s price or the highest response, responsible firm’s total score. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

3. **California Disabled Veteran Business Enterprise (DVBE) Participation** – [https://www.documents.dgs.ca.gov/dgs/fmc/gs/pd/pd\\_843.pdf](https://www.documents.dgs.ca.gov/dgs/fmc/gs/pd/pd_843.pdf)

**This solicitation DOES NOT include a minimum DVBE participation requirement. DVBE participation is not required in the bid or proposal. However, a DVBE incentive will be applied as provided in Attachment 5.**

DVBE INCENTIVE: The State will apply a DVBE incentive for responsive bids or proposals from responsible bidders that propose DVBE participation. The DVBE incentive will vary in relation to the percentage of confirmed DVBE participation (up to five percent (5%)).

**E) Required Attachments**

## **DOING BUSINESS WITH THE STATE OF CALIFORNIA**

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering

services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

- 1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

7. AIR OR WATER POLLUTION VIOLATION: Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

8. PAYEE DATA RECORD FORM STD. 204: This form must be completed by all contractors that are not another state agency or other governmental entity.

### **EVIDENCE OF QUALIFICATION TO DO BUSINESS IN THE STATE OF CALIFORNIA**

Proposer and any subcontractor identified in the proposal must be qualified to do business in the State of California. Proposer must submit evidence demonstrating compliance with this requirement with its proposal. Include a copy of the proposer's evidence of qualification as Attachment 8.

## ATTACHMENT 10

### **SMALL BUSINESS OR MICROBUSINESS PREFERENCE**

(If Applicable)

Small Business or Microbusiness Preference – <https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program>

A five percent (5%) preference will be applied to certified small business firms submitting proposals. To obtain the preference, firms must be certified as a small business at the time the proposal is submitted. The firm **MUST** include an updated copy of their Small Business Certificate to obtain the preference. The 5% preference is issued only for computation purposes to arrive at the successful firms and does not alter the amounts of the actual proposals. Once each proposal has been scored, if the highest responsible firm is not a certified small business or microbusiness, 5% of the highest scoring proposal is added to the total “earned” points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the Office of Small Business & DVBE Services (OSDS) at (916) 375-4940 or can be found at the website listed above.

## ATTACHMENT 11

### **NON-SMALL BUSINESS PREFERENCE**

(If Applicable)

Non-Small Business Preference – <https://www.dgs.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program>

A five percent (5%) proposal preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal response must include a list of the small business(es) with which the firm commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal response and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied; and 5) the dollar amount or percentage of the net proposal price (as specified in the solicitation) per subcontractor.

Firms claiming the 5% preference must commit to subcontract at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the proposal due date, and the OSDS must be able to approve the application as submitted. Questions regarding certification should be directed to the OSDS at (916) 375-4940.

The preference to a non-small business firm that commits to small business or microbusiness subcontractor participation of 25% of its net proposal price shall be 5% of either the lowest, responsive, responsible firm's price or the highest responsive, responsible firm's total score. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

**ATTACHMENT 12**

**CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)  
PROGRAM PARTICIPATION INSTRUCTIONS**

**DVBE PARTICIPATION REQUIREMENT.** The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC) section 10115 et seq., Military and Veterans Code (MVC) section 999 et seq., and California Code of Regulations (CCR), title 2, section 1896.60 et seq. **This solicitation DOES NOT include a minimum DVBE participation requirement. DVBE participation is NOT required in the proposal. However, a DVBE incentive will be applied as provided below.**

**DVBE INCENTIVE.** The State will apply a DVBE incentive for responsive proposals (herein “proposal” or “proposals”) from responsible proposers that propose DVBE participation. The DVBE incentive will vary in relation to the percentage of confirmed DVBE participation. The following percentages shall apply.

<b>Confirmed DVBE Participation of</b>	<b>DVBE Incentive</b>
5% and above	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable: (1) Awards based on low price – The DVBE incentive is applied by reducing the proposal price by the amount of DVBE incentive as computed from the lowest responsive proposal price submitted by a responsible proposer. The DVBE incentive is for evaluation purposes only. Application of the DVBE incentive shall not displace an award to a small business with a non-small business.

(2) Awards based on high score – The DVBE incentive is a percentage of the total possible available points, not including points for socioeconomic incentives or preferences. The DVBE incentive points are included in the sum of non-cost points. The DVBE incentive points cannot be used to achieve any applicable minimum point requirements.

**DVBE PARTICIPATION COMMITMENT. Proposers seeking the DVBE incentive must submit a completed Disabled Veteran Business Enterprise Declaration, STD. 843, which demonstrates DVBE participation and qualification for a DVBE incentive.** All disabled veteran owners and disabled veteran managers of the DVBE(s) must sign the form(s) which may be obtained through the following link:

[https://www.documents.dgs.ca.gov/dgs/fmc/gs/pd/pd\\_843.pdf](https://www.documents.dgs.ca.gov/dgs/fmc/gs/pd/pd_843.pdf)

The completed form should be included with the submitted proposal.

DVBE participation information submitted by the intended awardee will be verified by the State. If evidence of an alleged violation is found during the verification process, the State or the Department of General Services, Office of Small Business and DVBE Services (OSDS) shall initiate an investigation in accordance with PCC section 10115 et seq., MVC section 999 et seq., and CCR, title 2, section 1896.60 et seq. Contractors found to be in violation of certain provisions may be subject to loss of certification, contract termination, and/or other penalties.

**Only State of California OSDS certified DVBEs** that perform a commercially useful function relevant to this solicitation may be used for the DVBE incentive and to comply with the DVBE Participation Goal Program. Please see MVC section 999(b) and CCR, title 2, section 1896.62(f) regarding the performance of a commercially useful function. Proposers are to verify each DVBE subcontractor’s certification with OSDS to ensure DVBE eligibility. Proposers cannot demonstrate DVBE incentive eligibility and DVBE Participation Goal Program compliance by performing a good faith effort.

At the State’s option prior to contract award, proposers may be required to submit additional written clarifying information. Failure to submit the requested written information as specified may be grounds for proposal rejection.

**EXHIBIT D  
(Standard Agreement)**

**SPECIAL TERMS AND CONDITIONS**

**1. Excise Tax**

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another state.

**2. Settlement of Disputes**

In the event of a dispute, Contractor shall file a "Notice of Dispute" with a Deputy Treasurer of the State Treasurer's Office within ten (10) days of discovery of the problem. Within ten (10) days, the Deputy Treasurer shall meet with the representatives of Contractor and the State identified in Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final.

**3. Evaluation of Contractor**

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor's performance under this Agreement. If this Agreement is a contract for consultant services and if Contractor did not satisfactorily perform the work, a copy of the evaluation will be sent to the Department of General Services (DGS), Office of Legal Services, and to the Contractor within fifteen (15) working days of the completion of the evaluation in accordance with Public Contract Code section 10371.

**4. No Agency Liability**

The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

**5. Potential Subcontractors**

Nothing contained in this Agreement or otherwise, shall create any contractual relationship between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the obligation of the State to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

**6. Force Majeure**

Neither party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the State in its sovereign capacity, fires, floods, power failure, disabling strikes, epidemics, quarantine restrictions, and freight embargoes.

**EXHIBIT D  
(Standard Agreement)**

**7. Waivers**

No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party of any right, power or privilege hereunder, nor any single or partial exercise of any right, power or privilege hereunder, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

**8. Incorporation of Amendments to Applicable Laws**

Any references to sections of federal or state statutes or regulations shall be deemed to include a reference to any amendments thereof and any successor provisions thereto.

**9. Confidentiality**

All financial, statistical, personal, technical and other data and information relating to the operations of the State which are designated confidential by the State and become available to Contractor shall be protected by Contractor from unauthorized use and disclosure.

**10. Titles/Section Headings**

Titles and headings are for convenience of reference only, and shall have no effect on the construction or legal effect of this Agreement.

**11. Choice of Law**

Notwithstanding Paragraph 14 of Exhibit C (General Terms and Conditions), this Agreement shall be administered, construed, and enforced according to the laws of the State of California (without regard to any conflict of laws provisions) to the extent such laws have not been preempted by applicable federal law. Any suit brought hereunder, including any action to compel arbitration or to enforce any award or judgment rendered thereby, shall be brought in state court sitting in Sacramento, California, the parties hereby waiving any claim or defense that such forum is not convenient or proper. Each party agrees that any such court shall have in personam jurisdiction over it and consents to service of process in any manner authorized by California law.

**12. Notices**

The parties agree that to avoid unreasonable delay in the progress of the services performed hereunder, Contractor and the State have designated in Exhibit A specific staff representatives for the purpose of communication between the parties. Any notice or other written communication required or which may be given hereunder shall be deemed given when delivered personally, or by mail three (3) days after the date of mailing, unless by express mail then upon the date of confirmed receipt, to the representatives named in Exhibit A.

Either party hereto may, from time to time by notice in writing served upon the other as aforesaid, designate a different mailing address or a different or additional person to which all such notices or demands thereafter are to be addressed.

**13. Permits and Licenses**

Contractor shall carry out its duties and responsibilities herein in accordance with, be limited in the exercise of its rights by, and observe and comply with, all federal, state, city and county laws, rules or regulations affecting services under this Agreement. Contractor shall procure and keep in full force and effect during the term of this Agreement all permits and licenses necessary to accomplish the work contemplated in this Agreement.

**EXHIBIT D**  
**(Standard Agreement)**

**14. Books and Records**

Contractor shall keep accurate books and records connected with the performance of this Agreement for a period of at least three (3) years. Contractor shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure location and shall be available for inspection and copying by the State and its representatives at any time.

**15. Key Personnel**

- a. A resume for each member of Contractor's staff who will exercise a significant administrative, policy, or consulting role under this Agreement is attached to this Agreement as Exhibit D-1. These members of Contractor's staff shall be hereafter referred to (both individually and collectively) as "Key Personnel."
- b. Contractor shall not substitute, replace or reassign Key Personnel without the prior approval of the State.
- c. This Agreement may be terminated immediately, in the sole discretion of the State and upon written notice from the State to Contractor, because of any change in or departure of any of the Key Personnel.

**16. Changes in Control, Organization or Key Personnel**

Contractor shall promptly, and in any case within five (5) days, notify the State in writing: (i) if any of Contractor's representations and warranties, as set forth in this Agreement, cease to be true at any time during the term of this Agreement; (ii) of any change in Contractor's staff who exercises a significant administrative, policy, or consulting role under this Agreement, including without limitation any Key Personnel; (iii) of any change in the majority ownership, control, or business structure of Contractor; or (iv) of any other material change in Contractor's business, partnership or corporate organization. All written notices from Contractor under this provision shall contain sufficient information to permit the State to evaluate the changes within Contractor's staff or organization under the same criteria as was used by the State in its award of this Agreement to Contractor.

**17. Insurance Requirements**

Contractor warrants that it carries adequate liability, worker's compensation and other necessary insurance and shall maintain such insurance at levels acceptable to the State in full force and effect during the term of this Agreement. Contractor agrees to furnish satisfactory evidence of this insurance coverage to the State upon request.

**18. Subcontractors**

- a. Contractor shall perform the work contemplated by this Agreement with resources available within its own organization except for subcontracted work identified in this Agreement or other attachment incorporated hereto. No other portion of the work pertinent to this Agreement shall be subcontracted without written authorization by the State. The subcontractor must be mutually agreed upon in advance by both parties.
- b. Contractor shall require that any subcontractor agree to be bound by all provisions of this Agreement, as applicable.

**EXHIBIT D  
(Standard Agreement)**

**19. Notice of Proceedings**

Contractor shall promptly notify the State in writing of any investigation, examination or other proceeding involving Contractor, including any Key Personnel, commenced by any regulatory agency, which proceeding is not conducted in the ordinary course of Contractor's business.

**20. Cumulative Remedies**

The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies that any party may otherwise have at law or in equity.

**21. Binding Effect**

This Agreement, any instrument or agreement executed pursuant to this Agreement, and the rights, covenants, conditions and obligations of Contractor and the State contained therein, shall be binding upon the parties and their successors, assigns and legal representatives.

**22. Publicity**

No publicity release or announcement concerning this Agreement or the transactions contemplated herein shall be issued by Contractor without advance written approval by the State.

**23. Services or Procurement Resulting from Agreement**

Neither Contractor, nor any of its subsidiaries, officers or directors, may submit a bid or be awarded a contract for the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed to be an outgrowth of the advice or recommendations that Contractor provides under this Agreement.

**24. Agreement Does Not Violate Law**

Contractor represents and warrants that neither the execution of this Agreement nor the acts contemplated hereby nor compliance by Contractor with any provisions hereof will:

- a. Violate any provision of the charter documents of Contractor;
- b. Violate any statute or law or ordinance or any judgment, decree, order, regulation or rule of any court or governmental authority applicable to Contractor; or
- c. Violate, or be in conflict with, or constitute a default under, or permit the termination of, or require the consent of any person under, any agreement to which Contractor may be bound, the violation of which in the aggregate would have a material adverse effect on the properties, business, prospects, earnings, assets, liabilities or condition (financial or otherwise) of Contractor.

**25. Power and Authority**

Contractor represents and warrants that it has the power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution of this Agreement has been duly authorized by Contractor and no other proceeding on the part of Contractor is necessary to authorize this Agreement. Contractor has completed, obtained and performed all registrations, filings, approvals, authorizations, consents or examinations required by any government or governmental authority for its acts contemplated by this Agreement.

**EXHIBIT D**  
**(Standard Agreement)**

**26. Signature Authorization**

The person signing this Agreement warrants that he/she is an agent of Contractor and is duly authorized to enter into this Agreement on behalf of Contractor.

**27. Entire Agreement; Order of Precedence**

- a. This Agreement, including documents that have been incorporated in this Agreement by reference, contains all representations and the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement.
- b. In the event there are any inconsistencies or ambiguities among the terms of this Agreement and incorporated documents, the following order of precedence shall be used: (i) applicable laws; (ii) the terms and conditions of this Agreement, including exhibits and attachments; (iii) the Request for Proposal (RFP) if any; (iv) Contractor's response to the RFP if any; and (v) any other provisions, terms, or materials incorporated herein.

**28. Termination at Option of the State**

In addition to the provisions of Paragraph 7 of Exhibit C (General Terms and Conditions), this Agreement may be terminated in whole or in part at any time 30 days' written notice by the State, for any reason. Upon receipt of a termination notice, Contractor shall promptly discontinue all services affected unless the notice specifies otherwise. In the event the State terminates all or a portion of this Agreement for any reason, it is understood that the State will provide payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

**29. Termination for Insolvency**

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

**30. Completion**

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

**31. Effect of Termination**

All duties and obligations of the State and Contractor shall cease upon termination of this Agreement, except that:

- a. Each party shall remain liable for any rights, obligations, or liabilities arising from activities carried on by it under this Agreement prior to the effective date of termination; and
- b. Contractor shall provide for the return of all records of the State to the State or its designee and shall cooperate fully to effect an orderly transfer of services.

**EXHIBIT D**  
**(Standard Agreement)**

**32. Termination for Expatriation**

Contractor shall notify the State immediately in writing in the event that Contractor or its parent files any notice with the Securities and Exchange Commission that Contractor intends to reincorporate offshore. In the event of such notice, the State may terminate this Agreement and all further rights and obligations immediately by giving five (5) days' notice in writing in the manner specified herein.

**33. Compliance With Political Reform Act**

**Contractor acknowledges that the State is subject to the provisions of the Political Reform Act (Government Code section 81000 et seq. and all regulations adopted thereunder, including, but not limited to, California Code of Regulations, title 2, section 18700 et. seq.)** and Contractor shall comply promptly with any requirement thereunder. If required by law, Contractor shall require its personnel, including without limitation, its Key Personnel all later substitutions therefore, to file Statements of Economic Interests in compliance with the Conflict of Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer (California Code of Regulations, title 2, section 1897). All such reports shall be filed simultaneously with the State.

**34. Darfur Contracting Act**

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).

**35. Labor Neutrality Policy**

CTCAC recognizes the value of labor organizing and encourages the entities with which it contracts to demonstrate that they also value this principle by encouraging management neutrality in labor organizing activities.

To remain "neutral" means not to take any action or make any statement that will directly or indirectly state or imply any support for or opposition to the selection by the Contractor's employees of a collective bargaining agent, or preference or opposition to any particular union as a bargaining agent. Nothing in this section obligates or prohibits the Contractor from entering into private neutrality, labor peace or other lawful agreements with a labor organization seeking to represent or who currently represents the Contractor's employees.
