- 1 Project CTCAC #:** Select the *CTCAC Number/Name* from the dropdown box. The fields in white (address, city, state, zip and county) will auto-fill. Since names are similar for different CTCAC properties, please confirm the address to ensure the POP reflects the correct property.

! Important

You can only make a selection from the dropdown box. You cannot type information in this field. If your property name or CTCAC number does not appear on the list, contact the owner

to confirm the correct CTCAC number. If this doesn't resolve the problem, contact *Julio Villanueva* at (916) 653-4277.

2 Project Address: This information is entered automatically based on the property chosen in the drop down menu above. Confirm that the information is correct. If this information is incorrect, contact Julio Villanueva at (916) 653-4277.

3 Project Information: Enter the telephone and fax number for the onsite manager. If there is no fax number, please use 000-000-0000. For the *Date Form Completed*, please enter the date the POP form was prepared.

4 Partnership/Owner: The *Partnership/Owner Name* is entered automatically based on the property chosen from #1 above. Confirm that the information is correct. If this information is incorrect or has changed, contact Julio Villanueva at (916) 653-4277.

! Important

The Partnership Tax ID MUST match CTCAC's records for the ownership of the property. It is the responsibility of the owner to contact CTCAC immediately if there are any changes to the OWNERSHIP and/or Tax ID for the property.

If the Tax ID has changed, for those projects in the 15 year Federal Compliance Period, CTCAC is required to file an IRS form 8823 showing a change in ownership of the property.

If you are unsure of the Tax ID number, contact the owner of the property. CTCAC cannot disclose the Tax ID number without a written request from the owner.

Also, if the same management contact information is being provided in the partnership/owner information, CTCAC may request power of attorney documentation to verify authority.

5 Managing GP & Administrative GP Information: Enter the requested information for the owner.
Managing General Partner: This entity is responsible for the day to day operations of a tax credit project.

Administrative General Partner: This entity is responsible for ensuring the financial feasibility of a tax credit project.

Please note: These two sections must be completed thoroughly. You cannot use “N/A” or “same as” or leave blank the Managing/Administrative General Partner sections. If they are one in the same, you must still complete each section with the same information.

6 Management:

Enter the requested information for the current Management Company.

Please note: CTCAC is requesting that you provide your management company’s official name under heading “Management Company.” CTCAC will require that you utilize the same Management Company name for all LIHTC projects managed by your firm (no deviations). In the past, CTCAC has received POP forms with slight variations in management company name and this will no longer be accepted.

After completing the information on the POP, save the file with the CTCAC project number and name as shown below:
