Welcome and Introductory Comments

Executive Directors Report

Eligibility & Outreach Work Group

- Enroll all children who meet the criteria as of March 13, 2020: More accounts with less money
- Allow distribution of funds at 18 or earlier with optional delay: More flexibility, possibly less security for minors
- Community partner expectations TBD

Benefits, Challenges, Questions, and Recommendations

Data Sharing & Privacy Work Group

- Foster data through CWS/CMS: 37,576 kids as of April 1, 2020
- Does this mean 120,000 eligible kids as of April 1, 2023?
- 32,843 est. children who meet COVID impact criteria between January 1, 2020, and May 9, 2022.
- Possible sources of COVID impacted data: CDCR, CDPH/NAPHSIS, CA vital records, FEMA
- Organized labor in food/agriculture, transportation/logistics, manufacturing, and facilities
- Community outreach for COVID Impacted kids will be paramount
- Keep burden of proof re COVID cause, parental relationship, and income at minimum

Benefits, Challenges, Questions, and Recommendations

Funds per Youth & Investment

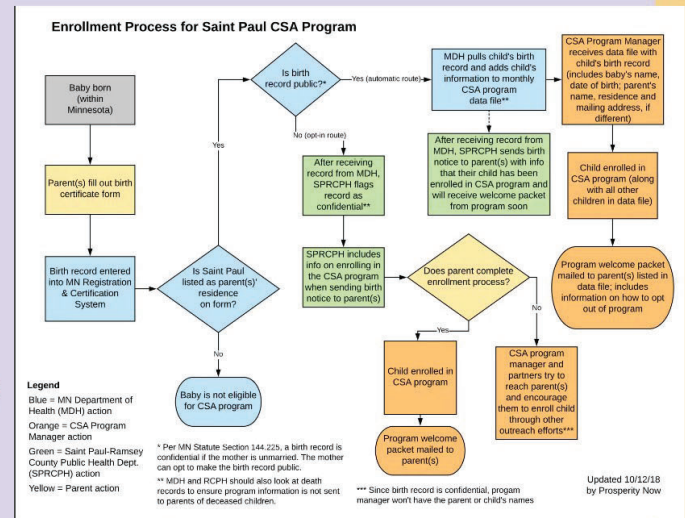

- \$100 million FY 23 + \$15 million annually starting FY 2024
- Invest for capital growth and liquidity
- Need to understand annual distribution flows
- Learning about fund management structures
- Need to grow capital fund for meaningful impact

Benefits, Challenges, Questions, and Recommendations

Administration & Timelines

- RFP for narrative and other materials design in development
- Journey map for youth (and infrastructure flow) in development
- The journey map will help us determine capacity needs
- Evaluation: "continuous measurement of outcomes"

Benefits, Challenges, Questions, and Recommendations
