HOPE Board Discussion

Eligibility & Outreach Work Group

- Enroll all children who meet the criteria as of March 13, 2020
- Allow distribution of funds at 18, earlier under exceptional circumstances (and distribution options such as direct to institution), or later
- Offer critical "wrap-around" support services beyond outreach such as:
- Admission to higher education, money management & financial planning, trauma informed decision making, peer support, occupational counseling, housing
- Creating outreach strategies mapped to high COVID risk and impact communities and occupations
- July 12: Identifying & Empowering children impacted by COVID-19 loss

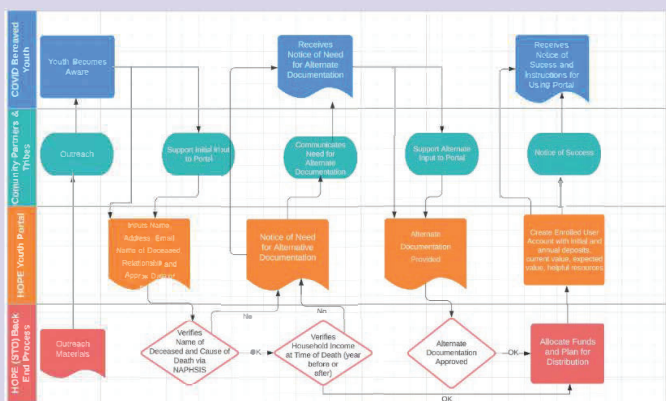

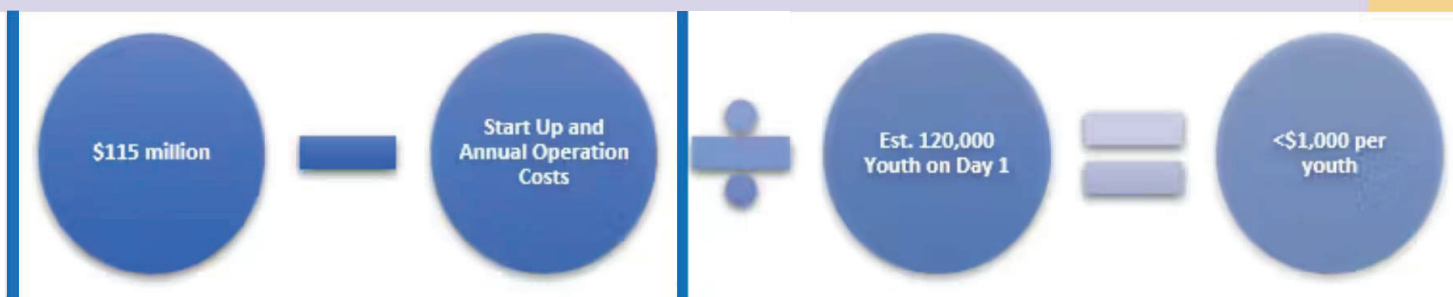

Data Sharing & Privacy Work Group

- Foster data through CWS/CMS: 37,576 kids as of April 1, 2020
- 32,843 est. children who meet COVID impact criteria between January 1, 2020, and May 9, 2022.
- Possible sources of COVID impacted data: CDCR, CDPH/NAPHSIS, CA vital records, FEMA
- Organized labor in food/agriculture, transportation/logistics, manufacturing, and facilities
- Community outreach for COVID Impacted kids will be paramount
- Keep burden of proof re COVID cause, parental relationship, and income at minimum

Funds per Youth & Investment

- \$100 million FY 23 + \$15 million annually starting FY 2024
- Set an aspirational goal: \$5,000 per child?
- Need to grow capital fund for meaningful impact: Investment, Philanthropy, Public Funds
- Developing an RFP for an investment/program consultant
- Creating an outcome tracker

Administration & Timelines

- HOPE Administrative processes
- RFP for narrative and other materials design in development
- Review journey maps: What steps are missing?
- We need to create evaluation processes: "continuous measurement of outcomes"
