

COVID Bereaved Heat Map

HOPE is strategically prioritizing outreach efforts in counties with the highest correlation of COVID-bereaved children eligible for MediCal, based on a calculated outreach score*.

Top Counties by Outreach Score		
Imperial		11.88%
Tulare		8.85%
Merced		7.98%
Tehama		7.75%
San Bernardino		7.12%
Stanislaus		6.85%
Fresno		6.78%

**The outreach score reflects the relationship between COVID death rates and MediCal-enrolled children as a percentage of the population.*
