Treasurer Announces Plan to Provide \$20 Million in Emergency Grants for Imperiled Community and Planned Parenthood Clinics

SACRAMENTO, Calif. – State Treasurer John Chiang will join state lawmakers and health care advocates to announce the establishment of a \$20 million one-time emergency grants program to support community clinics that provide vital health services to California's most vulnerable residents.

The Community Clinic Lifeline Grant Program will help small or rural nonprofit clinics, including Planned Parenthood clinics, keep their doors open and provide critical services as lawmakers work to address the potential losses in health care funds due to threatened federal actions such as repealing the Affordable Health Care and eliminating funding for essential women's health and preventative services.

When: 11:00 a.m. Monday, June 19, 2017

Where: South Steps, California State Capitol

Who:

California State Treasurer John Chiang

Sen. Holly J. Mitchell, D-Los Angeles
