Treasurer Fiona Ma Presents “Scholar Dollars” Grants to Sacramento Area Schools

SACRAMENTO – California State Treasurer Fiona Ma presented a \$5,000 “Scholar Dollars” grant today from the ScholarShare 529 program to Paso Verde Elementary and a \$20,000 grant to Junction Elementary.

At Paso Verde Elementary, the money will be used “to foster inquiry-based learning and (STEAM) science, technology, engineering, art and mathematics activities for the students,” said Principal Tonja Jarrell.

“This grant will allow students at Paso Verde Elementary to build bridges and circuits and create their own energy roller coasters,” said Treasurer Ma. “Their engagement with STEAM activities will better equip them for college and careers of the 21st century.”

Treasurer Ma chairs the ScholarShare Investment Board that sets investment policies and oversees all activities of ScholarShare, the state’s 529 college investment plan. The program enables Californians to save for college by putting money in tax-advantaged investments.

Junction Elementary School plans to use the money to support their Digital Literacy Project. “By purchasing Chromebook devices our students will learn to create, communicate and collaborate with digital tools preparing them for the future,” said Principal Susan Fridly.

“Scholar Dollars” supports extracurricular and enrichment programs that in some cases were cut or dropped altogether because of budget cuts. This year it has awarded more than \$300,000 to 20 K-8 schools throughout the state to fund technology, music, art, theater, computer science, sports, and other programs.

The “Scholar Dollars” program helps schools improve the enrichment programs that inspire students, spark their curiosity, and help motivate them to pursue college or other higher education opportunities.

Schools win “Scholar Dollars” grants by mobilizing their communities to cast votes. This year 377 schools competed and more than 285,000 votes were cast. Treasurer Ma commended Paso Verde and Junction elementary schools for successfully applying for a “Scholar Dollars” grant.

“I applaud the dedicated students, staff, and parents who came together as a community to capture the votes needed to win this grant,” she said.

Studies show that students with a savings account in their name are seven times more likely to attend college than others. “Scholar Dollars” helps raise awareness about saving for college early, which is important given that the average student loan debt is \$36,521. According to the U.S. Department of Education’s College Affordability and Transparency Center there is \$1.48 trillion total student loan debt in the United States www.collegecost.ed.gov.

ABOUT SCHOLARSHARE 529

“Scholar Dollars” offers families a diverse set of tools to help pay for higher education, including relief from paying taxes on investment growth, if the funds are spent on qualified higher education costs.

Fiona Ma is California’s 34th State Treasurer. She was elected on November 6, 2018 with more votes (7,825,587) than any other candidate for treasurer in the state’s history. She is the first woman of color and the first woman Certified Public Accountant (CPA) elected to the position. The State Treasurer’s Office was created in the California Constitution in 1849. It provides financing for schools, roads, housing, recycling and waste management, hospitals, public facilities, and other crucial infrastructure projects that better the lives of residents. California is the world’s fifth-largest economy and Treasurer Ma is the state’s primary banker. Her office processes more than \$2 trillion in payments within a typical year. She provides

transparency and oversight for the government's investment portfolio and accounts, as well as for the state's surplus funds. Treasurer Ma oversees an investment portfolio of more than \$102 billion, approximately \$20 billion of which are local government funds. She serves as agent for sale of all State bonds, and is trustee on over \$100 billion of outstanding debt.
