California State Treasurer Fiona Ma Provides Valuable New Information on Tax Relief and Food Access

Sacramento – California State Treasurer Fiona Ma today announced she has added new resource lists on tax relief and food access to the State Treasurer’s website, which already includes a list of resources for small businesses. View the tax relief list [here](#), the food list [here](#), and the small business list [here](#).

The tax list provides the latest news on changes in regulations and deadlines and phone numbers and links to relevant agencies. The food access list also contains phone numbers and links to organizations that have information regarding food banks, where to pick up school meals, grocery store hours, and nonprofit and government programs. The small business list has information about new government and private sector programs and loans for small businesses.

“These new lists are part of my continuing efforts to keep Californians informed about changing rules and deadlines and give them access to resources that will help them navigate these troubled times more effectively,” said Treasurer Ma.

This list will be updated periodically. If you have a resource to share, please contact Gloria Li gli@treasurer.ca.gov.
