State Treasurer Fiona Ma Announces Results of \$2.6 Billion General Obligation Bond Sale

SACRAMENTO – California State Treasurer Fiona Ma announced the results of the sale of \$2.6 billion of various purpose General Obligation (GO) bonds. The sale included \$1.4 billion of GO bonds to fund voter approved projects and programs and to pay down outstanding commercial paper notes, and \$1.2 billion of GO refunding bonds to refund previously issued GO bonds for debt service savings.

Proceeds of the new money bonds will fund projects under three bond acts, the Kindergarten Through Community College Public Education Facilities Bond Act of 2016, the Water Quality, Supply and Infrastructure Improvement Act of 2014, and the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018. Proceeds will also be used to paydown certain outstanding commercial paper notes that provided interim financing for projects funded under 12 different bond acts approved by voters between 2000 and 2018.

Proceeds of the refunding bonds will refinance bonds issued in 2013 and 2018 under 25 different bond acts and will save taxpayers \$282 million over the next 20 years, or \$198 million on a present value basis. Since Treasurer Ma took office in January 2019, the State Treasurer's Office has sold \$16.1 billion of refunding GO bonds for debt service savings that will save taxpayers \$6 billion over the next 20 years, or \$4.9 billion on a present value basis.

The GO bonds were sold with an all-in true interest cost of 3.63%. The bonds will mature on dates ranging from 2024 to 2050 and bear interest rates from 4.00% to 5.25%, with yields ranging from 2.21% to 3.98%.

California's GO Bonds are rated Aa2 by Moody's Investor Service, AA- by S&P Global Ratings, and AA by Fitch Ratings.

The bonds were underwritten through a syndicate led by joint senior managers BofA Securities, Inc. and Ramirez & Co., Inc., with Loop Capital Markets LLC serving as co-senior manager and 27 firms serving as co-managers. The bond sale is expected to close on April 13, 2023.

Fiona Ma is California's 34th State Treasurer. She was first elected on November 6, 2018, with more votes (7,825,587) than any other candidate for treasurer in the state's history and reelected on November 8, 2022. She is the first woman of color and the first woman Certified Public Accountant (CPA) elected to the position. The State Treasurer's Office was created in the California Constitution in 1849. It provides financing for schools, roads, housing, recycling and waste management, hospitals, public facilities, and other crucial infrastructure projects that better the lives of residents. California is poised to become the world's fourth-largest economy and Treasurer Ma is the state's primary banker. Presently, her office processes more than \$3 trillion in banking transactions. She provides transparency and oversight for the government's investment portfolio and accounts, as well as for the state's surplus funds. Treasurer Ma oversees an investment portfolio that currently averages over \$200 billion—a significant portion of which is beneficially owned by more than 2,200 local governments in California. She serves as agent of sale for all State bonds and is trustee of billions of dollars of state indebtedness.
