SCHOLARSHARE INVESTMENT BOARD

Resolution to Issue a Request for Proposals for Audit Services for the ScholarShare Investment Board

Recommendation

Staff recommends that the ScholarShare Investment Board (Board) adopt Resolution No. 2014-04 authorizing the Executive Director to issue a request for proposals for audit services.

Background

An auditor provides the Board with audit and examination services, and annual audited financial reports, prepared in accordance with generally accepted accounting principle, on the operations of the ScholarShare Trust. The Board is statutorily required to submit annual audited financial reports made by an independent certified public accountant to the Governor, the Controller, the State Auditor and the Legislature.

In 2012, the Board contracted with Gilbert Associates, Inc. (Gilbert) for audit services. The length of the contract with Gilbert was for two years with the option to extend for one year. The contract was subsequently extended for one year and is set to expire on June 30, 2015. With Board approval, a competitive request for proposals for audit services will be issued in late - 2014.
