Office of Community Partnerships & Strategic Communications

# OCPSC Sacramento County Pilot

---

- OCPSC conducted a **six-week pilot** program in Sacramento County from April 1 to May 9, 2025, to increase the number of claims of CalKIDS scholarships.
- OCPSC trained **16 trusted messenger network community-based organization (CBO) grantees** to provide CalKIDS resources to community members and help claim scholarships.
- Outreach efforts in the region contributed at least **404 scholarships claimed** and provided at minimum **\$180,000** in scholarship funds to students and newborns.
- CBOs continued to support CalKIDS outreach to community beyond the initial pilot period and, from May 10-31, 2025, helped claim an **additional 203 scholarships**, bringing the total of scholarship funds claimed to **over \$264,700**.

# OCPSC Community Outreach & Enrollment Grant Cohort

---

- 50 grantees statewide funded from January-June 2026, with an additional focus on CalKIDS in Fresno, Sacramento, and San Diego counties.
- OCPSC provides grantees with tools, strategies, and learnings from the pilot project, including:
  - FAQs developed in collaboration with ScholarShare Investment Board (SIB)
  - Unique OCPSC link to CalKIDS website and QR code, provided by SIB
  - Ongoing trainings and opportunities to learn from each other (e.g., UCLA CalKIDS Institute's CalKIDS 101: Training for Professionals)
  - Fostering partnerships between schools, school districts, and community-based organizations for SSID support and access to students and families
  - Culturally and linguistically tailored materials, many now available in 14 languages
