A) Purpose and Description of Services

1) Scope Overview

The [ScholarShare Investment Board](#) (SIB or Board) is the administrator of California's 529 college savings plan, the ScholarShare 529 College Savings Plan (Plan), and the California Kids Investment and Development Savings Program. SIB is the State agency responsible for the effective and efficient administration of the Golden State ScholarShare College Savings Trust (Trust). Section 69989 of the Education Code requires SIB to submit an annual audited financial report, prepared in accordance with generally accepted accounting principles, on the operations of the Trust each year.

SIB is soliciting proposals from qualified public accounting firms to audit financial statements for the Board's ScholarShare Administrative Fund (Fund) for the fiscal years ending June 30, 2024, and June 30, 2025. Audited financial statements for the Fund for the year ending June 30, 2023, are available online at www.treasurer.ca.gov/scholarshare/publications.asp.

2) Background

The California Legislature authorized creation of the Golden State ScholarShare College Savings Trust (Trust) in 1997 (Education Code Sections 69980-69994, the Act), intending it to be a "qualified tuition program" as defined in Section 529 (Section 529) of the Internal Revenue Code of 1986, as amended (Code). The Act authorizes Trust investments for a specific beneficiary's advance savings for qualified higher education expenses in a postsecondary educational institution. SIB was established by the Act and is the state agency responsible for the effective and efficient administration of the Trust. SIB administers the State's qualified tuition program, the ScholarShare 529 College Savings Plan, and the statewide children's savings account (CSA) program, California Kids Investment and Development Savings Program.

3) Scope of Work

The following scope of work details SIB's expectations for a Contractor providing audit services (sometimes referred to as the "Contractor") for SIB. These services include, but are not limited to, the following:

- a) Provide to SIB audit and examination services for the ScholarShare Administrative Fund (Fund), as described herein:
 - i. An evaluation of systems of internal control, in accordance with generally accepted auditing standards as set forth in Statements on Auditing Standards, and published by the American Institution of Certified Public Accountants. The audit and examination will be conducted so that the Contractor may render an opinion on the financial statements taken as a whole complying with Rule 58.1 of the State Board of Accountancy in conformity with generally accepted accounting principles, as promulgated by the Governmental Accounting Standards Board (GASB), and applicable provisions of State law.
 - ii. Contractor will confirm expenses for the Fund.
 - iii. Contractor will treat all information in a confidential manner with all recommendations to be stated only in the audit reports provided to the SIB for appropriate release by SIB as required by law.

- b) Contractor agrees to provide to SIB an audit report for the Fund as described herein:
- i. Report shall include a statement of the scope of the audit and examination for the Fund; the period covered by the audit and examination; and a list of the financial statements included in the report.
 - ii. Report shall include a statement of material audit findings and recommendations regarding the financial statements, internal control and accounting systems, and legality of actions for the Fund.
 - iii. Audited financial statements in the report shall include a “Statement of Operations,” “Statement of Assets and Liabilities” (Balance Sheet), and a “Statement of Cash Flows” for the Fund.
 - iv. Report shall include any other material matter and information.
 - v. Draft and final versions of the audit reports will be due to SIB staff pursuant to the schedule outlined in the table below, however due dates may vary depending on availability of information required for the completion of the report and/or the start date of the Agreement.

Audit Report	Fiscal Year Ending	
	June 30, 2024	June 30, 2025
Draft Version	Due December 15, 2024	Due October 6, 2025
Final Version	Due December 26, 2024	Due October 11, 2025

Note: Due dates for the draft and final version of the report for fiscal year ending June 30, 2026 will be provided if the one-year option is renewed.

- vi. The Contractor shall review the proposed reports with SIB staff prior to finalization and presentation to SIB as necessary.
- vii. One (1) original and five (5) printed copies of each report shall be prepared and provided to SIB staff with provision for additional copies upon request. An electronic version in PDF shall also be provided to SIB staff.

The services shall be performed at the offices of the selected Contractor and at the offices of appropriate affiliates, related entities, subsidiaries and subcontractors; however, there will be some mandatory meetings at 901 P Street, Sacramento, California 95814.

Contractor shall ensure that the quality and availability of its personnel assigned to this agreement will be maintained over the term of the agreement. To ensure independence and maintain a healthy professional skepticism between the Contractor and SIB, the Board may require the Contractor to rotate either their auditing teams or lead auditors at least once during the term of the agreement. Any changes in assigned personnel are at the discretion of the firm, provided that any replacements have substantially the same as or better qualifications and experience than the original personnel.

The performance of the selected Contractor will be evaluated based on the criteria outlined below.

- Responsiveness and timeliness in responding to inquiries made by SIB (members, Executive Director, and staff).
- Availability to SIB for conference calls and board meetings, as needed.
- Quality, completeness and timeliness in providing reports to SIB for review and consideration.
- Quality and accuracy of information, data and support included in all products submitted to SIB.
- Availability of resources to adequately perform on contract requirements (staff, etc.).

- Demonstrates the ability to provide management of tasks and coordination of support and administrative activities.
- Possesses the technical and functional skills, and knowledge to direct all aspects of the contract.

4) **Term of Agreement**

The term of the agreement entered into pursuant to this RFP, if any, will be December 1, 2024 through June 30, 2026 with a maximum amount of \$65,000.00. At the option of the State, the agreement may be extended for one additional year and up to an additional \$32,500.00. The agreement is subject to the approval of the State of California. In no event shall services be performed prior to the approval of the agreement by the State.

B) **Minimum Qualifications for Proposers**

Proposer must complete Attachment 5 of the RFP certifying that the firm meets the following minimum qualifications. Failure to meet these minimum qualifications will cause your proposal to be considered non-responsive and the proposal will be rejected.

- Proposer must be a professional certified public accounting firm, not in public employment, in business for at least three (3) years cumulatively.
- Proposer, including any subcontractors, must be qualified to do business in the State of California. Proposer must also be able to provide evidence of qualification (e.g., registration with the California Secretary of State) to do business in the State of California, including qualification of any subcontractors, upon proposal submission for this RFP.

3) Content and Format of Proposals

In preparing proposals, firms should:

- Use standard 8½" x 11" white paper with a minimum type size of 12 points. Consecutively number all pages in the response (including attachments and/or appendices).
- Include a cover letter stating:
 - The name, address, email, phone and fax numbers of the principal contact responsible for the oversight of the agreement. Indicate the availability of this person for meetings with SIB staff.
 - The name, address, email, phone and fax numbers of the project representative who will be available to SIB and its staff on a day-to-day basis during the term of the agreement.
 - The name, address, email, phone, fax number and name of a key contact at each partner, if a consortium, and subcontractor and what the aforementioned would be responsible for under the agreement.
 - That the firm accepts the terms of the Sample Agreement attached to this RFP. Please note that the General Terms and Conditions in Exhibit C are not negotiable.
- List responses to each Question related to the firm's Qualifications and Experience as identified below. Points will be awarded for the firm's response(s) to each question. The allocation of points is defined in Evaluation Process, Section C(5) of this RFP. Questions should be answered for each relevant partner or subcontractor to the extent applicable if a firm is a consortium or is using subcontractors. In preparing proposals, the firm shall list each question and then provide the firm's response to that question in the same order listed in this RFP.

a) Required Information (Zero (0) points)

SIB may reject a proposal due to any disclosure or conflict of interest (potential or actual) that is material in the sole opinion of the Board.

- i. State the name, address, telephone and e-mail addresses of firm and the person who will have ultimate responsibility for this contract.
- ii. Does the firm have any business relationships, which may be construed to be potential or actual conflicts of interest. If so, disclose. The selected contractor will have a continuing requirement to disclose any business relationships that may be construed to be a potential or actual conflict. The disclosure must be sufficiently detailed to inform the Board of the nature, implications and potential consequences of each conflict and must include an explanation of how the firm addresses, or intends to manage or mitigate, each conflict. The Board may reject a proposal due to any disclosure or conflict of interest (potential or actual) that is material in the sole opinion of the Board.

b) Qualifications and Experience of the Firm (Maximum of thirty (30) points)

- i. Provide a brief description of the firm's qualifications and experiences that demonstrate its capability as auditor with regard to State governmental agencies and ability to successfully complete the services outlined in the Scope of Work outlined in Section A of the RFP.

The firm should have conducted, within the last five (5) years, at least one (1) audit of State governmental agencies. The firm must have experience in State accounting and related processes. Such experience may include a financial audit of a State department or services as an accounting consultant to a State agency. Completion of Attachment 4 (Bidder References) is an accompanying piece in documenting the firm's experience.

c) Qualifications and Experience of Personnel (Maximum of thirty-five (35) points)

- i. Identify the personnel who would be directly involved in providing the audit services under this agreement by completing the following table.

Name & Location	Title & Responsibility	Total Years Experience	Years with Firm	Most Advanced Degree

- ii. Provide a professional resume as well as a brief description of the background and experience of each individual, including the number of years and type of experience at the current firm as well as prior service. The party in charge of the SIB account should have at least three (3) years of experience in public accounting and audits of State agencies, or services as an accounting consultant to a State agency.
- iii. Indicate who will have ultimate responsibility for this contract. Indicate the availability of this person for live or telephone meetings with the SIB or its designee. Describe the firm's backup procedures if the primary person assigned to this account leaves the firm, or is otherwise unavailable.

d) Cost Proposal (Maximum of thirty (30) points)

Use Attachment 3 (Cost Proposal Work Sheet) to complete your cost proposal for each year of the contract term (including the potential extension year), which will be a full and final estimate. **SIB expects the total amount of the contract not to exceed \$97,500.00 for this potential three-year contract.** Historically, the services outlined in the Scope of Work in Section A of the RFP have taken approximately 150 hours annually to complete. Review this section and the calculations in your Cost Proposal carefully. Mathematical errors may be corrected by SIB. **Do not make any modifications to the Cost Proposal form, including the 150 total annual hours.**

The cost proposal shall:

- i. Follow the template outlined in Attachment 3 – Cost Proposal, completing all of the cost proposal forms listed below:
 - Cost Proposal Detail (Year One)
 - Cost Proposal Detail (Year Two)
 - Cost Proposal Detail (Year Three – Potential Extension Year)
- ii. **Assume a total of 150 hours of staff work (including subcontractor staff work) per year.** Estimate the number of hours out of the 150 each level of staff who will be assigned to the contract will work. Note that the total number of hours for identified staff must equal 150 per year.
- ii. Identify and include an hourly rate for each level of staff who will be assigned to work on the services outlined in this RFP. The hourly rates identified will be utilized in the contract awarded to the winning bidder for reimbursement for services performed. **All-inclusive flat fees and/or retainer fees will not be accepted for consideration.**

Proposals submitted with a cost proposal that fails to meet any of the specified requirements outlined above, or in a form other than as provided for in Attachment 3, will be considered non-responsive and rejected.

4) Submission of Proposals

- a) Proposals should provide straightforward and concise descriptions of the firm's ability to satisfy the requirements of this RFP. The proposal must be complete and accurate. Omissions, inaccuracies, or misstatements may be cause for rejection of a proposal.
- b) All proposals must be submitted in hard copy under sealed cover and received by SIB by 4:00 pm PT on November 13, 2024 unless SIB provides notice that the date has been changed. **Proposals received after this date and time will not be considered.** Proposals received by fax or email will be rejected.
- c) A minimum of one (1) unbound original and three (3) copies of the proposal shall be mailed or delivered to the following address:

**ScholarShare Investment Board
Attention: James Millward
901 P Street, Suite 313B
Sacramento, California 95814
Phone: (916) 651-6380**

- d) The original proposal must be marked "**ORIGINAL COPY**". All documents contained in the original proposal package must have **original signatures** and must be signed by a person who is authorized to bind the proposing firm. All additional proposal sets may contain photocopies of the original package.
- e) The proposal envelopes must be plainly marked with the RFP number and title, your firm name and address, and must be marked with "**DO NOT OPEN**", as shown in the following example:

Request for Proposals No. SIB03-24
Audit Services
Firm Name
Firm Address
Contact Person and Phone Number
“DO NOT OPEN”

If the proposal is made under a fictitious name or business title, the actual legal name of the firm must be provided.

Proposals not submitted under sealed cover and marked as indicated may be rejected.

- f) Proposals that omit the Minimum Qualification Certification that is included in Attachment 5 in Section E will not be considered. Proposals shall include each of the attachments (if applicable) on the Required Attachment Check List in Section E. Proposals that do not comply with the requirements of the RFP shall be deemed non-responsive. A non-responsive proposal is one that does not meet the basic proposal requirements and will be rejected.
- g) Proposals must be submitted for the performance of all the services described herein. Any deviation from the work specifications will not be considered and will cause a proposal to be rejected.
- h) A proposal may be rejected if it is conditional or incomplete, or if it contains any alterations of form or other irregularities of any kind. SIB may reject any or all proposals and may waive an immaterial deviation in a proposal. SIB's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the firm from full compliance with all requirements if awarded the agreement.
- i) The proposing firm is entirely responsible for the costs of developing proposals and costs incurred in anticipation of award of the Agreement. Such costs shall not be charged to SIB.
- j) An individual who is authorized to bind the proposing firm contractually shall sign Required Attachment 2, Proposal/Proposer Certification Sheet. The signature must indicate the title or position that the individual holds in the firm. An unsigned proposal may be rejected.
- k) A firm may modify a proposal after its submission by withdrawing its original proposal and resubmitting a new proposal prior to the proposal submission deadline as set forth in the Schedule (Key Action Dates) in Section C(1). The submission of a new proposal must comply with the requirements in this section. Proposal modifications offered in any other manner, oral or written, will not be considered.
- l) A firm may withdraw its proposal by submitting a written withdrawal request to SIB, signed by the proposing firm or an authorized agent in accordance with Section C(4)(l). A firm may thereafter submit a new proposal prior to the proposal submission deadline. Proposals may not be withdrawn without cause subsequent to the proposal submission deadline.
- m) SIB may modify this RFP prior to the date fixed for submission of proposals by the issuance of an addendum. SIB will also provide post updates online at <http://treasurer.ca.gov/scholarshare/> and <https://caleprocure.ca.gov/>.
- n) Upon announcement and release of this RFP and until selection of a Contractor (and notice of intent to award the Agreement), proposing firms (or potential proposing firms) are not permitted to communicate with SIB staff or its consultants with respect to the RFP except in connection with the process and procedures related to the RFP. Any communication must be directed to James Millward at scholarshare@treasurer.ca.gov.

- o) SIB reserves the right to reject all proposals. SIB is not required to award an agreement.
- p) Firms are cautioned against relying on SIB to discover and report any defects or errors in submitted documents. Before submitting a response to this RFP, firms should carefully review the response, correct all errors, and confirm compliance with the RFP requirements.
- q) Where applicable, firms should carefully examine work sites and specifications. No additions or increases to the agreement amount will be made due to a lack of careful examination of work sites and specifications.
- r) More than one proposal from any firm, organization, partnership, corporation, or association under the same or different names, will not be considered. Reasonable grounds for believing that any firm has submitted more than one proposal for the work contemplated herein will cause the rejection of all proposals submitted by that firm. If there is reason for believing that collusion exists among the proposing firms, none of the participants in such collusion will be considered in this or future procurements.
- s) No oral understanding or agreement shall be binding on either party.

5) Evaluation Process

- a) All proposals will be reviewed by an evaluation committee. The initial review of the proposals will confirm that all information has been submitted in conformity with the requirements of this RFP. The absence of required information will cause a proposal to be deemed non-responsive and may result in the proposal's disqualification. Responsive proposals will then be scored according to criteria herein. The scored categories and the corresponding weighting of each scored category is as follows:

Scored Category	Weighting
Qualifications and Experience of the Firm	30 points
Qualifications and Experience of Personnel	35 points
Cost Proposal	35 points
Total Possible Points	100 points

The Evaluation Committee will allot points for each scored category of the RFP, up to 100 points.

The lowest cost proposal, based on the estimated Total Cost for Three Year Contract Term (two years and potential one-year extension) from Attachment 3, is awarded the maximum cost points. Other proposals are awarded cost points based on the following calculation:

$$\begin{aligned} & (\text{Lowest Cost Proposal} / \text{Other Cost Proposal}) = (\text{factor}) \\ & \text{Total Cost Points for Other Cost Proposal} = (\text{factor}) \times \text{maximum cost points} \end{aligned}$$

EXAMPLE: A maximum of 35 points is available.

$$\begin{aligned} \text{Lowest Cost Proposal} &= \$73,125 \\ \text{Other Cost Proposal} &= \$97,500 \end{aligned}$$

$$\begin{aligned} & (\text{Lowest Cost Proposal} / \text{Other Cost Proposal}) = \$73,125 / \$97,500 = \frac{3}{4} \\ & \text{Cost points awarded to Other Cost Proposal} = \frac{3}{4} \times 35 \text{ points} = 26.25 \text{ Cost Points} \end{aligned}$$

- b) The following point scale will be used to score the responses to the questions presented under each of the scored category unless otherwise specified. Points earned for each scored category that result in a non-whole number will be rounded to the next whole number. For example, 70% of 35 points is 24.5 points, which would be rounded up to 25 points.

Points Awarded	Interpretation	General Basis for Point Assignment
100%	Excellent	Response fully meets the Board's needs, requirements, or expectations with a high degree of confidence in the firm's response. Firm offers one or more enhancing feature, method, or approach exceeding basic expectations.
85%	Very Good	Response fully addresses category being scored. Very good degree of confidence in the firm's response.
70%	Good	Response addresses category being scored. Good degree of confidence in the firm's response. Minimal weaknesses are acceptable.
50%	Adequate	Response (i.e., content and/or explanation offered) is adequate to meet the Board's needs, requirements, or expectations. Any omission(s), flaw(s), or defect(s), are inconsequential and acceptable.
0%	Inadequate	Response fails to address any portion of the category being scored. The omission(s), flaw(s), or defect(s) are significant and unacceptable.

- c) Proposals that contain false or misleading statements, or provide references that do not support an attribute or condition claimed by the firm, may be rejected. If, in the opinion of SIB, such information was intended to mislead SIB in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the proposal.
- d) The contract will be awarded to the responsible and responsive firm with the highest total score.
- e) Tiebreaker - In the event two (2) or more responsive and responsible firms earn the highest score, the contract will be awarded to the responsive and responsible firm earning the higher score in Audit Services. If the scores for Experience/Expertise of the Firm are the same, the contract will be awarded to the responsive and responsible firm earning the higher score in the Background and Personnel Information. If the scores in the Background and Personnel Information are the same, the contract will be awarded to the responsive and responsible firm earning the higher score for Cost.
- f) SIB is not required to award an Agreement.

6) Award and Protest

- a) Notice of the proposed award shall be posted in a public place at the State Treasurer's Office, 901 P Street, Sacramento, CA 95814, for five (5) working days prior to awarding the agreement. The notice will be posted at the entrance to Suite 313B and online at www.treasurer.ca.gov/scholarshare.

- b) If any firm, prior to the award of agreement, files a protest with SIB and the DGS Office of Legal Services, 707 Third Street, 7th Floor, Suite 7-330, West Sacramento, CA 95605, on the grounds that the (protesting) firm would have been awarded the contract had the agency correctly applied the evaluation standard in the RFP, or if the agency followed the evaluation and scoring methods in the RFP, the agreement shall not be awarded until either the protest has been withdrawn or DGS has decided the matter. It is suggested that the firm submit any protest by contacting the Bid Protest Coordinator at OLSProtests@dgs.ca.gov.
- c) Within five (5) days after filing the initial protest, the protesting firm shall file with SIB and the DGS Office of Legal Services a detailed written statement specifying the grounds for the protest. It is suggested that this detailed written statement be submitted by certified or registered mail.

7) Disposition of Proposals

- a) Upon proposal opening, all documents submitted in response to this RFP will become the property of SIB and the State, and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public.
- b) Proposal packages may be returned only at the firm's expense, unless such expense is waived by SIB.

8) Agreement Execution and Performance

- a) Performance shall start not later than 30 days, or on the express date set by the awarding agency and the Contractor, after all approvals have been obtained and the agreement is fully executed. If the Contractor fails to commence work at the agreed upon time, the awarding agency, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between Contractor's proposal price and the actual cost of performing work by another contractor.
- b) All performance under the agreement shall be completed on or before the termination date of the agreement.

D) Preference and Incentive Programs

- 1) **Small Business or Microbusiness Preference** – <https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Certify-or-Re-apply-as-Small-Business-Disabled-Veteran-Business-Enterprise>

A five percent (5%) preference will be applied to certified small business firms submitting proposals. To obtain the preference, firms must either be certified as a small business at the time the proposal is submitted. The firm MUST include an updated copy of their Small Business Certificate to obtain the preference. The 5% preference is issued only for computation purposes to arrive at the successful firm(s), and does not alter the amount of the actual proposals. Once each proposal has been scored, if the highest responsible firm is not a certified small business or microbusiness, 5% of the highest scoring proposal is added to the total "earned" points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal. Questions regarding the small business certification or preference approval should be directed to the Office of Small Business & DVBE Services (OSDS) at (916) 375-4940 or can be found at the website listed above.

2) Non-Small Business Preference – <https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Certify-or-Re-apply-as-Small-Business-Disabled-Veteran-Business-Enterprise>

A five percent (5%) preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal response must include a list of the small business(es) with which the firm commits to subcontract in an amount of at least 25% of the net price with one or more California certified small businesses. Each listed certified small business must perform a “commercially useful function” in the performance of the contract as defined in Government Code Section 14837(d)(4). The required list of California small business subcontractors must be attached to the proposal response and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied; and 5) the dollar amount or percentage of the net price (as specified in the solicitation) per subcontractor.

CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PARTICIPATION GOAL PROGRAM INSTRUCTIONS

DVBE PARTICIPATION REQUIREMENT. The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC) section 10115 et seq., Military and Veterans Code (MVC) section 999 et seq., and California Code of Regulations (CCR), title 2, section 1896.60 et seq. **This solicitation DOES NOT include a minimum DVBE participation requirement. DVBE participation is NOT required in the bid or proposal. However, a DVBE incentive will be applied as provided below.**

DVBE INCENTIVE. The State will apply a DVBE incentive for responsive bids or proposals from responsible proposers that propose DVBE participation. The DVBE incentive will vary in relation to the percentage of confirmed DVBE participation. The following percentages shall apply.

Confirmed DVBE Participation of	DVBE Incentive
5% and above	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable:

(1) Awards based on low price – The DVBE incentive is applied by reducing the net price by the amount of DVBE incentive as computed from the lowest responsive net price submitted by a responsible proposer. The DVBE incentive is for evaluation purposes only. Application of the DVBE incentive shall not displace an award to a small business with a non-small business.

(2) Awards based on high score – The DVBE incentive is a percentage of the total possible available points, not including points for socioeconomic incentives or preferences. The DVBE incentive points are included in the sum of non-cost points. The DVBE incentive points cannot be used to achieve any applicable minimum point requirements.

Firms who have been certified by California as a DVBE (or who are bidding rental equipment and have obtained the participation of subcontractors certified by California as a DVBE) must also submit a completed form **STD. 843 (Disabled Veteran Business Enterprise Declaration)**. All disabled veteran owners and disabled veteran managers of the DVBE(s) must sign the form(s). Should the form not be included with the solicitation, contact the State contracting official or obtain a copy at the following website: https://www.documents.dgs.ca.gov/dgs/fmc/gs/pd/pd_843.pdf. The completed form should be included with the proposal response.

At the State's option prior to award, firms may be required to submit additional written clarifying information. Failure to submit the requested written information as specified may be grounds for proposal rejection.

GENERATIVE ARTIFICIAL INTELLIGENCE REPORTING AND FACTSHEET (STD. 1000)

The State of California seeks to realize the potential benefits of Generative Artificial Intelligence (GenAI), through the development and deployment of GenAI tools, while balancing the risks of these new technologies. Proposer must notify the State in writing if their solution or service includes, or makes available, any GenAI, including GenAI from third parties or subcontractors.

The State has developed a GenAI Reporting and Factsheet (STD. 1000) to be completed by the Proposer.

Failure to report GenAI to the State may void any resulting contract. The State reserves its right to seek any and all relief it may be entitled to as a result of such non-disclosure.

Upon receipt of a Proposer's GenAI Reporting and Factsheet (STD. 1000), the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject proposals that present an unacceptable level of risk to the state.

The audit and examination will be conducted so that the Contractor may render an opinion on the financial statements taken as a whole complying with Rule 58.1 of the State Board of Accountancy in conformity with generally accepted accounting principles, as promulgated by the Governmental Accounting Standards Board (GASB), and applicable provisions of State law.

 - iii. Audited financial statements in the report shall include a "Statement of Operations," "Statement of Assets and Liabilities" (Balance Sheet), and a "Statement of Cash Flows" for the Fund.
 - iv. Report shall include any other material matter and information.
 - v. Draft and final versions of the audit reports will be due to SIB staff pursuant to the tentative schedule outlined in the table below, however due dates may vary depending on availability of information required for the completion of the report and/or the start date of the Agreement.

Exhibit C to this Agreement, the General Terms and Conditions (GTC 04/2017), is hereby incorporated by reference and made part of this agreement as if attached hereto. The General Terms and Conditions can be viewed at <https://www.dgs.ca.gov/OLS/Resources/Page-Content/Office-of-Legal-Services-Resources-List-Folder/Standard-Contract-Language>.

EXHIBIT D
(Standard Agreement)

SPECIAL TERMS AND CONDITIONS

1. Excise Tax

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another state.

2. Settlement of Disputes

In the event of a dispute, Contractor shall file a "Notice of Dispute" with a Deputy Treasurer of the State Treasurer's Office within ten (10) days of discovery of the problem. Within ten (10) days, the Deputy Treasurer shall meet with the representatives of Contractor and the State identified in Section 6 of Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final.

In the event of a dispute, the language contained within this Agreement shall prevail over any other language including that of any bid or proposal.

3. Evaluation of Contractor

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor's performance under this Agreement. If this Agreement is a contract for consultant services and if Contractor did not satisfactorily perform the work, a copy of the evaluation will be sent to the Department of General Services (DGS), Office of Legal Services, and to the Contractor within fifteen (15) working days of the completion of the evaluation in accordance with Public Contract Code section 10371.

4. No Agency Liability

The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

5. Potential Subcontractors

Nothing contained in this Agreement or otherwise, shall create any contractual relationship between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the obligation of the State to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

EXHIBIT D
(Standard Agreement)

6. Force Majeure

Neither party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the State in its sovereign capacity, fires, floods, power failure, disabling strikes, epidemics, quarantine restrictions, and freight embargoes.

7. Waivers

No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party of any right, power or privilege hereunder, nor any single or partial exercise of any right, power or privilege hereunder, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

8. Incorporation of Amendments to Applicable Laws

Any references to sections of federal or state statutes or regulations shall be deemed to include a reference to any amendments thereof and any successor provisions thereto.

9. Confidentiality

All financial, statistical, personal, technical and other data and information relating to the operations of the State which are designated confidential by the State and become available to Contractor shall be protected by Contractor from unauthorized use and disclosure.

10. Titles/Section Headings

Titles and headings are for convenience of reference only, and shall have no effect on the construction or legal effect of this Agreement.

11. Choice of Law

Notwithstanding Paragraph 14 of Exhibit C (General Terms and Conditions), this Agreement shall be administered, construed, and enforced according to the laws of the State of California (without regard to any conflict of laws provisions) to the extent such laws have not been preempted by applicable federal law. Any suit brought hereunder, including any action to compel arbitration or to enforce any award or judgment rendered thereby, shall be brought in state court sitting in Sacramento, California, the parties hereby waiving any claim or defense that such forum is not convenient or proper. Each party agrees that any such court shall have in personam jurisdiction over it and consents to service of process in any manner authorized by California law.

12. Notices

The parties agree that to avoid unreasonable delay in the progress of the services performed hereunder, Contractor and the State have designated in Section 6 of Exhibit A specific staff representatives for the purpose of communication between the parties. Any notice or other written communication required or which may be given hereunder shall be deemed given when delivered personally, or by mail three (3) days after the date of mailing, unless by express mail then upon the date of confirmed receipt, to the representatives named in Section 6 of Exhibit A.

EXHIBIT D
(Standard Agreement)

Either party hereto may, from time to time by notice in writing served upon the other as aforesaid, designate a different mailing address or a different or additional person to which all such notices or demands thereafter are to be addressed.

13. Permits and Licenses

Contractor shall carry out its duties and responsibilities herein in accordance with, be limited in the exercise of its rights by, and observe and comply with, all federal, state, city and county laws, rules or regulations affecting services under this Agreement. Contractor shall procure and keep in full force and effect during the term of this Agreement all permits and licenses necessary to accomplish the work contemplated in this Agreement.

14. Books and Records

Contractor shall keep accurate books and records connected with the performance of this Agreement for a period of at least three (3) years. Contractor shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure location and shall be available for inspection and copying by the State and its representatives at any time.

15. Key Personnel

- a. A resume for each member of Contractor's staff who will exercise a significant administrative, policy, or consulting role under this Agreement is attached to this Agreement as Exhibit A, Attachment 1. These members of Contractor's staff shall be hereafter referred to (both individually and collectively) as "Key Personnel."
- b. Contractor shall not substitute, replace or reassign Key Personnel without the prior approval of the State and an amendment to this Agreement.
- c. This Agreement may be terminated immediately, in the sole discretion of the State and upon written notice from the State to Contractor, because of any change in or departure of any of the Key Personnel.

16. Changes in Control, Organization or Key Personnel

Contractor shall promptly, and in any case within five (5) days, notify the State in writing: (i) if any of Contractor's representations and warranties, as set forth in this Agreement, cease to be true at any time during the term of this Agreement; (ii) of any change in Contractor's staff who exercises a significant administrative, policy, or consulting role under this Agreement, including without limitation any Key Personnel; (iii) of any change in the majority ownership, control, or business structure of Contractor; or (iv) of any other material change in Contractor's business, partnership or corporate organization. All written notices from Contractor under this provision shall contain sufficient information to permit the State to evaluate the changes within Contractor's staff or organization under the same criteria as was used by the State in its award of this Agreement to Contractor.

17. Insurance Requirements

Contractor warrants that it carries adequate liability, worker's compensation and other necessary insurance and shall maintain such insurance at levels acceptable to the State in full force and effect during the term of this Agreement. Contractor agrees to furnish satisfactory evidence of this insurance coverage to the State upon request.

**EXHIBIT D
(Standard Agreement)**

18. Subcontractors

- a. Contractor shall perform the work contemplated by this Agreement with resources available within its own organization except for subcontracted work identified in this Agreement or other attachment incorporated hereto. No other portion of the work pertinent to this Agreement shall be subcontracted without written authorization by the State. The subcontractor must be mutually agreed upon in advance by both parties.
- b. Contractor shall require that any subcontractor agree to be bound by all provisions of this Agreement, as applicable.

19. Notice of Proceedings

Contractor shall promptly notify the State in writing of any investigation, examination or other proceeding involving Contractor, including any Key Personnel, commenced by any regulatory agency, which proceeding is not conducted in the ordinary course of Contractor's business.

20. Cumulative Remedies

The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies that any party may otherwise have at law or in equity.

21. Binding Effect

This Agreement, any instrument or agreement executed pursuant to this Agreement, and the rights, covenants, conditions and obligations of Contractor and the State contained therein, shall be binding upon the parties and their successors, assigns and legal representatives.

22. Publicity

No publicity release or announcement concerning this Agreement or the transactions contemplated herein shall be issued by Contractor without advance written approval by the State.

23. Services or Procurement Resulting from Agreement

Neither Contractor, nor any of its subsidiaries, officers or directors, may submit a bid or be awarded a contract for the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed to be an outgrowth of the advice or recommendations that Contractor provides under this Agreement.

24. Agreement Does Not Violate Law

Contractor represents and warrants that neither the execution of this Agreement nor the acts contemplated hereby nor compliance by Contractor with any provisions hereof will:

- a. Violate any provision of the charter documents of Contractor;
- b. Violate any statute or law or ordinance or any judgment, decree, order, regulation or rule of any court or governmental authority applicable to Contractor; or
- c. Violate, or be in conflict with, or constitute a default under, or permit the termination of, or require the consent of any person under, any agreement to which Contractor may be bound, the violation of which in the aggregate would have a material adverse effect on the properties,

**EXHIBIT D
(Standard Agreement)**

business, prospects, earnings, assets, liabilities or condition (financial or otherwise) of Contractor.

25. Power and Authority

Contractor represents and warrants that it has the power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution of this Agreement has been duly authorized by Contractor and no other proceeding on the part of Contractor is necessary to authorize this Agreement. Contractor has completed, obtained and performed all registrations, filings, approvals, authorizations, consents or examinations required by any government or governmental authority for its acts contemplated by this Agreement.

26. Signature Authorization

The person signing this Agreement warrants that he/she is an agent of Contractor and is duly authorized to enter into this Agreement on behalf of Contractor.

27. Entire Agreement; Order of Precedence

- a. This Agreement, including documents that have been incorporated in this Agreement by reference, contains all representations and the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement.
- b. In the event there are any inconsistencies or ambiguities among the terms of this Agreement and incorporated documents, the following order of precedence shall be used: (i) applicable laws; (ii) the terms and conditions of this Agreement, including exhibits and attachments; (iii) the Request for Proposal (RFP) if any; (iv) Contractor's response to the RFP if any; and (v) any other provisions, terms, or materials incorporated herein.

28. Termination at Option of the State

In addition to the provisions of Paragraph 7 of Exhibit C (General Terms and Conditions), this Agreement may be terminated in whole or in part at any time upon 30 calendar days' written notice by the State, for any reason. Upon receipt of a termination notice, Contractor shall promptly discontinue all services affected unless the notice specifies otherwise. In the event the State terminates all or a portion of this Agreement for any reason, it is understood that the State will provide payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

29. Termination for Insolvency

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

**EXHIBIT D
(Standard Agreement)**

30. Completion

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

31. Effect of Termination

All duties and obligations of the State and Contractor shall cease upon termination of this Agreement, except that:

- a. Each party shall remain liable for any rights, obligations, or liabilities arising from activities carried on by it under this Agreement prior to the effective date of termination; and
- b. Contractor shall provide for the return of all records of the State to the State or its designee and shall cooperate fully to effect an orderly transfer of services.

32. Termination for Expatriation

Contractor shall notify the State immediately in writing in the event that Contractor or its parent files any notice with the Securities and Exchange Commission that Contractor intends to reincorporate offshore. In the event of such notice, the State may terminate this Agreement and all further rights and obligations immediately by giving five (5) days' notice in writing in the manner specified herein.

33. Compliance With Political Reform Act

Contractor acknowledges that the State is subject to the provisions of the Political Reform Act (Government Code section 81000 et seq. and all regulations adopted thereunder, including, but not limited to, California Code of Regulations, title 2, section 18700 et. seq.) and Contractor shall comply promptly with any requirement thereunder. If required by law, Contractor shall require its personnel, including without limitation, its Key Personnel all later substitutions therefore, to file Statements of Economic Interests in compliance with the Conflict of Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer (California Code of Regulations, title 2, section 1897). All such reports shall be filed simultaneously with the State.

34. Darfur Contracting Act

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency

**EXHIBIT D
(Standard Agreement)**

for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).

35. Labor Neutrality Policy

SIB recognizes the value of labor organizing and encourages the entities with which it contracts to demonstrate that they also value this principle by encouraging management neutrality in labor organizing activities.

To remain "neutral" means not to take any action or make any statement that will directly or indirectly state or imply any support for or opposition to the selection by the Contractor's employees of a collective bargaining agent, or preference or opposition to any particular union as a bargaining agent. Nothing in this section obligates or prohibits the Contractor from entering into private neutrality, labor peace or other lawful agreements with a labor organization seeking to represent or who currently represents the Contractor's employees.

36. Executive Order N-6-22 Russia Sanctions

The Contractor shall comply with Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine the Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide the Contractor advance written notice of such termination, allowing the Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

37. Generative Artificial Intelligence (GenAI) Technology Use & Reporting

During the term of the contract, Contractor must notify the State in writing if their services or any work under this contract includes, or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Contractor shall immediately complete the GenAI Reporting and Factsheet (STD 1000) to notify the State of any new or previously unreported GenAI technology. At the direction of the State, Contractor shall discontinue the use of any new or previously undisclosed GenAI technology that materially impacts functionality, risk or contract performance, until use of such GenAI technology has been approved by the State.

Failure to disclose GenAI use to the State and submit the GenAI Reporting and Factsheet (STD 1000) may be considered a breach of the contract by the State at its sole discretion and the State may consider such failure to disclose GenAI and/or failure to submit the GenAI Reporting and Factsheet (STD 1000) as grounds for the immediate termination of the contract. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.

The State reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.
