CALIFORNIA SECURE CHOICE RETIREMENT SAVINGS INVESTMENT BOARD

Resolution No. 2017-08: Resolution of the California Secure Choice Retirement Savings Investment Board Relating to Approval to Release of Request for Proposals for Investment Consulting Services

Background

The California Secure Choice Retirement Savings Investment Board (“Board”) is the administrator of California’s Secure Choice Retirement Program as defined in Government Code section 100000(b) (“Secure Choice Program” or “Program”), and the State agency responsible for the effective and efficient administration of the California Secure Choice Program Trust (“Trust”).

State law also compels the Board to hire an investment manager or managers, develop an investment policy, develop a risk management and oversight program for the investment portfolio, and regularly report on the program’s investments and investment performance against benchmarks and standards.

Investment consulting services will be necessary to assist the Program in hiring an investment manager or manager for the Program, including planning and development of the request(s) for proposals, analysis of proposals, adopting investment performance benchmarks and benchmarks for fees charged to the Program, and reviewing investment manager performance against those benchmarks.

Investment consulting services will also be necessary to advise the Program on development of investment policies that will dictate the investment options to be offered by the Program and assist the Board in making decisions about the Program’s investment options. The investment consultant shall be relied upon to keep the Board informed on the investment climate and market conditions that could impact the Program’s investments, as well follow and report on trends in the investment management industry.

The investment consultant shall also be relied upon to provide the Board with educational sessions on investment-related topics and respond to information requests from the Board, staff, or other consultants.

Based on some review of the investment consulting marketplace, and outreach to other government agencies that use investment consultants, Secure Choice staff believe such services

could be procured for less than \$450,000 total over a three-year period (two years plus one possible extension year).

Staff Recommendation

Approve resolution number 2017-08 to approve the release of request for proposals no. CSCRSIB06-17 for investment consulting services.

A) Purpose and Description of Services

Scope Overview

The California Secure Choice Retirement Savings Investment Board (“Secure Choice Board”, “Board”, or the “State”) is the administrator of California’s Secure Choice Retirement Savings Program as defined in Government Code section 10000(b) (“Secure Choice Program” or “Program”), and the State agency responsible for the effective and efficient administration of the California Secure Choice Retirement Savings Trust (“Trust”).

A qualified investment consultant is needed to (i) facilitate the Board’s development of an investment policy statement based upon investment beliefs and objectives the Board establishes; (ii) advise on development of a risk management and oversight program; (iii) participate in the solicitation of investment management services, (iv) work collaboratively within and across the organizations and teams that will ultimately be service providers to and stakeholders in the California Secure Choice Retirement Savings Program, and (v) monitor the performance of the investment manager(s) and the investment options ultimately included in the Program. More information about the California Secure Choice Retirement Savings Trust Act can be found online at www.treasurer.ca.gov/SCIB. The Board anticipates the Program will begin phased implementation in the first quarter of 2019, with a pilot launch beginning in mid-2018.

While the selected consultant will be under the management purview of the Program’s Executive Director, the consultant will be expected to consult to the Board at the request of the Executive Director or Board.

Sample Standard Agreement

This Request for Proposals No. CSCRSIBxx-xx (“RFP”) includes a Sample Standard Agreement for each Bidder’s review. The Sample Standard Agreement contains the language that the Board expects to utilize for this contract.

Background

The California Legislature authorized creation of the Board, Program, and Trust with the passage of SB 1234 (Ch. 804, Stats. 2016) in 2016, intending it to be implemented in phases starting in early 2019. The Act authorizes Trust investments for an individual’s retirement. The Board was established to administer the state’s Secure Choice Program.

The Board is the state entity responsible for effective and efficient administration of the Trust. The nine-member Board meets monthly. Meetings are held in accordance with the California Bagley-Keene Open Meeting Act and generally are held in Sacramento, California at the State Treasurer’s Office, 915 Capitol Mall, but may be held at other locations.

Scope of Work

The following scope of work details the Board’s expectations for an investment consultant. These services include the following:

1. Facilitate a process for the Board to identify a set of investment beliefs and objectives;
2. Under the direction of the Board or its designee, analyze and evaluate asset allocation and investment structure options for the Trust based upon investment beliefs and objectives established by the Board, expected use of the accounts and the role of risk reduction;
3. Based upon the Board’s investment beliefs and objectives, assist with the development and ongoing review of an investment policy statement;
4. In conjunction with the investment policy statement, advise the Board on and support the development of an ongoing risk management and oversight program;

5. Participate in the development of the investment manager request for proposals, and assist the Board with evaluation of the proposals. The Board expects to issue a request for proposals for investment management services in late February 2018;
6. Advise the Board or its designee on which data should be reported quarterly by the investment manager(s);
7. Periodically compare Program fees to the fees of other state run retirement plans.
8. Conduct monthly investment performance monitoring and provide quarterly evaluations of the Trust that compare investment results to appropriate indices and Board policies, including compliance by the investment manager(s) to these policies, and provide evaluations to the Board or its designee within 10 business days of receiving the data from the investment manager(s);
9. Provide or recommend investment-related educational sessions for Board members, as requested, no more than twice per year;
10. Inform the Board or its designee in the event of significant changes in the investment climate or market conditions that could affect Trust investments;
11. Provide general advice, counsel, and recommendations on a variety of investment-related matters regarding the Trust including investment personnel, investment strategy, investment option design or modifications, the overall qualitative position of investment manager(s), other state run retirement program vendors, and state run retirement industry issues and trends;
12. Collaborate and communicate with consultants, record keepers, investment managers and other parties retained by the Board, as needed;
13. Attend all Board meetings unless notified otherwise by the Board. It is anticipated that the Board will meet approximately once every month. The investment consultant is expected to attend Board meetings in person approximately six to nine times during the first year and at least quarterly in the second and third years of this engagement. Attendance may include presentations to the Board, as needed and pursuant to a request from the Executive Director;
14. Be available to consult with Board members and the Executive Director from 8:00 a.m. to 5:00 p.m. Pacific Time, Monday through Friday; and
15. Respond to the need for telephone consultation within a 24-hour period and be available for meetings with the Board with no greater than 10 days' notice.

The term of the agreement entered into pursuant to this RFP, if any, will be two years with an option, at the Board's sole discretion, to extend the contract for up to one year. The total amount of the contract shall not exceed \$450,000 over the three-year term (two years and potential one year extension). The contract will require approval by the Department of General Services ("DGS"). In no event shall services be performed prior to approval by the DGS Office of Legal Services.

B) Minimum Qualification for Bidders

Bidder must complete Attachment 5 certifying that the Bidder meets the following minimum qualifications:

1. Bidder must have been actively providing advice on retirement plan investment options for at least the last five years. Investment expertise must include knowledge and experience in a wide range of investment vehicles.
2. Bidder must have been providing consultation to or on behalf of individuals or governmental agencies that have been investing funds totaling at least \$1 billion.

3. Bidder must agree in writing to serve as fiduciary to the Trust, solely in the interest of the Program participants, with respect to its work.
4. Bidder may not, during the term of a contract that may be executed pursuant to this RFP, have a contractual or other business relationship with any program management or administrative services contractor that provides services for the Trust or any investment manager directing funds in the Program, either on its own or in partnership, with other entities. Ownership of an account does not constitute a business relationship for the purposes of this minimum qualification.
5. Must be qualified to do business in the State of California. If awarded the contract, Bidder must be able to provide, at the State's request, evidence of qualification to do business in the State of California from the California Secretary of State. 6. Bidder must hold and maintain all applicable licenses and registrations required by applicable federal and state laws for businesses offering investment advisory services. 915 Capitol Mall, Room 435

- i) Proposals must be submitted for the performance of all the services described herein. Any deviation from the work specifications will not be considered and will cause a proposal to be rejected.
- j) A proposal may be rejected if it is conditional or incomplete, or if it contains any alterations of form or other irregularities of any kind. The Board may reject any or all proposals and may waive an immaterial deviation in a proposal. The Board's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the Bidder from full compliance with all requirements if awarded the agreement.
- k) The Bidder is entirely responsible for the costs of developing proposals and costs incurred in anticipation of award of the Agreement. Such costs shall not be charged to the Board.
- l) An individual who is authorized to bind the proposing firm contractually shall sign Required Attachment 2, Proposal/Proposer Certification Sheet. The signature must indicate the title or position that the individual holds in the firm. An unsigned proposal may be rejected.

- q) Before submitting a proposal, Bidders should carefully review the proposal, correct all errors and confirm compliance with the RFP requirements.

- s) More than one proposal from any firm, organization, partnership, corporation or association under the same or different names, will not be considered. Reasonable grounds for believing that any Bidder has submitted more than one proposal for the work contemplated herein will cause the rejection of all proposals submitted by that Bidder. If there is reason to believe that collusion exists among the Bidders, none of the participants in such collusion will be considered in this or future procurements.
- t) No oral understanding or agreement shall be binding on either party.

4) Evaluation Process

- a) The initial review of the proposals will confirm that all information and required attachments have been submitted in conformity with the requirements of this RFP. The absence of required information and attachments will cause a proposal to be deemed nonresponsive and may result in the proposal's disqualification. Responsive proposals will then be reviewed and scored by an evaluation committee. The categories and the corresponding total possible points for each category is as follows:

Scored Categories	Total Possible Points	
	without Interview	with Interview
Bidder's Background and Personnel	15	15
Experience in Investment Consulting	55	55
Cost	30	39
Total Possible Points First Phase	100	109
Optional Interview	--	20
Total Possible Points	100	129

The evaluation committee will allot points for each component of the RFP, up to 129 points. The scoring will be done in two phases. The first phase based upon the written submission will be worth 100 points, with all items being scored with the exception of the Interview portion. The highest scoring Bidders after the first phase is completed may be contacted for an interview.

The Cost component shall be worth 30 percent of the total score, regardless of whether or not interviews are conducted. For example, if interviews are not conducted, Cost shall be worth 30 points of the total possible 100 points. Conversely, if interviews are conducted, Cost shall be worth 39 points of the total possible 129 points.

Interviews, if any, will be scored based on the Bidders' responses to the same set of questions that will be asked of all Bidders invited for the interview phase. The Bidder's Interview score (up to 20 points) will be added to the Bidder's first phase score (with a recalculation of the Cost score to ensure Cost is always worth 30 percent of the total score), and the Bidder earning the highest total score will be announced as the winner.

The Board reserves the right to not conduct interviews if deemed unnecessary to the selection of an investment consultant.

- b) The following point scale will be used to score the responses to each scored category except with regard to costs.

Points Awarded	Interpretation	General Basis for Point Assignment
100%	Exceptional	Category is addressed with the highest degree of confidence in the bidder's response. The response exceeds the Board's needs, requirements or expectations with superior background/experience/expertise
80%	Excellent	Response fully meets the Board's needs, requirements or expectations with a high degree of confidence in the bidder's response. Bidder offers one or more enhancing feature, method, or approach exceeding basic expectations.
60%	Good	Response fully addresses category being scored. Good degree of confidence in the bidder's response. Minimal weaknesses are acceptable.
40%	Adequate	Response (i.e. content and/or explanation offered) is adequate to meet the Board's needs, requirements or expectations. Any omission(s), flaw(s), or defect(s), are inconsequential and acceptable.
20%	Minimally adequate	Minimally addresses the category being scored, but one or more major considerations of the category are not addressed, or addressed in such a limited way that it results in a low degree of confidence in the bidder's response.
0%	Inadequate	Fails to address any portion of the category being scored. The omission(s), flaw(s), or defect(s) are significant and unacceptable.

- c) Proposals that contain false or misleading statements, or that provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of the Board, such information was intended to mislead the Board in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the proposal.
- d) The agreement will be awarded to the responsible and responsive Bidder earning the highest total score.
- e) The Board is not required to award an agreement.

5) Award and Protest

- a) Notice of the proposed award shall be posted in a public place in the office of the Board, 915 Capitol Mall, Sacramento, California 95814 and on the Internet at <http://www.treasurer.ca.gov/scib> for five (5) working days prior to awarding the agreement.
- b) If any Bidder, prior to the award of agreement, files a protest with Board and the DGS Office of Legal Services, 707 Third Street, 7th Floor, Suite 7-330, West Sacramento, California 95605, on the grounds that the protesting Bidder would have been awarded the contract had the agency correctly applied the evaluation standard in the RFP, or if the agency followed the evaluation and scoring methods in the RFP, the agreement shall not be awarded until either the protest has been withdrawn or DGS has decided the matter. It is suggested that any protest be submitted by certified or registered mail.
- c) Within five (5) days after filing the initial protest, the protesting Bidder shall file with the Board and the DGS Office of Legal Services a detailed statement specifying the grounds for the protest.

- d) Upon resolution of the protest and award of the agreement, Contractor must complete and submit to the Board the Payee Data Record (STD 204), to determine if the Contractor is subject to state income tax withholding pursuant to California Revenue and Taxation Code Sections 18662 and 26131. This form can be found on the Internet at <https://www.documents.dgs.ca.gov/dgs/fmc/pdf/std204.pdf>. No payment shall be made unless a completed STD 204 has been returned to the Board.
- e) Upon resolution of the protest and award of the agreement, Contractor must sign and submit to the Board, page one (1) of the Contractor Certification Clauses (CCC 04/2017), which can be found on the Internet at <http://www.dgs.ca.gov/ols/Resources/StandardContractLanguage.aspx>.

6) Disposition of Proposals

- a) Upon proposal opening, all documents submitted in response to this RFP will become the property of the Board and the State, and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public.
- b) Proposal packages may be returned only at the Bidder's expense, unless such expense is waived by the Board.

7) Agreement Execution and Performance

- a) Performance shall start on the contract start date, or on the express date set by the awarding agency and the Contractor, after all approvals have been obtained and the agreement is fully executed. If the Contractor fails to commence work at the agreed upon time, the awarding agency, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between Contractor's proposal price and the actual cost of performing work by another contractor.
- b) All performance under the agreement shall be completed on or before the termination date of the agreement.
- c) The General Terms and Conditions included as Exhibit C to the Sample Standard Agreement are not negotiable. Exhibit C (currently **GTC 04/2017**) can be found online at <http://www.dgs.ca.gov/ols/Resources/StandardContractLanguage.aspx>

D) Qualifications and Experience

Questions in this section are intended to demonstrate the Bidder's qualifications and experience. Points will be awarded for the Bidder's response(s) to each question. The allocation of points is defined in Section C of this RFP entitled "Evaluation Process." Questions should be answered for each relevant personnel, or subcontractor to the extent applicable if a Bidder is a consortium or is using subcontractors. In preparing proposals, the Bidder must list each question and then provide the Bidder's response to that question in the same order listed in this RFP.

1) Bidder's Background and Personnel (Maximum of fifteen (15) points)

- b) Identify the personnel who will provide the services if awarded the contract, including years and type of experience for each person. Experience should include number of years at the current firm as well as all prior relevant employment. Please also include staff of subcontractors, if any. The contractor is expected to ensure that the quality and availability of personnel assigned to perform services under the contract will be maintained over the term of the contract.

Replacements must have substantially the same or better qualifications and experience than the original personnel. Any change in assigned personnel must be pre-approved by the Board.

Identify the role each person will serve in the contract and his/her title.

Provide detailed resumes for the individuals that will be directly involved in providing the services under the contract including any proposed subcontractors and their employees, if any.

- c) Indicate who will have ultimate responsibility for this contract. Indicate the availability of this person for live or telephone meetings with the Board. Describe the Bidder's backup procedures if the primary person assigned to this account leaves the firm, or is otherwise unavailable.

2) Experience in Investment Consulting (Maximum of fifty-five (55) points)

- a) Describe the Bidder's experience in advising boards on formulating and reviewing investment policies and in interpreting investment data. Include the names of the boards, the number of years that the Bidder has provided such service, the number of agencies or boards to which Bidder is currently providing investment advice and the approximate dollar value of the portfolios for which consultative services are provided.
- b) Describe in detail what data, information, and advice the Bidder proposes to provide to the Board in formulating its investment policies and analyzing and interpreting the investment performance of the investment manager(s). Describe the Bidder's methodology used for measuring risk.
- c) If Bidder has been involved with the development and implementation of a state run investment program (e.g., 529, ABLER or state run retirement plans), please describe the key considerations and challenges in advising on the start-up of a new investment program.
- d) Based on the Bidder's experience with start-up programs, and the understanding of the California Secure Choice Retirement Savings Program, describe how the Bidder would align the characteristics of strong investment performance (risk and return), investment cost and investment vehicles with the needs of the Program, taking into account that the Program may have complex components.
- e) Provide a detailed description of the Bidder's investment manager selection process. Please provide an example of the Bidder's experience with the issuance of a request for proposals for investment management services and include detail regarding the approach to drafting the solicitation and the evaluation of responses. Understanding the unique characteristics of the Program, what key requirements would the Bidder include in the investment manager solicitation?
- f) Describe the Bidder's experience and expertise with the development, and ongoing monitoring, of unique investment vehicles, including a reserve option or other pooled investment options. In light of the Bidder's response to 2)d) above, please address the role of these investments in the Secure Choice Program.
- g) Describe the Bidder's experience and expertise with low risk, stable value products, guaranteed investment contracts, insured products and similar investments. How would the Bidder determine the appropriate investment vehicle and provide the evaluation criteria used to select a provider?
- h) Describe how benchmarks are chosen or developed and how an investment's performance is compared to similar investment options. Indicate whether the Bidder has ever developed benchmarks and, if so, provide a description of the benchmarks developed.

- i) Describe the Bidder's investment evaluation process and provide samples of evaluation tools used on a regular basis.
- j) List any consulting accounts lost within the past three years and note the reason for the account lost.
- k) Please provide a project plan in response to the Scope of Work and affirm the Bidder's ability to perform every item in Section A, Scope of Work. Include in the plan an estimated range of hours to complete the work (note that this range of hours will not be factored into the scoring of the Bidder's cost proposal). Please identify any items that Bidder would provide through a subcontractor.
- l) Provide the name, address, telephone number, contact name and title for five (5) firms to serve as references for Bidder, using the format in Attachment 4. Provide three (3) references for any subcontractors the Bidder plans to use. Identify the individuals at Bidder's firm who were responsible for providing consulting services to these clients/entities. Submission of Attachment 4 is mandatory. Proposals that fail to submit Attachment 4 shall be considered nonresponsive and rejected.

3) Optional Interview (Maximum of twenty (20) points)

Answers provided to questions during the interview will be the basis for awarding up to 20 points. Each interviewee will receive the same set of questions. The highest scoring Bidders will be interviewed. See Section C(4) of this RFP for further information on the Interview process.

E) Cost Proposal (Maximum of thirty (30) points)

The cost proposal shall:

- Follow the template outlined in Attachment 3 – Cost Proposal Worksheet.
- Provide a fixed annual fee for performing the Scope of Work set forth in this RFP.

The fixed annual fee provided should include all Bidder fees/costs to the Board. **The Board expects the total amount of the contract not to exceed \$450,000 over the three-year term (two years and potential one year extension) of the contract.** Bidders are advised that neither the Treasurer's Office, nor the Program, will reimburse the Consultant for any travel and lodging expenses.

Proposals submitted with a cost proposal that fails to meet any of the specified requirements outlined above, or in a form other than as provided for in Attachment 3, will be considered nonresponsive and rejected.

The following formula shall be used for the award of cost points:

Lowest cost proposal, based on the estimated Total Cost for a three-year contract term from Attachment 3, is awarded the maximum cost points. Other proposals are awarded cost points based on the following calculation:

$$(\text{Lowest Bidder's cost proposal} / \text{Other Bidder's cost proposal}) = (\text{factor})$$

$$\text{Cost points for other Bidder} = (\text{factor}) \times \text{maximum cost points}$$

EXAMPLE: A maximum of 30 points is available.

Lowest Bidder's Cost Proposal	= \$75,000
Other Bidder's Cost Proposal	= \$100,000

(Lowest Bidder's cost proposal / Other Bidder's cost proposal) = \$75,000 / \$100,000 = $\frac{3}{4}$

Cost points awarded to Other Bidder = $\frac{3}{4}$ X 30 maximum cost points = 22.5 cost points

EXAMPLE IF OPTIONAL INTERVIEW IS CONDUCTED: A maximum of 39 points is available.

Lowest Bidder's Cost Proposal = \$75,000
Other Bidder's Cost Proposal = \$100,000

(Lowest Bidder's cost proposal / Other Bidder's cost proposal) = \$75,000 / \$100,000 = $\frac{3}{4}$

Cost points awarded to Other Bidder = $\frac{3}{4}$ X 39 maximum cost points = 29 cost points

F) Legal, Disciplinary, and Conflicts of Interest Disclosures

Advise if any partner, officer, investment officer, portfolio manager, research analyst, or trader of the Bidder's firm has been convicted or pleaded no contest in a case stemming from a felony indictment. Any such conviction or plea must be disclosed and must be accompanied by a full explanation of the circumstances surrounding it.

Advise if the Bidder is or was a defendant in litigation relating to any services which it proposes to provide to the Board. Any final settlement, administrative decision, or judgment made in connection with this litigation must be disclosed and must be accompanied by a full explanation of the circumstances surrounding it.

Advise if the Bidder, any partner, related company (parent, subsidiary, sister), affiliate or joint venture, or any owner, officer, director, principal, or management level employee of the Bidder been involved in any enforcement action by the Securities and Exchange Commission or any other governmental regulatory agency or been named a defendant in litigation where there was an allegation of violation of fiduciary responsibility. If yes, explain in detail.

Disclose any other legal or disciplinary event that is material to the Board's evaluation of the Bidder or the integrity of Bidder's management or advisory personnel by either: (1) identifying the specific type of event and specifically referring to the relevant portions of the Bidder's most recent Forms MA or MA-I (and, if doing so, providing detailed information specifying where the Board may electronically access such forms), or (2) providing a writing that fully and fairly discloses the information required to be disclosed under MSRB Rule G-42(c)(ii) and (b).

Advise if the Bidder has ever been terminated for cause from any contract. If the answer is yes, cite the background of the contract, reason for the termination, and what the Bidder has done to change operations or personnel to preclude the circumstances regarding the termination from re-occurring.

Disclose any business relationships, which may be construed to be potential or actual conflicts of interest. The contractor will have a continuing requirement to disclose any business relationships that may be construed to be a potential or actual conflict. The disclosure must be sufficiently detailed to inform the Board of the nature, implications and potential consequences of each conflict and must include an explanation of how the Bidder addresses, or intends to manage or mitigate, each conflict.

The Board may reject a proposal due to any disclosure or conflict of interest (potential or actual) that is material in the sole opinion of the Board.

G) California Disabled Veteran Business Enterprise and Preference Programs

- 1) The Disabled Veteran Business Enterprise (DVBE) participation requirements for this RFP and contract have been waived.
- 2) Small Business Preference – www.dgs.ca.gov/pd/Programs.aspx (SB/DVBE - OSDS tab) (If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting

Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

Small Business / Microbusiness Preference

A five percent (5%) preference will be applied to certified small businesses submitting proposals for this RFP. To obtain the preference, Proposer must either be certified as a small business and submit a copy of their certification approval letter from DGS / Office of Small Business and DVBE Services (OSDS) or submit a complete application for certification to DGS / OSDS by 5:00 p.m. PT on the proposal due date. However, the proposed winning Proposer must be a certified small business at the time of contract award. The 5% preference is used only for computation purposes to determine the winning Proposer and does not alter the amounts of the resulting contract.

Once each proposal has been scored, if the highest scored proposal is from a non-certified small business, then 5% of the highest scoring proposal is added to the total "earned" points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the OSDS at (916) 375-4940 or can be found online at <http://www.dgs.ca.gov/pd/Programs/OSDS.aspx>.

Non-Small Business Preference

A five percent (5%) preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal must include a list of the small business(es) with which the Proposer commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied, 5) and the dollar amount or percentage of the net proposal price (as specified in the solicitation) per subcontractor.

Proposers claiming the 5% preference must commit to subcontract for at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. PT on the proposal due date. Questions regarding certification should be directed to the OSDS at (916) 375- 4940 or can be found online at <http://www.dgs.ca.gov/pd/Programs/OSDS.aspx>.

The preference to a non-small business firm that commits to California certified small business subcontractor participation of 25% of its net proposal price shall be 5% of the highest scoring proposal. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

- 3) Target Area Contract Preference Act (TACPA) - www.dgs.ca.gov/pd/Programs.aspx (Dispute Resolution tab) (If there are any inconsistencies herein with the applicable statutes, regulations, and State Contracting Manual, the statutes, regulations, and State Contracting Manual shall supersede.)

The TACPA preference will be granted for this procurement. Proposers wishing to take advantage of the TACPA preference will need to review the following website and submit the appropriate response with the proposal:

<http://www.pd.dgs.ca.gov/edip/tacpa.htm>

Proposers wishing to take advantage of the TACPA preference are required to submit the following applications/forms:

- TACPA (Std. 830)
- Bidder's Summary of Contract Activities and Labor Hours (DGS/PD 525)
- Manufacturer Summary of Contract Activities and Labor Hours (DGS/PD 526)

During the term of the agreement, the Contractor may not begin a contractual or other business relationship with any investment management services contractor that provides services for the Trust or any investment manager directing funds in the Secure Choice Program portfolio, either on its own or in partnership, with other entities.. Should the Contractor begin such a relationship, it shall notify the Board immediately and the agreement may be terminated immediately by the Board on the ground of conflict of interest and any payments made subsequent to the creation of the conflict shall be disgorged by the agreement. Also, the Contractor may continue to

Within ten (10) days, the Deputy Treasurer shall meet with the representatives of Contractor and the State identified in [Insert Paragraph No.] of Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final.

3. Evaluation of Contractor

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor's performance under this Agreement. 5. Potential Subcontractors

Nothing contained in this Agreement or otherwise, shall create any contractual relationship between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the obligation of the State to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

8. Incorporation of Amendments to Applicable Laws

Any references to sections of federal or state statutes or regulations shall be deemed to include a reference to any amendments thereof and any successor provisions thereto.

9. Confidentiality

11. Choice of Law

The parties agree that to avoid unreasonable delay in the progress of the services performed hereunder, Contractor and the State have designated in Paragraph [Insert Paragraph No.] of Exhibit A specific staff representatives for the purpose of communication between the parties. Any notice or other written communication required or which may be given hereunder shall be deemed given when delivered personally, or by mail three (3) days after the date of mailing, unless by express mail then upon the date of confirmed receipt, to the representatives named in Paragraph [Insert Paragraph No.] of Exhibit A.

Contractor shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure location and shall be available for inspection and copying by the State and its representatives at any time.

15. Key Personnel

- a. A resume for each member of Contractor's staff who will exercise a significant administrative, policy, or consulting role under this Agreement is attached to this Agreement as [Attachment ___ / Exhibit ___]. These members of Contractor's staff shall be hereafter referred to (both individually and collectively) as "Key Personnel."
- b. Contractor shall not substitute, replace or reassign Key Personnel without _____ the prior approval of the State.
- c. This Agreement may be terminated immediately, in the sole discretion of the State and upon written notice from the State to Contractor, because of any change in or departure of any of the Key Personnel.

16. Changes in Control, Organization or Key Personnel

All written notices from Contractor under this provision shall contain sufficient information to permit the State to evaluate the changes within Contractor's staff or organization under the same criteria as was used by the State in its award of this Agreement to Contractor.

17. Insurance Requirements

Contractor warrants that it carries adequate liability, worker's compensation and other necessary insurance and shall maintain such insurance at levels acceptable to the State in full force and effect during the term of this Agreement. Contractor agrees to furnish satisfactory evidence of this insurance coverage to the State upon request.

**EXHIBIT D
(Standard Agreement)**

18. Subcontractors

- a. Contractor shall perform the work contemplated by this Agreement with resources available within its own organization except for subcontracted work identified in this Agreement or other attachment incorporated hereto. No other portion of the work pertinent to this Agreement shall be subcontracted without written authorization by the State. The subcontractor must be mutually agreed upon in advance by both parties.
- b. Contractor shall require that any subcontractor agree to be bound by all provisions of this Agreement, as applicable.

19. Notice of Proceedings

Contractor shall promptly notify the State in writing of any investigation, examination or other proceeding involving Contractor, including any Key Personnel, commenced by any regulatory agency, which proceeding is not conducted in the ordinary course of Contractor's business.

20. Cumulative Remedies

The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies that any party may otherwise have at law or in equity.

21. Binding Effect

This Agreement, any instrument or agreement executed pursuant to this Agreement, and the rights, covenants, conditions and obligations of Contractor and the State contained therein, shall be binding upon the parties and their successors, assigns and legal representatives.

22. Publicity

No publicity release or announcement concerning this Agreement or the transactions contemplated herein shall be issued by Contractor without advance written approval by the State.

23. Services or Procurement Resulting from Agreement

Neither Contractor, nor any of its subsidiaries, officers or directors, may submit a bid or be awarded a contract for the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed to be an outgrowth of the advice or recommendations that Contractor provides under this Agreement.

24. Agreement Does Not Violate Law

Contractor represents and warrants that neither the execution of this Agreement nor the acts contemplated hereby nor compliance by Contractor with any provisions hereof will:

- a. Violate any provision of the charter documents of Contractor;
- b. Violate any statute or law or ordinance or any judgment, decree, order, regulation or rule of any court or governmental authority applicable to Contractor; or
- c. Violate, or be in conflict with, or constitute a default under, or permit the termination of, or require the consent of any person under, any agreement to which Contractor may be bound, the violation of which in the aggregate would have a material adverse effect on the properties, business, prospects, earnings, assets, liabilities or condition (financial or otherwise) of Contractor.

**EXHIBIT D
(Standard Agreement)**

25. Power and Authority

Contractor represents and warrants that it has the power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution of this Agreement has been duly authorized by Contractor and no other proceeding on the part of Contractor is necessary to authorize this Agreement. Contractor has completed, obtained and performed all registrations, filings, approvals, authorizations, consents or examinations required by any government or governmental authority for its acts contemplated by this Agreement.

26. Signature Authorization

The person signing this Agreement warrants that he/she is an agent of Contractor and is duly authorized to enter into this Agreement on behalf of Contractor.

27. Entire Agreement; Order of Precedence

- a. This Agreement, including documents that have been incorporated in this Agreement by reference, contains all representations and the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement.
- b. In the event there are any inconsistencies or ambiguities among the terms of this Agreement and incorporated documents, the following order of precedence shall be used: (i) applicable laws; (ii) the terms and conditions of this Agreement, including exhibits and attachments; (iii) the Request for Proposal (RFP) if any; (iv) Contractor's response to the RFP if any; and (v) any other provisions, terms, or materials incorporated herein.

28. Termination at Option of the State

In addition to the provisions of Paragraph 7 of Exhibit C (General Terms and Conditions), this Agreement may be terminated in whole or in part at any time upon [insert number of days for notice of termination] days' written notice by the State, for any reason. Upon receipt of a termination notice, Contractor shall promptly discontinue all services affected unless the notice specifies otherwise. In the event the State terminates all or a portion of this Agreement for any reason, it is understood that the State will provide payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

29. Termination for Insolvency

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

30. Completion

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

**EXHIBIT D
(Standard Agreement)**

31. Effect of Termination

All duties and obligations of the State and Contractor shall cease upon termination of this Agreement, except that:

- a. Each party shall remain liable for any rights, obligations, or liabilities arising from activities carried on by it under this Agreement prior to the effective date of termination; and
- b. Contractor shall provide for the return of all records of the State to the State or its designee and shall cooperate fully to effect an orderly transfer of services.

32. Termination for Expatriation

Contractor shall notify the State immediately in writing in the event that Contractor or its parent files any notice with the Securities and Exchange Commission that Contractor intends to reincorporate offshore. In the event of such notice, the State may terminate this Agreement and all further rights and obligations immediately by giving five (5) days' notice in writing in the manner specified herein.

33. Compliance With Political Reform Act

Contractor acknowledges that the State is subject to the provisions of the Political Reform Act (Government Code section 81000 et seq. and all regulations adopted thereunder, including, but not limited to, California Code of Regulations, title 2, section 18700 et. seq.) and Contractor shall comply promptly with any requirement thereunder. If required by law, Contractor shall require its personnel, including without limitation, its Key Personnel all later substitutions therefore, to file Statements of Economic Interests in compliance with the Conflict of Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer (California Code of Regulations, title 2, section 1897). All such reports shall be filed simultaneously with the State.

34. Darfur Contracting Act

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).

35. Deleted for the purposes of this RFP.

**EXHIBIT D
(Standard Agreement)**

36. Labor Neutrality Policy

[The Treasurer's Office/BCA] recognizes the value of labor organizing and encourages the entities with which it contracts to demonstrate that they also value this principle by encouraging management neutrality in labor organizing activities.

To remain "neutral" means not to take any action or make any statement that will directly or indirectly state or imply any support for or opposition to the selection by the Contractor's employees of a collective bargaining agent, or preference or opposition to any particular union as a bargaining agent. Nothing in this section obligates or prohibits the Contractor from entering into private neutrality, labor peace or other lawful agreements with a labor organization seeking to represent or who currently represents the Contractor's employees.
