who might reasonably have information related to such records. Further, Contractor agrees to
include a similar right of the State to audit records and interview staff in any subcontract related to

In lieu of a performance guarantee, the Contractor may provide either:

(a) an irrevocable Letter of Credit in an amount sufficient to meet the Contractor’s program management obligations (including any dollars committed to marketing) pursuant to the Agreement for a period of one year. Such Letter of Credit shall be issued by a bank doing business in California and insured by the Federal Deposit Insurance Corporation. The Contractor shall further provide for honor of a draft or demand for payment presented with the Board’s written statement certifying that there has been loss, damage, or liability resulting from the Contractor's performance or non-performance of duties and obligations under the Agreement, or from the negligence or act of omission by the Contractor or its agents, servants, and employees, and that the amount of the demand or draft is, therefore, now due and payable;

(b) a Surety Bond payable to the Board in an amount sufficient to meet the Contractor's program management obligations (including any dollars committed to marketing) pursuant to the Agreement for a period of one year. The Surety Bond must be maintained in current status at all times throughout the Term of the Agreement. If the term of the Bond is less than the Term of the Agreement, the Board will require that evidence of renewal be submitted to the Board no less than 60 days prior to the expiration date of the Bond; or

(c) other alternative means to reasonably ensure performance by the Contractor that is mutually agreeable to the parties.

12.11 Keeping of Records and Books of Account

The Contractor shall keep accurate books and records connected with the performance of this Agreement. The Contractor shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure off-site storage facility, with a copy at a secure back-up recovery facility as described in Section 20 of this Exhibit E, and shall be available for inspection and copying by the Board and its representatives at any time.

12.12 Protection of Trademark

The Contractor shall take all commercially reasonable steps to assist the Board in protecting the name, slogan and logo for, and any other trademarks or service marks associated with, the Program from infringement by third parties.
13. TERM OF AGREEMENT; TERMINATION.

13.1 Term of Agreement

The Term of this Agreement shall be for a period of seven years, beginning on [term to be inserted], unless terminated earlier or extended by amendment (the "Initial Term"). At the pleasure of the Board, this Agreement may be extended for three one-year terms (the "Extension Term" or "Extension Terms"). An Extension Term of this Agreement, and any amendments to this Agreement in connection with such Extension Term, shall be affected through a written amendment executed by the Contractor and the Board, subject to approval by the California Department of General Services.

13.2 Termination by the Board for Deficient Performance.

(a) The Board will continually monitor the performance of work pursuant to this Agreement as described in the Marketing, Administrative and Investment Performance Criteria or as otherwise incorporated by reference. Each portion of the Agreement will be evaluated separately on an annual basis.

(i) If at any time the Board finds that the Contractor’s marketing or administrative performance is not adequate as determined by comparison to the Marketing or Administrative Performance Criteria, and if the performance would be curable but it remains uncured for more than sixty (60) days after the Board has given written notice thereof to the Contractor (unless the Board reasonably determines such deficient performance would be curable over a longer period of time), then the Board may treat such deficient performance as a material breach and it may terminate this Agreement.

(ii) If at any time the Board finds the Contractor in material breach of its obligations under Section 6.2(d) herein, then the Board may terminate this Agreement.

(iii) If at any time the Board finds the Contractor's investment performance is otherwise deemed inadequate as set forth in Section 6.3(c) herein, and such performance remains uncured for more than a one (1) year period after the Board has given written notice thereof to the Contractor, then the Board may treat such inadequate performance as a material breach and it may terminate this Agreement.

(b) Without waiving any of its rights with respect to a finding of material breach, the Board in its sole discretion may allow the Contractor to continue to perform work under the Agreement, but it may require that up to the full amount of the Program Management Fees or other available fees otherwise due to the Contractor be placed in escrow until all identified deficiencies are cured. During the pending default, the Board may apply the escrowed fees to actual costs incurred as a result of the default. Once the default is cured or the Contractor’s performance has improved to the Board’s satisfaction, any amounts remaining in the escrow will be transferred to the Contractor.

(c) Deficient performance, including any material breach of this Agreement, shall constitute cause of termination pursuant to paragraph 7 of Exhibit C.

13.3 Termination for Insolvency

The Contractor shall notify the Board immediately in writing in the event that it, any parent, affiliate, related entity, subsidiary or subcontractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against any of these parties, or any of these parties is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the Board determines, based on reliable information, that there is a substantial probability that the Contractor, parent, affiliate, related entity, subsidiary,
or subcontractor will be financially unable to continue performance under this Agreement, the Board may terminate this Agreement and all further rights and obligations immediately by giving five (5) days’ notice in writing to the Contractor. Insolvency shall constitute cause for purpose of termination pursuant to paragraph 7 of Exhibit C.

13.4 Termination for Expatriation

The Contractor shall notify the Board immediately in writing in the event that it [or its parent] files any notice with the SEC that Contractor intends to reincorporate offshore, or if no such notice is required that it [or its parent] intends to reincorporate offshore. In the event of such notice or reincorporation, the Board may terminate this Agreement and all further rights and obligations immediately by giving five (5) days’ written notice to the Contractor. In this instance, the Board may require the Contractor to continue to provide Services under this Agreement until a replacement contractor can assume management of the Program.

13.5 Termination Upon Adverse Interpretation of Applicable Law

In the event that the Trust or objectives of the Trust are adversely affected due to interpretations of Applicable Law and Board deems it in the best interests of the Account Owners to transfer assets and records of the Trust to a Person other than the Contractor, the Board may terminate this Agreement and all further rights and obligations immediately by giving five (5) days’ written notice to the Contractor. In this instance, the Board may require the Contractor to continue to provide Services under this Agreement until such transfer of assets and records of the Trust is complete.

13.6 Transition upon Termination.

(a) When the Contractor ceases to perform any portion or all of the work contemplated in this Agreement, whether such cessation is at the direction of the Board or due to termination of the Agreement, the Contractor shall do everything in its power to facilitate the transfer of such work from the Contractor to any workforce, agency, contractor, or other entity designated by the Board. The Contractor, its employees, agents, and subcontractors shall provide the Board, its staff, and whoever the Board selects to perform future work for the Program, complete, immediate, and unimpeded access to all records, data, files, and information pertinent to performing the work which the Contractor will be ceasing to perform. The Contractor shall continue to perform all work under this Agreement during a transition of up to one year as determined by the Board to ensure an orderly transition of services provided pursuant to a new agreement, except that the Contractor and the Board must mutually agree upon any longer transition period.

(b) The Contractor shall take all steps necessary to ensure that all system materials, including documentation, are current and adequate to facilitate the orderly transfer of all files, data, information, and assets of or relating to the Trust in a reasonable and sortable electronic form within a medium mutually agreed upon by the Contractor and the Board.

(c) When work is transferred from the Contractor, the Contractor shall take all steps necessary to ensure that its employees, agents, and subcontractors do not impede or delay the orderly transfer of work. In the event of a transfer of work from the Contractor, if there is any delay in the transfer which is the direct or indirect result of actions of the Contractor, its employees, agents, or subcontractors which impedes the transfer of work, the Board may, at its discretion, require the Contractor to pay to escrow fees otherwise allowable under the terms of this Agreement until such time as the transition is complete.

(d) Collection by the Board of the amount authorized in this provision does not limit the Board’s ability to collect any other amounts that the Board is authorized to pursue and collect pursuant to other provisions of this Agreement or Applicable Law.
13.7 Collection of Fees

In addition to giving written notice of breach to the Contractor under Section 13.2, if such breach is not cured within the applicable time periods set forth in Section 13.2, the Board may order that the portion of the Contractor’s Program Management Fee which would otherwise accrue during the period from the date of such notice until such time as the Board has determined that the Contractor has not cured the breach shall be withdrawn by the Contractor as otherwise permitted by Section 9.1(b) and transferred to the Board to be held in escrow during such period and may be used by the Board to pay its expenses in enforcing the terms of this Agreement. In the event that the Contractor shall cure such breach, the escrowed fees (net of any amounts payable to the Board) will be transferred to the Contractor. Nothing in this Section 13.7 or any other provision of this Agreement shall limit the Board’s right or ability to pursue any other remedy available to it at law or in equity or both.

13.8 Additional Termination at Board’s Option

Unless otherwise specified by the provisions of Paragraph 7 of Exhibit C, this Agreement may not be terminated by the Board except “for cause” during the first seven years of its term. For avoidance of doubt, a termination under Section 13.2, Section 13.3, Section 13.4, or Section 13.5 shall be deemed a termination “for cause” within the meaning of the immediately preceding sentence. Upon completion of the Initial Term, this Agreement may be terminated in whole or in part at any time upon 180 calendar days’ written notice by the Board, for any reason. Upon receipt of a termination notice, the Contractor shall promptly discontinue all services affected unless the notice specifies otherwise.

13.9 Termination upon Expiration of the Initial Term Without Cause

This Agreement shall be terminated upon expiration of the Initial Term unless at least ninety (90) days prior to the expiration date the Board has provided written notice to the Contractor of extension of an Extension Term pursuant to Section 13.1.

13.10 Contractor Rights upon Termination

In the event of termination of this Agreement for any reason set forth in this Section 13, the Contractor will be entitled to withdraw its Program Management Fee in accordance with Section 9 for satisfactory services performed prior to the termination, net of any amounts transferred to the Board in accordance with Section 13.6 above. The Contractor shall not be entitled to additional compensation.

13.11 Software and Other Program Records to be Available to Trust

At the termination of this Agreement, the Contractor will cooperate with the Board to effect an efficient transition of Program Records and data to a new contractor, including the granting of nonexclusive, royalty free, nontransferable limited use licenses for all software which permits participants and/or beneficiaries to participate in and interact with the Program. These limited use licenses will be used to effect the transition of data, including testing and reconciliation, and will expire upon successful transition of program records and data to a new contractor. All Program Records and data shall be readily accessible to the Board and a successor contractor, at the Contractor’s expense, in a reasonable and sortable electronic form within a medium mutually agreed upon by the Contractor and the Board.

13.12 Post-Term Restrictions

Upon termination or expiration of this Agreement, the Contractor agrees that it shall not make any direct solicitation of any Account Owner, Beneficiary, Giftor and/or Prospect except to the extent permitted by and in accordance with Section 7.7 of this Exhibit E. The Contractor further agrees
that it shall not use the Program Records after termination or expiration of this Agreement for any
purpose other than as may be required in connection with on-going Services to Accounts, if any.

14. CONTACT PERSONS; MEETINGS.

his/her respective party as to the matters pertaining to this Agreement. Effective upon execution
of this Agreement, the initial contact persons shall be those set forth in Section 4 of Exhibit A to
this Agreement. Each party shall notify the other, in writing, as to the name, address and
telephone number of any replacement for any such designated contact persons or any additional
contact person or replacement thereof.

14.2 Meetings

Appropriate Key Personnel shall attend all formal Board meetings unless otherwise notified by the
Board Chair, Chair’s designee, or the Executive Director that participation via telephonic

the Services under this Agreement (including without limitation investment allocation
methodologies and know-how, and any software and analytical tools as are otherwise owned by
the Contractor and utilized and developed by or for the management, marketing and administration
of the Program) (the ”Contractor Intellectual Property”); provided, however, that the Board shall
not be restricted in any manner in connection with the continuation of the Program after the Term
of this Agreement in using the same or substantially the same structure of the Program or portions
thereof (including the investment and allocation guidelines components) as have been in effect
prior to termination or expiration of this Agreement, and the Contractor shall be deemed to have
granted the Board a non-exclusive, perpetual, royalty-free, non-transferable license to so use the same or substantially the same structure of the Program or portions thereof (including the investment and allocation guidelines components) as have been in effect prior to termination or expiration of this Agreement.

15.2 Use and Custody of Program Records

The Board shall be deemed to have granted to the Contractor during the Term of this Agreement, and after termination or expiration of this Agreement only to the extent set forth in Section 13.9 of this Exhibit E, a non-exclusive, royalty-free non-transferable license to use Program Records in connection with its Services under this Agreement. Program Records reflecting aggregate Program and Account data (but excluding Program Lists and transaction and Account Owner specific data) shall be made available to the Board, upon its request, at the Contractor’s expense, in a reasonable and sortable electronic form within a medium mutually agreed upon by the Contractor and the Board. Program Records reflecting Program Lists and transaction and Account specific data shall be made available to the Board upon its request, provided that the Board protects and safeguards such information consistent with the Board's privacy policy and the provisions set forth in Section 16. During the Term of this Agreement and so long as the Contractor is providing services to the Board in accordance with this Agreement, the Contractor shall at its sole discretion either transfer ownership to the Board, or obtain adequate license rights for the Board to use in Program Records copyrighted or patented materials that (i) are owned by the Contractor, or by a third party that has granted such Contractor the right to sublicense relevant use rights to the Board, and (ii) were incorporated by the Contractor into any Program Records. The form and substance of any such licenses to use such materials shall be subject to prior approval by the Board. The Contractor shall not use the Program Records during the Term of this Agreement or after termination hereof other than as may be required in connection with the Services.

15.4 Ownership and Use of Names and Property by Contractor

(b) The Contractor shall not use the names of the Program, the State or the Board, or material relating to the Program in any manner other than in a manner approved prior thereto by the Executive Director; provided, however, the Executive Director shall not withhold approval of such use when the use merely refers to such names in accurate terms (and in type no larger or bolder than in the textual material in the document in which its name appears) and is in connection with a description of the appointment of the Contractor hereunder or is required by the SEC, a state securities commission, or any federal or state bank regulatory authority.

16. CONFIDENTIALITY

The requirements of confidentiality under this Agreement apply to the Contractor, its employees and agents, and to all affiliates, related parties, subsidiaries, and subcontractors, and to their employees and agents.

(a) All financial, statistical, personnel, technical and other data or information relating to the Board’s operation and personal information (including identification numbers or Account codes) which is considered confidential as defined by law or is designated as confidential by the Board and is made available to the Contractor in order to carry out this Agreement, shall be protected by the Contractor from unauthorized use, disclosure or destruction through the observance of all applicable federal and California State information security and confidentiality laws and procedural requirements.

Contractor will also, subject to its reasonable security requirements, permit site visits of its data processing facilities by governmental agencies with regulatory authority over the Board.

Either party may, from time to time by notice in writing served upon the other, designate a different mailing address or a different or additional Person to which all such notices or demands thereafter are to be addressed.

20. CONTINGENCY PROGRAM. The Contractor at all times must have a Contingency Program to ensure that Program operations will continue in the event of a variety of possible business disruptions due to natural disasters, technical disasters, and internal and external malicious activity (including cyber-attacks that affect systems and / or business networks).

The Contingency Program must identify all resources that require backup and the priority of such backup, and it must address or provide for:

(a) Personnel responsibilities in the event of business disruption;
(b) Back-up recovery facilities that, at a minimum, provide for adequate hardware/software compatibility between the backup facility and the operations facility, and adequate workspace and equipment to conduct on-going business;
(c) Back-up strategies for data files and system files, including the frequency of back-up and the storage of back-up media;
(d) Environmentally controlled and secure off-site storage (i) located an adequate distance from the operations facility to avoid both facilities being impaired by the same event and (ii) which will contain at a minimum storage of procedures and user manuals, backup operating instructions, reference and data files, system documentation and software files, and operational files;
(e) Access to multiple communication modes as needed to continue full operations;
(f) A quarterly test of the backup facility’s ability to assume full operations; and
(g) Review of the Contingency Program at least annually and in connection with any significant changes to the Contractor’s business operations and environment.

At the Board’s discretion, it or its designees may observe any or all backup and recovery tests.

21. DISPUTES.

(a) In the event of a dispute, the Contractor shall file a “Notice of Dispute” with a Deputy Treasurer of the State Treasurer’s Office within ten (10) days of discovery of the problem. Within ten (10) days, the Deputy Treasurer shall meet with the representatives of the Contractor and the Board identified in Paragraph 4 of Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final. (c) Any suit brought under this Agreement (including any action to compel arbitration or to enforce any award or judgment rendered thereby) shall be brought in State court sitting in Sacramento, California, the parties hereby waiving any claim or defense that such forum is not convenient or proper. Each party agrees that any such court shall have in personam jurisdiction over it and consents to service of process in any manner authorized by State law.

(d) The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies that any party may otherwise have at law or in equity.

22. MISCELLANEOUS.

22.1 Waiver

The terms and conditions hereof may be waived only by a written instrument signed by the party waiving compliance. The failure of the Board or the Contractor to insist on strict compliance with this Agreement, or to exercise any right or remedy under this Agreement, shall not constitute a waiver of any rights provided under this Agreement, nor stop either party from thereafter demanding full and complete compliance nor prevent any party from exercising such a right or remedy in the future.

22.2 No Third-Party Beneficiaries

Except as otherwise specifically provided for herein, nothing in this Agreement is intended or shall be construed to give any Person, other than the parties hereto, their successors and permitted assigns, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein, provided that the foregoing shall not deprive any Account Owner or Beneficiary of any right, remedy or claim which such Person may have under Applicable Law, independent of this Agreement.

22.3 No Partnership; Independent Contractor

As set forth in Section 8 of Exhibit C, the Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State. Furthermore, the Contractor shall have no authority to bind the Board.

22.8 Amendment
As set forth in Section 2 of Exhibit C, no amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties. The Contractor and the Board may agree to execute such additional documents, and perform such further acts, as may be reasonable and necessary to carry out the provisions of this Agreement.

22.9 Counterparts
This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

22.10 Force Majeure
Except for payment obligations hereunder, neither party shall be liable to the other for any failure to comply with the terms of this Agreement, for any delays in the performance thereof or for failure to perform under the terms and provisions of this Agreement, where such failure or delay is due to causes beyond such party's reasonable control including, but not limited to, acts of God, acts of civil or military authority, acts of the State in its sovereign capacity, fires, floods, power failures, suspension of trading, epidemics, quarantine restrictions, wars, terrorism, riots, strikes, delays in transportation and freight embargoes.

Furthermore, this Agreement, any instrument or agreement executed pursuant to this Agreement, and the rights, covenants, conditions and obligations of Contractor and the Board contained therein, shall be binding upon the parties and their successors, assigns and legal representatives.

22.13 Reports

Contractor acknowledges that the Board is subject to the provisions of the California Political Reform Act (Government Code Sections 81000 et seq., and all regulations adopted thereunder,
including, but not limited to, California Code of Regulations, Sections 18700 et seq.) and Contractor shall comply promptly with any requirement thereunder. If required by law, the Contractor shall require its personnel, including without limitation, its Key Personnel and all later substitutions thereof, to file Statements of Economic Interests in compliance with the Conflict of Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer, including the Board (California Code of Regulations, Title 2, Division 2, Chapter 4, Section 1897). All such reports shall be filed simultaneously with the Board.

22.15 No Publicity

No publicity release or announcement concerning this Agreement or the transactions contemplated herein shall be issued by Contractor without advance written approval by the Board.

22.16 No Additional Services or Procurements

Neither the Contractor, nor any of its affiliates, related entities, subsidiaries, officers or directors, may submit a bid or be awarded a contract for the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed to be an outgrowth of the advice or recommendations that the Contractor provides under this Agreement.

22.17 Darfur Contracting Act

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with “scrutinized” companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a “scrutinized” company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).

22.18 Iran Contracting Act

Effective June 1, 2011, Contractor must address the requirements of the Iran Contracting Act of 2010 (the Iran Contracting Act). The Iran Contracting Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with companies that engage in investment activities in Iran as defined in Public Contract Code section 2202.5.
Effective June 1, 2011, Contractor engaged in investment activities in Iran is ineligible to, and shall not, bid on, submit a proposal for, or enter into or renew, a contract with a State agency for goods or services. (Public Contract Code section 2203).

Contractor must certify that it is not engaged in investment activities in Iran as defined in Public Contract Code section 2202.5. Contractor engaged in investment activities in Iran, however, may submit a bid or proposal for a contract with a State agency for goods or services if it has been granted permission by the State Treasurer’s Office pursuant to the criteria set forth in Public Contract Code sections 2203(c) and/or 2203(d). Note that additional findings by the State Treasurer’s Office are required and will be made solely at the discretion of the State Treasurer’s Office.

22.19 Evaluation of Contractor

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor’s performance under this Agreement. If this Agreement is a contract for consultant services and if Contractor did not satisfactorily perform the work, a copy of the evaluation will be sent to the Department of General Services (DGS), Office of Legal Services, and to the Contractor within fifteen (15) working days of the completion of the evaluation in accordance with Public Contract Code section 10371.
