Cool Roof Eligibility Requirements

Questions? Contact the Contractor Liaison:

gogreen@egia.org

Phone: 888-987-3443

Every Cool Roof installation financed through GoGreen Home must meet the following performance requirement*, regardless of climate zone or roof type/slope:

Solar Reflectance Index (SRI) Value
≥20

For more information on SRI: [Cool Roof Rating Council Guidance Sheet](#)

GoGreen Home has created a pre-filtered list of hundreds of rated roof products that comply with this requirement: [GoGreen Home Eligible Cool Roof Products List](#)
