APPROVAL OF FINANCIAL SOUNDNESS DETERMINATION OF PRELIMINARY AND/OR ADVANCE APPORTIONMENT UNDER THE PROPOSITION 2 FUNDING ROUND OF THE CHARTER SCHOOL FACILITIES PROGRAM

June 10, 2026

WHEREAS the Charter School Facilities Program (Program) was established for the purpose of providing charter schools with funding to construct new facilities and rehabilitate existing district facilities; and

WHEREAS, modeled after the State's School Facilities Program, the Program funds 50 percent of project costs as a grant from the State, and 50 percent through a local match, which can be met with a lump sum payment by the grantee or through a loan from the State to the grantee; and

WHEREAS, in November 2024, voters approved Proposition 2, a ballot measure which allocated an additional \$600 million to the Program; and

WHEREAS, the California School Finance Authority (Authority) and the State Allocation Board (Board), staffed by the Office of Public School Construction (OPSC, and together with the Authority and the Board, the State), are designated to jointly administer the Program; and

WHEREAS, the Authority is authorized by Education Code section 17078.57 and section 10154 of Program regulations to determine whether applicants to the Program are financially sound for purposes of the Program at the time of Preliminary, Advance, and Final Apportionment; and

WHEREAS, the Authority has conducted financial soundness reviews of the applicants identified in Exhibit A of this resolution and determined they are sound for purposes of the project cost amount and apportionment as set forth in Exhibit A; and

WHEREAS, these determinations of financial soundness will be provided to the Office of Public School Construction as it recommends to the State Allocation Board approval of a Preliminary and/or Advance Apportionment from Proposition 2 funds; and

WHEREAS, awardees fulfilling the project's local matching share in the form of a State loan will elect to have loan payments intercepted at the state-level, under Sections 17199.4 and 17078.57(a)(1)(A) of the Education Code; and
