Treasurer John Chiang to Stand Up to Trump Administration and Make Major Announcement About Green Financing California's Infrastructure at Milken Institute Summit

Today, August 7, California State Treasurer Chiang will make a major announcement about green financing California's infrastructure system at the Milken Institute California Policy Summit. Speaking before policymakers and top-level executives, Treasurer Chiang will lay out one of the many ways California is standing up to the Trump Administration and combatting climate change.

Additionally, Treasurer Chiang will discuss a [comprehensive study](#) on the emerging green bonds market issued in 2017, which identified the barriers and challenges to growing the green bond market, and discuss next steps that have come out of that study.
